ANDERSON BEAT GREEK

Moncton, Nov. 20.—A large crowd witnessed the wrestling bout here to-night between Sam Anderson, of Boston, and John Kilonis, Greek middleweight. Anderson won after a hard, gruelling match. Great excitement prevailed during the bout. Considerable money changed hands, Anderson being slightly the favorite.

Kilonis won the first fall in one hour thirteen minutes, with head, scissors and arm lock. The second fall was won by Anderson with a toe hold in twenty-five minutes. Anderson also won the third and deciding fall in twenty-three minutes.

Joe Patchen II and Vernon McKinney were hooked to pole recently and stepped a half in 1.02, with the last quarter in 294 seconds.

SHAUGHNESSY McGILL'S COACH AND HIS CAREER

Was Trained in American Game But Quickly Adopted Himself to Upper Canadian Football

Ottawa, November 19.—Frank Shaughnessy, who coached McGill to the Intercollegiate championship this year, is an Ottawa boy of two year's residence now. He was born at Amboy, Ill., a small place about 100 miles south of Chicago. He attended Notre Dame University at Notre Dame, Ind., taking a law course. He entered in 1901 and was graduated in 1906. In 1902 he made the Varsity baseball team and played in the outfield for four years. Among his team mates were "Red" Murray, the hard hitting outfielder of the N.Y. Giants, who starred with a stick in the world's series; Ed. Reulbach, the big Chicago Cub pitcher, and some lesser lights. The same year he made the baseball team he caught the quarter-back position on the football team. He was a regular with the squad the remaining years he was in college, playing left end.

CAME HERE IN 1906

In the summer of 1906 he came up to Canada and played ball with the Ottawa team in the old Northern League. He was the most popular man on the team through his swatting ability. He came to a home run over the left field fence at Varsity Oval one day, and they are still looking for the ball.

TRADED FOR FRANK BAKER

When the Northern followed in the wake of all outlaw leagues, Shag went down to South Bend, Ind., and played in the Central League. Next season he played in the Pacific Coast League, and the following year came east and played with Washington in the Atlantic League, another outlaw circuit. It was here that Connie Mack took a liking to Frank and he went south with the Athletics the next spring. He played through the first month of the schedule and was traded to Reading, of the Tri-State, with two other players, for Frank Baker, of home-run fame.

A SUCCESSFUL MANAGER

Next year he managed Roanoke, of the Virginia League, copping two pennants while he was there. He hit over .320 and led the league in stolen bases each season. During the winter months he practised law in Roanoke and coached college football teams.

ALWAYS A WINNER

Owner Varnell, of the Fort Wayne Central League Club, drafted him last fall to manage his team, and this summer after a gruelling race in the fastest minor league in the country, Fore Wayne beat out the other eleven clubs and won the pennant.

Before going to Fort Wayne last spring Shaughnessy was one of the owners of the Ottawa Baseball Club successful in securing a berth for the Capital in the Canadian League. He signed up most of the players for Ottawa from his own ranks at Fort Wayne, and these players brought the Canadian League pennant to Ottawa the first year the city was ever represented in organized baseball.

THREE CHAMPIONSHIPS

Today Shaughnessy holds the unique distinction of being directly associated with three championship teams, viz.: McGill football team, Fort Wayne baseball team and Ottawa baseball team. The fact that he will be here to manage the local Canadian League club next summer added considerable zest to his success last Saturday with McGill and the whole Ottawa public was out there cheering for Shaughnessy.

USED FOOTBALL BRAINS

His coaching heretofore has been confined to southern colleges having handled Clemson College, at Clemson S. C., and Washington and Lee, at Lexington, Va. He is a member of the official board of American football referees. What he knows of Canadian football was gleaned through studying the games he has seen here the past two years. He has adapted a little American football where practicable to the Canadian game, and by judicious football sense has rounded out a winning team. His on-side kick with four men behind it is a greater ground getter than Varsity's half-back combination are of their famous quarter-back run and leaves no chance for being called back for illegal interference. It is a play that will be picked up at once

FRED TAYLOR TO LEAVE FOR COAST TOMORROW

Definitely Announces That He Has Closed With Vancouver Hockey Club—Heavy Loss to N. H. A.

