### ATTELL-KILBANE BOUT

"ABE" ATTELL IN THE RING.

While there are many good bouts booked for this week, that between Abe Attell and Johnny Kilbane at Vernon, Cal., on Thursday afternoon for the featherweight championship of the world is the one that the sports are watching. It will demonstrate if Abe is still in the running or has gone the way of other champions. The boxing devotees of California, the home of Attell, are still loyal to him, and believe he will keep his title.

Few of the fans in the East believe Kilbane will win. He has solid support from Cleveland, his home city. Of course, Attell has been in the game a long time and one cannot always figure as to result. The sports of Vernon have seen Kilbane in action several times and are making Attell a 7 to 5 favorite.

### PITTSBURG ANNOUNCES GOOD GRAND CIRCUIT PROGRAM

New Tracks Expected to Greatly Strengthen Organization--Rockingham Park will Split Purses on New Plan--Bold Step to Take

Boston, Feb. 19--The new members of the Grand Circuit, Salem, N. H., and Pittsburg, are going to add greatly to the strength of the famous chain. This is not unexpected, for the management of both is vested in men who know the sport from every angle. The early closing events of each have been decided upon, and the programs do not savor of kite-flying, but are well balanced and attractive.

The demand which just now is so general that the fast record horses be provided with larger purses has been regarded, and to relieve the burden of owners as much as possible, neither track is offering a \$10,000 purse. With so many of the older members of the circuit giving \$10,000 purses, Rockingham and Pittsburg feel that it is wise to spread their prize money around.

Rockingham will make its bid for the support of owners and trainers by trying for the 3 per cent. entrance fee plan with 2 per cent. additional for starters. Nothing will be taken from the money winners, thereby increasing the earning capacity of the stake horses. The money is to be divided along slightly different lines so that the winners get more money than under the time-honored system of distribution, while the fourth horse in the summary has an actual winning.

Rockingham plans to split its purses 54, 15 and 6 per cent. With a 5 per cent. entrance this means 49, 20, 10 and 1 per cent. net for the money winners, while under the 5 per cent. additional condition in general use the net percentages are 40, 15 and 5.

**BOLD STEP FOR A TRACK TO TAKE.**

This giving away of 20 per cent. of the money than is customary is a bold step for a track to take and shows that Wilbur Duntley has convinced the owners of Rockingham that the harness horses are the leading attraction at a fair.

Duntley says he does not believe that a track giving a straight race meeting could afford under existing conditions in many states to cut off so much of the revenue furnished by the horsemen. Whether the effort that Rockingham is making to help the campaigner will be appreciated or not will not be known until the time comes for the entries to close.

Rockingham's early closing events will in all probability be the Granite State 2:10 trot, purse \$5000, free-for-all trot, \$3000; 2:05 pace, \$3000; 2:12 pace, \$2500; 2:18 trot, \$2000, and a \$1000 purse for three-year-old trotters not eligible for the big futurities. These with the \$10,000 American Horse Breeder Futurity already secured, form the backbone of a program that cannot fail to be a very strong drawing card for the fair.

Ample provision will be made for the circuit horses not in the stakes with \$1000 late closing purses. The half-mile track horses will be given a chance to cut into the big line by themselves as Duntley plans at least four late closing purses for the twice-around trotters and pacers.

**PITTSBURG'S ANNOUNCEMENT.**

Pittsburg is the first of the circuit tracks to officially announce its list of early closing events. They are:

The Professional Drivers' Stake, for 215 trotters (guaranteed), \$5000. In this race the entrance fee will be \$1. Future payments \$100. All moneys added to the stake and nothing deducted from money winners. The stake is open to any trotter eligible to the 215 class, regardless of ownership or whether trained in the same stable. All horses must be driven by professional drivers, amateurs being barred. Should more horses declare in to start that can, in the opinion of the association, be safely started in one race, they shall be divided by lot into preliminary races and the preliminary races contested on the first day of the meeting, \$1000 being awarded in each preliminary, the first four horses in each preliminary being eligible to start in the main stake, which shall be for \$3000. At least two days shall intervene between the preliminaries and the main stake. In all races the money shall be divided 50, 25, 15 and 10 per cent. After paying the amount raced for in the preliminary races, if any, and in the main stake, the surplus, if any, shall be awarded to the drivers of the first four horses in the main stake, divided 50, 25, 15 and 10 per cent. If preliminaries are necessary, all races shall be on the two-in-three plan. If no preliminaries are raced, the main race will be three-in-five.

