BIG CROWD SAW MATINEE RACES VICTORIA DAY

Slippery Bill Won Free-for-all in Four Heats--Green Pace Unfinished--Good Sport

A big crowd attended the opening matinee meet of the summer under the auspices of the Fredericton Driving Club at the Trotting Park yesterday afternoon. The Fredericton Concert Band played up to the track. Two classes were raced and although the entries were not numerous there was good sport.

FREE-FOR-ALL.

The free-for-all went four heats, Bessie Pardner capturing the first and Harry Mack the second. John Carten's Slippery Bill then came across with two clean wins. The race was one of interest from start to finish. A. Wheeler's Paxie Chief got second, fourth and third in three heats but was drawn in the last, Ran Cox of Loggieville, to whom she had been sold by Mr. Wheeler, not wishing her to race. Paxie Chief is by Nutpan, dam Peko Chief. The price paid is understood to be in the neighborhood of \$400.

GREEN PACE.

There were only three starters in the Green Pace. Will Be Sure won the first heat but did not start in the second. The other two were called back by the bell in this heat but disregarded it. H. G. Kitchen's Lillian Patch won. The horses then left the track, leaving the race unfinished.

The summary follows:

Celestial League Got Away Yesterday--September Morns Doubled Score on Federals in Morning--Pets Made Imperials go Extra Inning to Win in Afternoon

The Celestial Baseball League got away to a good start yesterday, when two Victoria Day games were played at the College Field. The attendance was only fair but those who did turn out saw pretty good baseball of the local league variety. It should improve as the season goes on. Arthur Finnemore officiated as umpire at both games and proved an efficient official.

The four teams all appeared in brand new uniforms. The Pets wore dark blue with white facings. The Federals wore white pencil-marked uniforms with purple facings. The Imperials and September Morns wore uniforms which are similar, being of grey with red facings.

Judging from the exhibitions put up yesterday particularly in the tenning game in the afternoon, Fredericton fans will see some good games here this summer.

The Imperials won from the Pets yesterday afternoon in the tenth inning of a nip-and-tuck game. The score was 11 to 7, the Pets weakening in the tenth session. In the morning the September Morns doubled the score on the Federals winning 8 to 4.

MORNING GAME.

The morning game began at 10.30 with both teams looking ragged in spots. Each team used two pitchers but the September Morns gave their better backing. George Walker, and Tom Coward pitched for the winners and neither was hit hard. Keith, a new pitcher on the Fredericton diamond started for the Pets but was very old. Lifford finished the game. The September Morns latted both pitchers heavily. Karl Walker did some good back-stopping for the winners but was a trifle unsteady. Adams who caught part of the game for the Pets looked good. The box score was:—

AFTERNOON GAME

A better crowd of spectators turned out for the afternoon game which had an exciting finish in extra inning and contained some snappy work. "Pat" Clark went the whole route for the Imperials and looked the best pitcher of the day. Young was in the box for the Pets but was put out in the third proving unsteady. Garvie relieved and pitched good ball. His support was fair in the last inning with the score tied, the Imperials had their batting clothes on and hammered out a victory by four runs. McAdam for the Pets and Johnson for the Imperials did some fast work in the infield. Fred McLean and Donovan both caught

good games. Heavy batting with Clark pitching in good form won the game for the Imps but the Pets by a game struggle kept interest at a high point all through.
