IS YOUR BACK FULL OF ACHES ALL DAY LONG?

That Stab-Like Pain in the Back is Sure Indication of Kidney Trouble

Mrs. Anna Rodriguez, writes as follows from her home in Valencia: "For a long time I suffered with failing strength and nagging headaches. My condition grew steadily worse, my limbs became bloated and shaky, I was sallow and thin, felt rheumatic pains, dizziness and chills. I unfortunately didn't suspect my kidneys and was nearly dead when I was told of the wonderful health and strength that comes to all who use Dr. Hamilton's Pills. I felt sure they discovered the true cause of my sufferings. I read so much about the Pills that I felt sure they would help me. Such blessings of health and comfort I got from Dr. Hamilton's Pills I can't describe. They speedily put me right and their steady use keeps me active, energetic strong and happy. I strongly urge others to regulate and tone their system with Dr. Hamilton's Pills of Mandrake and Butterbur." No greater medicine exists than Dr. Hamilton's Pills for the cure of indigestion, constipation, flatulence, liver, bladder and kidney trouble. Refuse substitutes, 25c per box or five boxes for \$1.00, at all druggists and storekeepers, or postpaid by the Cataract Co., Buffalo, N. Y., and Kingston, Ont.

BIG GATHERING OF HOMEOPATHISTS

Atlantic City, N. J., June 22.—A thousand or more homeopathic physicians from all over the United States and Canada are in Atlantic City for the seventieth annual convention of the American Institute of Homeopathy, which is the oldest medical organization in the country. Committee reports and various other convention preliminaries were handled today, but the regular sessions will not begin until tomorrow. General meetings of the institute will be held every morning during the remainder of the week and after their conclusion the various affiliated societies will meet and numerous bureau and sectional conferences will be held. Among the affiliated societies are the National Society of Physical Therapeutics, the Surgical and Gynecological Society, the Obstetrical Society, the Society of Neurology and Psychiatric and the American Homeopathic Ophthalmological, Otolological and Laryngological Society.

JOHNSON RETAINS

(Continued from page six.)

They thought I could not last the twenty rounds," he said "well, didn't I, I am satisfied, I have done nothing for two years except ride fast. In another six weeks I will be ready to box anybody."

"Moran. He has a real hard punch with either hand. I know because I have been there. If they always alighted there isn't anybody who could stand up against them. He is a good boy, all right, and I enjoyed the fight. Carpenter is a fine referee."

It was the first time that a French champion had refereed a big match, and Carpenter expressed great pleasure at the experience. He thought it was one of the best fights he had ever seen.

Asked if he would like to take on Johnson, Carpenter said: "Johnson is a little bit too heavy for me at present."

Moran, in his dressing room after the fight said: "At the worst it should have been a draw. I was the aggressor throughout the whole 20 rounds and I was not hurt. The cut over my eye is only an old one reopened; it was received in training. I believe I had the best of, practically every round."

"The blow that really hurt was one on my nose and for this Johnson was warned. That stopped my breath and sent the blood trickling down my throat. That was the only real hurt Johnson gave me. I shall return to my camp and train for another fight. My manager has one in mind."

It was announced that the gate receipts exceeded \$40,000.

It is understood that Moran gets \$5,000 and Johnson \$30,000.

WHEELER BROS. CIRCUS PLEASED THE PUBLIC

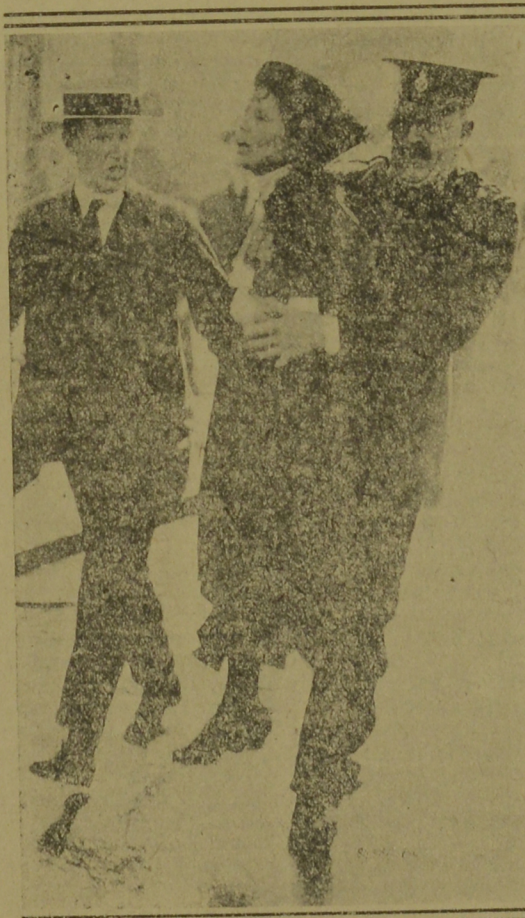

Big Crowds Attended Both Performances Here on Saturday - Left For Bangor, Me

Wheeler Bros. circus gave two performances at Queen Square on Saturday and left shortly after midnight for Bangor, Me. This circus had planned a tour of the Maritime Provinces but decided to go back to the United States from here. Fredericton has seen larger circuses, but none have excelled this one in other respects. In the afternoon the big tent which has seating accommodation for five thousand people, was crowded to its capacity. The ring performance was of a high order and the many wonderful features put on elicited hearty applause from the spectators. The millionaire cowboy and his performing horses came in for much well merited praise. The horses, which were personally trained by him, displayed almost human intelligence. The beautiful black charger which he rode in the ring was much admired. It is said that he lately refused an offer of fifteen thousand dollars for this horse.

The evening performance attracted another large crowd and all pronounced it a good, clean show.

William Howard, of St. John police force, is spending a few days of his vacation in this city and was a visitor at the Police Court this morning.