Ottawa, Nov. 19.—The expected has happened. Fred Taylor, the Ty Cobb of the National Hockey Association, has accepted terms to play with the Vancouver Club of the Pacific Coast League, and leaves for the West, Friday morning. Taylor verified the rumor which was in circulation last night.

"Yes, I leave for the Coast on Friday and have my transportation right in my pocket, I didn't want to stay in the East and starve." It is said Taylor refused to stand for the Ottawa Club paying \$500 for his release to owner Lichenheim, of Wanderers, and rather than see them put to that expense, jumped the League. The Ottawa Club gave Gordie Roberts and Walter Small to Wanderers as gratuity three years ago and Fred believed a free certificate for his services was coming from Wanderers to Ottawa.

Taylor's loss means many thousands of dollars to the N. H. A., he is the biggest drawing card there is in the game and wherever he plays, a goodly portion of hockey followers come merely to see him perform. This will be Taylor's first big migration since he joined the Ottawa team in 1907.

HOPPE RETAINS TITLE

New York, Nov. 21.—Willie Hoppe retained his title as champion at 18.2 ball line billiards by defeating Ora Morningstar in the final game of the championship tournament here last night by the score of 500 to 276. Neither man played up to expectations, although Hoppe at times gave an excellent exhibition of his ability making runs of 86, 75 and 74. Morningstar was unable to keep the ivory under control.

BOULON IN DRAW

New York, Nov. 21.—Johnny Coulon, holder of the bantamweight title and Charley Goldman of New York, fought ten rounds to a draw at the Royal Athletic Club, Brooklyn, last night. The little champion was aggressive throughout, pressing the fight close and getting in his short arm body blows.

The local fighter boxed at long range, equalling the champion's efforts.

HOOF PRINTS

Admiral Dewey, 2.04½, the dead son of Bingen and Nancy Hanks, is the sire of 14 new performers.

Both "Pat" and Bob Ganley Were at Train When J. J. McCaffrey of Fredericton Baseball Club Left Boston Tuesday Night--Ganley Ready to Return To Fredericton if Team is Again Organized--Mr. McCaffrey met Some Big Men of Baseball While Away

P. J. Duggan and Bob Ganley the two old standbys of the Fredericton Baseball Club in the season of 1912 were at the railway station in Boston, Tuesday night when Mr. J. J. McCaffrey of this city, one of the principle members of the club management left the "Hub" on the final stage of his return journey to this city after spending some time in the United States. Both "P. J." and Bob were much interested in the prospects of the N. B. & Maine League although Duggan looks good for a permanent place on the Providence team of the International League. Providence has let a couple

of men go, but has retained Pat. Bob Ganley is ready to come back and get into the game again for Fredericton.

The local club has a deficit on last season's operations however, which must be cleared up before preparations for season 1913 can be begun. When that is disposed of something probably will be done.

While away Mr. McCaffrey met some who are interested in baseball in the United States and also was fortunate in being able to meet Connie Mack of the Athletics and J. J. McGraw of the Giants. He had short conversations with both.

SPORTS OF ALL KINDS

It is expected that Pitre will go to the Coast. He is wanted for the cover point position on New Westminster left vacant by the departure of Ernie Johnson. Montreals expect to see him in the Canadiens.

McGill has definitely decided to play no more Rugby this season and will not be in the finals or semi-finals for the Canadian Football Championship. Nearness of examinations is the reason for his decision.

Sam Lichtenhan owner of the Montreal club in the International Baseball League and of the Wanderers Club in the National Hockey Association it is rumored will organize a professional lacrosse team next spring.

