MATTY BALDWIN
WON DECISION OVER
LOUIS DePONTHEU

Twelve Fast Rounds Fought at New Bedford--Frenchman Underwent Considerable Punishment

New Bedford, March 26--Matty Baldwin of Boston, won the decision over Louis DePonthieu of France, in a fast and clever twelve-round bout before the New Bedford A. C. last night. The Frenchman was hungry for punishment and kept boring in most of the time, Baldwin being content to let DePonthieu bring the willing to him in the closing rounds. Baldwin, however, administered hard punishment in the second round rocking his opponent with left and right swings to the head, and his fast hitting gave him a shade in the third round. In the fourth Baldwin ripped in a wicked left-hand smash to DePonthieu's stomach, doubling the Frenchman up, and followed with a right-hand smash to the jaw.

After that the Boston boxer took things easier, allowing DePonthieu to do the leading and meeting him with jabs and hooks to the head and stomach. DePonthieu mixed it earnestly in the in-fighting, and even Baldwin's scientific blocking failed to save him considerable punishment.

In the sixth DePonthieu's friends hooted Baldwin for hitting in the break-aways, and Referee Downey had to explain that they had agreed to protect themselves at all times. In the tenth and eleventh Baldwin loosened up a bit and put more viciousness into his boxing, but DePonthieu was eager for more and came back furiously in every exchange.

In the twelfth Baldwin travelled so fast that the Frenchman could not keep up with him and began to box wildly. Baldwin ripped both hands to his opponent's jaw, staggered him with heavy rights and lefts in succession.

In the preliminaries Bob Langley won from Young Slocum, in an eight-round bout and Kid Barry of Fall River, won eight rounds to a draw with "Batling" Ryan of Pawtucket.

Y.M.C.A. DEFEATED P.N.S.

The Y.M.C.A. basketball team defeated the P.N.S. quintette yesterday afternoon by a score of 40 to 30. The visitors had decidedly the best of the game during the first half and easily held their own in the last period. The Normal School team was hampered in combination by the absence of one of their regular forwards Clarkson. Lawson who took his place showed up well however in the last part of the game.

The teams will meet again in the near future. The line-up of the respective teams was:

Y.M.C.A.	Forward	P.N.S.
McAdam	MacKenzie
D. Ferguson	Lawson
	Centre	
Estey (Capt)	Burden (Capt)
	Defence	
Barbour	Jones
Coward	Barnes
Referee--Jago.		

HORTON ACADEMY TEAM COMING

The basketball team of Horton Academy, Wolfville, N. S., will visit Fredericton during the Easter vacation. The following schedule has been agreed to:

Friday, April 5th, Horton Academy
 --Y.M.C.A.
 Saturday, April 6th, Horton Academy
 --F.H.S.
 Monday April 8th, Horton Academy
 --P.N.S.

The games will be played in the Y.M.C.A. gym, and as the Academy is reported to have a strong team considerable interest is being taken by local basketball players.

MORE HOCKEY TONIGHT

Hockey is scheduled to give its last gasp of the season at the Arctic Hunk tonight with the Marysville and Fredericton teams officiating. The line up of the two teams is not yet decided but probably will be similar to that which appeared in previous games.

New York, March 23--The fashionable shops are making a great display of wash fabrics at present, some so glorified in appearance that they seem almost to have lost their identity. Wash goods once meant lawns, batistes, organdies, calicoes and lightweight weaves generally; but the times and fashions have changed all this, and the heaviest of piques and crashes are now grouped with cotton chifons and voiles.

ROLLER BEAT
SAMSON DISLOCATING
HIS SHOULDER

German's Strength no Match for Yankee's Skill--Perelli Lost to Polski

Boston, March 27--A dislocated left shoulder and a wrenched arm brought two wrestling matches to a sudden end last night at the Grand Opera House. Dr. Roller won over Samson the German strong man, in one of the matches, and John Perelli beat Polski in the other.

Both matches were lively ones up to the time of the accidents. The bout between Roller and Samson was the feature, but it lasted only 34m., 30s., when Roller gained the first and only fall.

Samson had some advantages over Roller in height and strength, but Roller was the most scientific. Several times it looked as if Roller was going to gain a fall, but the great strength of the German aided him in breaking the holds.

At times the bout resembled a boxing match, for both did some jabbing in the face. Once the German made a kick at Roller, but he misjudged the distance and fell on the mat.

The German, it is charged, also attempted to bite Roller on the leg while the doctor was struggling to turn him on his shoulders.

While the men were sparring for a hold Roller grabbed the German's left arm and turned it up on his back for a hammerlock. The men fell to the mat and the weight of Roller coming on Samson's shoulder dislocated it. Roller kept the hold until the shoulders of Samson were on the mat.

When Roller arose, Samson still lay on the mat and it was evident that he had been injured, as his arm lay limp by his side.

After Samson was assisted to his feet a physician made an examination of his shoulder and said it would be impossible for the wrestler to continue and Roller was declared the winner.