The Preparation, for 2-year-old

trotters (2 in 3) \$2000; free-for-all trot, (2 in 3), \$2500; the Fort Pitt, 2:13 pace, (3 in 5) \$2500; the Iron City, 2:07 pace, (2 in 3), \$2500; free-for-all pace (2 in 3), \$2000; the Pennsylvania, 2:10 trotters, \$5000.

In all stakes except No. 2 the entrance will be 5 per cent. on one nomination and 1 per cent on each additional nomination. Five per cent. will be deducted from money winners. Two or more horses under the same ownership or trained in the same stable may start in any race, the full 5 per cent. being required from each starter. Dates of closing and dates of payments will be announced later. The earlier payments will be made as light as possible.

**SOLID AND SUBSTANTIAL.**

The Professional Drivers' stake should make a decided hit with trainers. Its novel conditions will make it one of the feature events of the year, and it should become as popular as the Tavern "steak" at Cleveland. That there will be a handsome surplus above the guaranteed value of \$3000 is a sure thing, and there will be some clever planning in many a training camp in the efforts to secure a portion of the rich plums.

The balance of the program is what would be expected of a man of Jim Tranter's experience. It is of the solid, substantial sort, with just plain National rules to govern. Pittsburg is wonderfully enthused over its return to the Grand Circuit and there are now nearly enough horses owned there to make the meeting a success.

### KENNEDY RESORTS TO DESPERATE REMEDY

The Canadian management has taken counsel of desperation and George Kennedy Friday came out with the announcement that he would give \$2,000 for two first-class players for the remainder of the season, about two weeks, and a substantial commission to the man who helped to engineer such a deal.

### THREE HOCKEY MATCHES SLATED FOR THIS WEEK

There is going to be lots of hockey here this week. Sussex will be here tomorrow to a game with Marysville and on Wednesday will play Fredericton. The Sussex team will have Crockett, Woetman and the rest of the Moncton contingent with them and is expected to put up some good hockey.

The Marysville Crescents will probably put the same team on the ice against Sussex as that which beat Chatham, here.

The Fredericton team will be as follows: Goal, Pond. Point, Walker. Coverpoint, Hughes. Rover, Burden. Centre, Galloway. Wings, Carten, Fugh or MacMorris.

### INTERSCHOLASTIC HOCKEY

Rothsay Collegiate School and Fredericton High School will play at the Arctic Rink in the Interscholastic Hockey League on Friday night and there will be some hockey as the two teams are tied at the head of the league. The local team defeated Rothsay at St. John and its supporters are confident the Yellow and Black can repeat the trick.

### JOE KETCHEL THOUGHT TO BE FATALLY HURT

Chicago, Feb. 19--Joe Ketchel, a Chicago pugilist is reported to be dying as a result of a boxing exhibition with "Billy" Walters at the Naval Training Station in North Chicago, a suburb. Ketchel collapsed in the fifth round of the contest and physicians say he cannot live. He is suffering from hemorrhages of the brain and his right side was paralyzed. An investigation was opened today.

Nelson has not yet forgotten the "whaling" Young Saylor gave him in Boston. The Battler declined to meet Saylor again at Indianapolis. Harry Forbes, ex-bantam champion is going to give the game another try Feb. 26, when he meets Jimmy Walsh of Chicago at Janesville, Wis.

### HIGHLANDERS' SQUAD WILL NUMBER THIRTY-FIVE

### MANAGER GRAY AFTER BURROWS FOR LOWELL

Lowell, Feb. 19--Manager Gray of the Lowell team returned today from a business trip to Chicago.

He made an effort while there to secure the services of Capt. Roland Barrows, who played centerfield for Lowell last year. An answer will be given Manager Gray in a few days.

Scott Fluharty, the heavy-batting rightfielder for Lowell last year, has been sold to the Milwaukee team. In addition to the cash offer for Fluharty, Manager Gray will secure a good player.

