BISSELL DISK HARROWS

The Bissell Co make Disk Harrows and Steel Land Rollers, that is their specialty. In order to build up and hold a trade on two lines they have to turn out something better than their competitors.

An increasing demand for Bissell goods all across the Continent testifies that they have succeeded.

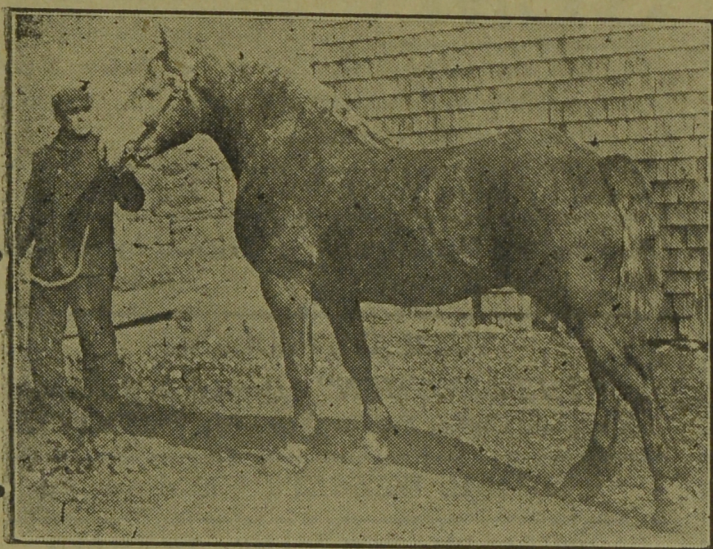

We are the representatives of the Bissell Co in New Brunswick.

If an agent offers you a Bissell Harrow but recommends some other kind, he is simply trying to deceive you for his own profit.

Buy the Bissell but be sure that it has two levers, a one lever harrow is only half complete.

The Bissell plates are different shape from others, that is why they cut and turn so well with so little draft.

OXFORD ATHLETES MADE GOOD SHOWING AT HARVARD STADIUM

"Pooch" Donovan the Harvard Coach
Thinks They Will do Well in the
Four-Mile Relay

Boston, April 18—The Oxford runners who came to Cambridge from Providence had a short workout yesterday on the Stadium track.

Their presence at the field attracted quite as much attention as the class track meet of the Harvard men which was also run off yesterday.

The five men, D. N. Gaussen, A. N. S. N. Jackson, G. N. Sproule and Norman Taber, and Substitute G. S. Robertson, and Trainer William Toll, arrived in Cambridge yesterday forenoon and were taken in charge by Captain Barron and Manager C. G. Squibb of the Harvard team. They went over to lunch at the training table of the Harvard track men in the Varsity Club, where they were joined by Graduate Manager Fred W. Moore. In the informal surroundings of the training quarters they unburdened from their British reserve and the young Americans found them a genial crowd. After lunch the visitors made a short tour of inspection over the college grounds and turned up at the locker building at Soldiers' Field soon after three, each spick and span in the track uniform of his college, four in white and one in blue.

After the athletes had been photographed a few dozen times they were off on their training stunts. Jackson on the first lap was forced to drop out for "a bit of wool" to comfort a chafed heel. The other four kept on for a mile at a comfortable jog trot and then Taber went on alone for another half, winding up with a fast quarter-mile sprint.

Jackson came back after the others had finished and did a half alone. Then the quintet sat in their blankets for a half hour and watched the class meet. At four-thirty they were called to dress and all went in for another quarter mile sprint at top speed. The Oxford stars impressed every one at the field, including Coach Donovan and a host of other Harvard track men, as a capable lot of runners and if they come up to the form that they are capable of the Harvard men expect to see the Englishmen do great things in the four-mile event next Saturday.

CANADIAN WON AT BOSTON IN 175 POUND CLASS

W. Hanna of Toronto Won in That Class After
Gruelling Contest--W. Hitchen of Toronto Who
Won in 125 Pound Class Last Year Lost His
Title

Boston, April 18—Canada won a championship and lost another at the National Amateur Boxing Championship Tournament, which closed here tonight. W. Hanna, of Toronto, took the one hundred and seventy-five pound honours to Canada by winning a hard bout with Arthur Sheridan, of Trinity Club, Brooklyn, half an hour after he had been defeated by Sheridan in a semi-final extra round bout of the heavyweight class. Sheridan's eyes were closed and Hanna forced him to quit in the second round of the seventy-five pound class final. Sheridan then went into the final of the heavyweight class with this handicap and weakened by three hard previous bouts was again gested after a slam bang contest by Patrick Kelley of Boston.

W. Hitchen of Toronto, last year's winner in the one hundred and twenty five pound class, was vanquished in the semi-finals.

The champions of 1914 are:
108 pound class—Johnny Downs, Cleveland.

115 pound class—Steve Phillips, Boston.

125 pound class—Vincent Pokorni, Cleveland.

ED. BARROW ISSUES INSTRUCTIONS TO UMPIRES

Here are the orders just issued by Big Chief Ed Barrow, of the International Baseball League, to his umpires:

Avoid stopping at the same hotel with players. Keep out of saloons. Late hours and drinking or gambling will not be tolerated.

"Do not under any circumstances, use profanity to player or spectator. Maintain the dignity of your position at all times. FREDDIE WELSH FAVOURED OVER LEACH CROSS

Los Angeles, April 17—Although the twenty-round fight between Freddie Welsh, the British lightweight champion, and Leach Cross will not take place at Vernon, Cal., until April 28, the followers of the game here have already begun to wager on the result of the battle, making Welsh the favorite in the betting at odds of ten to six.

Cross, however, is confident of lowering Freddie's colors, and, writing to his brother Phil, he says he was never more fit than at present.

"I am going to carry the fight to Welsh like I did to Willie Ritchie," writes Leach, "for I know that by wading into him I will have a better chance of landing my blows."

In choosing and using a soap for your "Little Fairy" you will find no soap so mild, so neutral, so agreeable to tender skin as FAIRY SOAP.

Being made from products that you could eat, FAIRY SOAP agrees with even the tender skin of a babe.

FAIRY SOAP

is white—pure—floating. It comes in a handy oval cake. We could charge you five times the price asked for FAIRY SOAP and we could add nothing to its quality.

In higher-priced soaps you are paying for high-priced perfume and fancy wrappers—not better soap.
