NOVEL LEMON SQUEEZER

Jaws Press in Upon Bisected Fruit and Drain it Dry

An ingenious little lemon or orange squeezer that can be carried in the pocket has been invented. It is a compact device but will do its work just as thoroughly as one of general use. A flat wedge-shaped metal box has an outlet at the wide end. A pair of jaws are enclosed in the box with their inner ends pivoted on the same

EASILY CARRIED IN POCKET

pin that holds a swinging lid to the implement. The outer ends of the jaws have finger clips and a spring keeps them normally apart and resting against the sides of the housing. A lemon is cut in half and placed between the jaws, which are then pressed together and the lemon squeezed dry, the juice running into the tumbler or whatever receptacle is waiting for it, through the outlet already mentioned. When the squeezer is not in use the lid can be pushed over it.

10 CENT "CASCARETS" IS YOUR LAXATIVE

Best Liver and Bowel Cleanser and Stomach Regulator Ever Known

Get a 10-ten box.

Put aside—just once—the Salts, Pills, Castor Oil or Purgative Waters which merely force a passageway through the bowels, but do not thoroughly cleanse, freshen and purify these drainage organs, and have no effect whatever upon the liver and stomach.

Keep your "insides" pure and fresh with Cascarets, which thoroughly cleanse the stomach, remove the undigested, sour food and foul gases, take the excess bile from the liver and carry out of the system all the constipated waste matter and poisons in the bowels.

A Cascaret tonight will make you feel great by morning. They work while you sleep—never gripe, sicken, and cost only 10 cents a box from your druggist. Millions of men and women take a Cascaret now and then and never have Headache, Biliousness, Coated Tongue, Indigestion, Sour Stomach or Constipated Bowels. Cascarets belong in every household. Children just love to take them.

CIVIC POLITICS

(Continued from page eight.)

Individual members had a perfect right to support whom they wished in civic politics, but as a body the board had no interest in any of them.

"Both Mayoralty candidates and many of the aldermen are members of the board and the latter make no distinction among them. As far as the statement that the board decided to endorse any candidate is concerned I can say that there has been no meeting of the board or its executive since the last regular meetings and such a thing was not mentioned then.

HONOR FOR DR. JACK.

The Winnipeg Free Press says: "Prof. E. Brydone-Jack, professor of civic engineering, University of Manitoba, and chairman of the Manitoba branch of the Canadian Society of Civil Engineers, has received notice of his election as member of the British Institution of Civil Engineers, one of the highest honors known to the world of civil engineering." (Dr. Jack was formerly on the staff of the U.N.B.)

ZAM-BUK IN THE HOME

Read How Useful It Proved in These Widely Different Cases

Zam-Buk's strongest point is its effectiveness in all kinds of skin diseases and injuries. Just note how excellent these persons proved it in widely different directions.

SORE HEEL—Mrs. C. A. Campbell of Powassan, Ont., writes: "One of my heels was very badly blistered by a pair of new shoes and the poisonous dye from my stocking got into it and made a bad sore. For a week I could not put on a shoe and suffered great pain. I applied Zam-Buk and in a few days it drew the poison out and healed the wound."

BAD CUT—Mrs. J. Virgint of Onondaga, Ont., writes: "Zam-Buk healed a bad cut which I sustained. I was hurrying across my yard one day when I slipped and fell heavily, my knee striking a sharp stone. At the moment I did not realize how badly I was hurt but I found I had a bad cut about two inches long, very jagged and very deep. We bathed the cut and applied Zam-Buk. This stopped the smarting very quickly and in a few days it had healed the wound completely. For cuts and bruises Zam-Buk is a splendid remedy."

ECZEMA CURED—Mrs. Antoine Arsenault of Maxamville, P.E.I., writes: "I can highly recommend Zam-Buk to anyone suffering from eczema. I had this disease and was under doctors' treatment for two years, without any good result. I then tried Zam-Buk and in the end it cured me."

Zam-Buk is just as good for piles, blood-poison, festering sores, pimples, eruptions, cuts, burns, bruises and all skin injuries and diseases. 50c. box all druggists and stores, or post free for price from Zam-Buk Co. Toronto. Try Zam-Buk Soap, 25c. tablet.
