EVERY STIFF JOINT LIMBERED RHEUMATISM CURED!

That Old Family Remedy "Nerviline" is Guaranteed for the Worst Cases

CURES NEURALGIA, BACK-ACHE, LUMBAGO

Rheumatism today is unnecessary. It is so well understood and so readily curable that every day we have reports of old chronics being freed of their tormentor.

"I can speak confidently of the Nerviline treatment, for the simple reason that it cured me," writes Albert B. Cornlius, from Kingston. "You can't imagine how stiff and lame and sore I was. Nights at a time I couldn't sleep well. I followed the Nerviline directions carefully—had it rubbed into the sore region four or five times every day. Every rubbing helped to reduce the pain. The swelling went down. I got a fair measure of relief in a week. I also took two Ferrozone Tablets with my meals. They increased my appetite and spirits, purified my blood and toned up my system generally.

"I am as well today as a man could be—in perfect good health. I give Nerviline all the credit."

A large family size bottle of Nerviline costs only 50c, or the trial size, 25c, and is useful in a hundred ills in the family. Whether it's toothache, earache, headache, neuralgia, lumbago or a cold, Nerviline will cure just as readily as it will cure rheumatism. For family use nothing equals Nerviline.

THE MARKET

Eggs were scarce in the market Saturday and sold for twenty-five cents a dozen. Other prices were as follows: Butter 25c; potatoes \$1.25; veal 8c to 10; beef 9c to 11c; pork 13c; maple honey 25c.

Following E. H. Sothorn's declaration that he will permanently retire from the stage at the end of next season, comes an announcement that he will revive "Lord Dunderbary" as developed from Tom Taylor's play, "Our American Cousin." This was one of the elder Sothorn's most notable successes.