### ROD AND GUN

"Wild Duck Conservation" by Frank Hyde, formerly Editor of Outdoor Canada, is the leading number in the February issue of Rod and Gun in Canada, published by W. J. Taylor, Limited, Woodstock, Ont. No sportsman interested in the preservation of this important species of our wild fowl should fail to procure a copy of the February number and read this article from first to last. A fascinating tale is that which has been contributed by Martin Hunter, the well known writer who spent forty years, from 1863 to 1903 in the service of the Hudson Bay Co. The story which is entitled "A Tragedy which Caused the Siege of Fort Ellice" deals with the rash act of an employee of the Company, by which the passions of the Indians were inflamed and the lives of all in the fort endangered.

The subsequent diplomatic handling of the red men by the Factor Fox Farms in Prince Edward Island. A Holiday Trip in the Lillooet District, British Columbia, A Moose Hunt on the Preserve of the Shawinigan Club, Quebec and other article service as interesting reminders of the representative character of this Canadian sportsman's publication.

### C. DOWNING WON WEEKLY ROLL-OFF AT QUEEN HOTEL

C. Downing of Marysville, won the box of cigars donated by Manager J. E. Sullivan of the Queen Hotel Bowling Alleys, as the prize for the weekly roll-off. The roll-off took place last night. The winning score was 245 with an average of 82.

### NEWARK BUYS TWO PLAYERS FROM TORONTO

New York, N.Y., Feb. 19--The Newark international league club announced the purchase of Pitcher George Ball and Third Baseman Eros Kirkpatrick from the Toronto Club. Both of these men were sent to Toronto by Brooklyn last season though neither one appeared in the Maple League. Kirkpatrick, who was released from the Toronto club, received permission to return to his home in Academy Corners, Pa., George then went to Bonsetter Reese in Youngstown, and the leg improved.

James Brown, the former resident of Westerly, R.I., now training in Vienna, has the following fast record trotters in his stable: Strish Queen 2:04½; Stroller, 2:05½; Arlo Leyburn 2:07½; Black Silk, 2:09½; Belle Bird, .09, and Telemachus, 2:11½.

will meet in Baltimore next Thursday night. Joe Jeannette will meet Morris Harris and Chuck Carlton in three-round bouts in Philadelphia tonight.

Bombardier Wells, champion of England is coming to America looking for a muss with one Jack Johnson of Chicago.

Patsy Brannigan and Johnny Sinclair have been matched to box in Cleveland, Feb. 27.

Jeff Doherty and Harry Powers are billed for the Pittsfield Club Monday night.

Joe Thomas ex-middleweight champion, and Gunboat Smith have been matched to box at Coalinga, Calif., Feb. 22.

Promoter McIntosh has finally forced Sam McVea to make another match with Sam Langford, and they will meet at Sydney, N. S. W., April 8.

Jimmy Clabby initiated his younger brother, Eddie, into the game in Australia the other day. Bad coaching cost Clabby the decision in 20 rounds.

While many of the Australian papers declare that Langford should have been given the award over McVea in their last battle, a number praise the referee for the decision.

Jack Lester, the protégé of Tommy Burns, who has been doing considerable boxing in Australia, has shown he is not a hope. He is now on his way back to America.

Jim Barry evidently did not lose any prestige in Australia by losing to Sam Langford at Sydney last Monday, as Promoter McIntosh has signed him to box Sam McVea in Sydney March 8.

Before Tommy Burns left Australia for home he gave sports in that country the impression that when he

returned he was going to spend the rest of his life there. He said he was negotiating for the purchase of a large business in Sydney.

Tommy Burns has arrived in Seattle from Australia and again declares he is a comeback. The injury which kept him out of the game so long, he says, is all right again. He intends to return to Australia next Summer and will likely first meet Porky Flynn over there. Burns does not think much of McVea. He says the colored boxer has a yellow streak.

Young Togo, the Japanese bantam does not believe that Battling Nelson can stop him in six rounds and he is going against that proposition at Fort Smith, Ariz., Feb. 26. Togo is a tough fellow, but the Battler figures he can turn the trick.

**Give your servants GOLD DUST to clean with, treat them rightly and you will have few occasions to insert a "help wanted" ad**

They say a good workman is known by his tools. You cannot expect your maid to keep everything ship-shape unless you give her every modern help. To keep house without GOLD DUST is to do work by hard, old-fashioned methods. For cleaning everything and anything about the house—from cellar to attic—GOLD DUST is worth its weight in gold. It cuts grease and dirt like magic, does away with scouring and scrubbing, and saves time and tempers.

Your servant can do more and better work and keep sweet with the aid of GOLD DUST in all household cleaning.