John Perelli lost the first fall in his match with Polski because of persistently trying to use the toe hold. Perelli won the second fall in 4 min., 13s., with a short nelson. In that short session the Italian badly wrenched one of Polski's arms and the latter refused to continue. Perelli was declared the winner of the match.

WESTERN FARMERS WANT RECIPROCITY

Ottawa, March 26--The senate committee to investigate the loss or gain sustained by the failure of reciprocity to pass, held its first meeting yesterday morning, with Senator Edwards in the chair. Two witnesses were heard, R. Mackenzie, secretary of the Manitoba Grain Growers' Association and George Lane, president of the Horse Breeders' Association, and vice-president of the Cattle Breeders' Association.

Mr. Mackenzie quoted at great length figures showing the price of various things in Winnipeg and Minneapolis, all going to show that the Minneapolis price was higher.

In answer to a question by Senator Edwards, Mr. Mackenzie said that reciprocity would have been a decided advantage to the western farmer. He could not see where they would have lost anything. It would have relieved the present agitation.

"Do you speak for the farmers of the west?" asked Senator Bell.

"Yes, fifty per cent. of the English speaking population are members of the Grain Growers' organization, and they are a unit on this subject."

Replying to another question by Senator Edwards, Mr. Mackenzie said that if present conditions continue they are not going to make much progress.

Ottawa, March 25--Mr. Lane testified that the cattle industry of Alberta was rapidly being wiped out of existence. Five years ago there were 900,000 cattle in Alberta. Today there are only 500,000. He said that the trade with England was unsatisfactory. It cost from \$28 to \$32 a head to market cattle in England. In 1906 they shipped 74,733 cattle, and in 1911 only 11,869.

Replying to a question by Senator Pope, Mr. Lane said that the British embargo had certainly hurt the trade. Access to the United States would, in his opinion, have helped the industry. While the United States had plenty of cattle to supply their own market, the Alberta cattle were superior to anything raised in the republic.

HOOF PRINTS.

Walnut Hall Farm has sent a yearling, three 3-year-olds, and a couple of 4-year-olds to Vance Nuckolls to be trained for records.

Chester Lassell has been on a trip through the Middle West after racing timber and has added Miss Davis 2:04 to the Oakhurst Farm stable.

Walter Traynor, Lexington, Ky., has sold the five-year-old stallion, Onward Todd, 2:24 who last year trailed in 2:09. He will be placed in Charley Dean's stable.

Joe Patchen II and the other Mackenzie horses Havis James wintered in Pleasanton, Calif., will be shipped East this week. The stable will get its spring training at Libertyville. The pacing gelding Bradmont 2:24 has been sent to Charley Dean. This one is owned by R. J. Mackenzie and trialed last year in 2:06 with a reputed quarter in 23 1/2 seconds. He is by Alto Leyburn, sire of Javk Leyburn and out of a little blind saddle mare.

There is no end of odd designs in fancy blouses, some of which look just as if the maker had run short of material and the garment had to be pieced out with other goods and patched together with scraps of odd lace. Persian designs with red in combination with soft light shades are used with plain white and give a stunning effect. Sometimes the upper yoke of the design forms a sort of yoke with the entire lower waist and sleeves of plain white material. Blue over white is a favorite color scheme.

HOOF BEATS

Evelyn W., 2:01 1/2 will be raced over the half-mile tracks most of the season, striking the Grand Circuit late in the campaign.

King Brook 2:07 1/2 the Montana trotter who raced so well on the Pacific Coast last season is being prepared for a trip through the Grand Circuit.

El Geers attended the sale of the late August Uhllein's horses in Milwaukee last week and paid \$1100 for a yearling colt by the Harvester out of a McKinney mare.

With the prospects of a Grand Circuit meeting at Pittsburg, interest in the light harness events show a great increase throughout Western Pennsylvania.

FREDERICTON RIFLE
CLUB HELD ITS
ANNUAL MEETING

Lt. Col. Loggie again Captain of Association--Range Improvements Intended

The Fredericton Civilian Rifle Association held its annual meeting last night in the Curling Rink. The following officers were elected:

Captain--Lt. Col. Loggie.
 Vice-Captain--Lieut. A. S. McFarlane.
 Sec. Treas.--J. E. Page.
 Additional members of Executive--Major F. P. Day and S. L. C. Coleman.
 Captain of Overseas Match--H. H. Hagerman.
 Captain of Dominion League match--S. L. C. Coleman.

In charge of Spoon Matches--Capt. F. A. Good.
 The meeting was well attended and a progressive program for the coming season outlined. It was decided to improve the range by clearing away woods which have sheltered it and made wind conditions very uncertain; also to put down a new plank walk.

BASEBALL NOTES

A pitcher named Bagby, who can pitch with either arm, is working out with the Cincinnati Reds.

The Jersey City team had a stormy voyage and many players suffered from seasickness on the trip to Bermuda.

If first baseman Del Gainer can catch the step, Hugh Jennings believes his Detroit Tigers will march to the front and lead the American league.

Moran, Northern and Wheat have been working together as the regular outfield for the Brooklyn Superbas, and have delivered some fine work in the meadows.