The Winnipeg Victorias, holders of the Allan Cup, are now prepared to meet all comers for this trophy and the world's amateur hockey championship. The Vics have held their annual meeting, and judging from the array of talent that was present, a good season is in store for the champions.

Nothing heard yet concerning the New Brunswick Hockey League. Chatham which won the title last year wants the league revived.

Rollie Norman the Moncton manager pro tem is to go up to the Upper Provinces on a hunt for players for Moncton, in a few days. The fans in Moncton are expecting great things this season, but they will have to go the limit to get ahead of the Garrison City teams this winter—Halifax Echo.

Seasons for sports change rapidly. The U.N.B. boys have begun basketball already with the Rugby season just over.

Budd Doble was not the oldest driver who won a trotting race this year. E. H. Greeley of Ellsworth, Me., who is eighty years old, won a six-heat race with Maine Todd at Cherryfield, Me., a few weeks ago.

EXPERT PLAYERS FROM ALL OVER DOMINION

The Acadian Recorder says: "Upper Canadian papers say a number of the players that were in the Provincial league last season are signed by the N.H.A. We have it from good authority that practically all the players are available this season. Several of the most prominent are in communication with the clubs hereabout, and Halifax will have some of the best.

It is expected that in two weeks time the provincial league players will be all signed. It is reported that some of the hockey players as far West as Saskatoon are trying for berths on the provincial league teams."

CANADIAN COLLEGES BOOKED FOR NEW YORK

Kingston, Nov. 18.—Queen's University hockey club has accepted the invitation of the New York Athletic Club to play an exhibition game with Toronto University in New York shortly after Christmas.

Mr. Greeley owned Bingen, 2.06½, when he trotted in 2.12½ as a two-year-old.

Coach Shaughnessy of McGill appears to have upheld the contention that some of the methods of American football can be applied with success to the Canadian game. Likewise, Coach Warner of the Carlisle Indians had startled followers of the American game by the introduction of Canadian open play, which has been prominent and helpful feature of the last two games played by the Redskins.

Five yearling trotters by one sire—J. Malcolm Forbes, 2.08—have gained records of 2.30 or better this year. Only eight yearlings by this son of Bingen, 2.06½, are living.

Cambridge University Rugby XV on Tuesday defeated Glasgow Academicals by 34 to 0.

Frank Heffernan, of the Toronto team, broke a smallpox quarantine at his boarding house in Gloucester street to play against the Hamilton Alerts her on Saturday. He has been summoned to court to explain his action.—Toronto Globe.

The importation of Indiana horses expected here within a week or so contains a large infusion of Patch blood and the railbirds are anxiously waiting to see the horses.

Baden, 2.05½, the trotting stallion recently sold for something like \$27,000 after winning \$35,700 in the Grand Circuit this year, was sold by his breeder for \$400. Richard Murphy of Lowell, Mass., who bought him for this small sum, sold him for \$1,500 to Louis Neidhardt, of Jersey City, about two years ago. Count Vorontsov Dashkoff, of the Imperial Trotting Club of Russia, is said to be the new owner of the stallion.

Arthur Pelky and Sailor White are to box at Chicopee on the United States Thanksgiving Day. Pelky's real name is Pelletier and he claims the Canadian heavy-weight title.

HORNF'S HIGH JUMP RECORDS ACCEPTED

New York, Nov. 18.—The high jump of 6 feet 6½ inches made by G. L. Horne in a dual meet at Leland Stanford University on March 29 last was accepted as the world's record by the Awards Committee of the Amateur Athletic Union today.

The committee also accepted eleven records made by American athletes at the recent Olympic games in Stockholm.

LEDoux BEAT REDDY

New York, Nov. 21.—Charles Ledoux, French bantamweight champion, outpointed Battling Reddy of Harlem, all through their ten-round bout last night. The Frenchman carried on a wild rushing fight, swinging blindly with left and right and the local boxer spent most of his time covering or running away. The rounds were very much alike except for the tenth when the visitor for a moment had Reddy slightly groggy, but Reddy recovered and finished strong.
