SC-100L BOARD

enlarging the boundaries at Morrison Mill School.

Mr. Weddall, from committee, reported conditions highly satisfactory at Doak Settlement School. He and Mr. Spurden were satisfied with the condition of the school-house and both speak favorably of the teacher, Miss Florence McKenzie.

Mr. Spurden, from committee, reported that the blanks for the bonds have been received from the printer and are very satisfactory. Mr. Sterling spoke of satisfactory financial arrangements at the bank and that a portion of the issue (4½ per cent.) will be ready for customers in a day or two. He expects these bonds will bring a good figure.

Committees to look after the necessary repairs were appointed as follows:

High School—The chairman, Mr. Weddall, Dr. Crockett.

Charlotte Street School—Mr. Sterling, Mr. Spurden, Mrs. Clark.

Regent Street School—Mr. Lemont, Mrs. Cox.

MR. SHARKEY TO RETIRE.

In an endeavor to place Mr. Sharkey upon one of the standing committees and being pressed very hard, he felt compelled to admit that he had made up his mind to withdraw from the board, after many years of to him, most pleasant service. He took occasion to thank the members for continued courtesies extended to him.

Chairman Sterling spoke of the valuable public service rendered by Mr. Sharkey and the board's regret to part with him. The other members spoke of regret at the prospect of separation and some of the members referred to the excellent reports of the meetings furnished the press by Mr. Sharkey.

Mr. Weddall, Mrs. Clark and Mr. Lemont were appointed a committee on teachers.

Mr. Weddall referred to the fact that this would be the last meeting Mr. Sampson would attend until after his European trip.

A resolution was adopted wishing Secretary Sampson a very happy vacation in the Old Country, and safe return.

Chairman Sterling and every member of the board said nice things about the secretary and if they desire mature the secretary will neither be sea sick, see fog nor an iceberg. Mr. Sampson starts on his trip next Wednesday and sails from Montreal on the big Allan liner Grampian.

entitled to some remuneration but was very reasonable in regard to the matter.

Alderman Everett thought that Mr. Greer's complaint was worthy of the serious consideration of the Council.

The city employee in charge of the work on Regent Street positively states that a light was placed there the evening previous while the report of the police corroborates the statement of Mr. Greer that the light had disappeared. If the lantern has been stolen the thief will be severely dealt with. To remove these lanterns exposes night traffic to serious danger.
