RECIPROCITY AGREEMENT WITH THE WEST INDIES

Ottawa, July 1.—Hon. J. D. Reid, acting minister of trade and commerce today through arrangements with the home government, made public the reciprocal tariff agreement entered into last April between the Canadian government and a number of the islands in the British West Indies. Briefly the agreement provides for a preference of 20 per cent of the existing rates of duty upon a large number of articles specified in a schedule and text with a minimum preference in the case of flour and sugar. The islands of the West Indies not parties to the agreement as well as Newfoundland, will also share in the share of the tariff reduction for a period of three years.

Any of the parties to the agreement may provide that the concessions granted shall not be applicable unless conveyed by ship direct between the two countries concerned, provision being made in this connection for the regulation of freight rates by the Canadian government. The agreement is to come into force by proclamation after it had been ratified by the parties concerned and the secretary of state for the colonies and may be terminated at the end of ten years on a year's notice.

The agreement is as follows: Agreement entered into this ninth day of April by the Government of His Majesty's Dominion of Canada, represented herein by the Hon. George Bulas Foster, minister of trade and commerce; the Hon. William Thomas White, minister of finance; and the Hon. John Dowsley Reid, minister of customs and the governments of Trinidad represented herein by Henry Barclay Walcott, collector of customs; British Guiana, represented herein by John McIntosh Reid, comptroller of customs and the governments of

Dr. William Kelman Chandler, L.L.D., C.M.G., master of chancery; St. Lucia represented herein by Edward John Cameron, C.M.G., administrator of the colony; St. Vincent, represented herein by Francis William Griffith, supervisor of customs; Antigua, represented herein by William Douglas Auchinleck, I.S.O., auditor general; St. Kitts, represented herein by Thomas Laurence Roxburgh, C.M.G., administrator of the presidency; Dominica, represented herein by William Henry Porter, I.S.O., treasurer and Montserrat represented herein by Lt. Col. Wilfrid Bennett Davidson-Houlston, C.M.G., commissioner of the presidency.

It is agreed between the government of the Dominion and the governments of the above mentioned colonies generally that:

THE AGREEMENT

1. On all goods enumerated in schedule A, being the produce or manufacture of Canada, imported into any of the above mentioned colonies, the duties of customs shall not at any time be more than four-fifths of the duties imposed in the colony on similar goods when imported from any foreign country; provided that on flour the preference in favor of Canada shall not at any time be less than 12 cents per 100 pounds.

2. On all goods enumerated in schedule B, being the produce or manufacture of the above mentioned colonies imported into the Dominion of Canada, the duties of customs shall not at any time be more than four-fifths of the duties imposed on similar goods when imported from any foreign country; provided

(a) That on raw sugar not above No. 16 Dutch standard in color and molasses testing over 56 degrees and not over 75 degrees by the polariscope the preference in favor of the colony shall not at any time be less than 4½ cents per 100 pounds, and for each additional degree over 75 degrees the preference shall not be less than ½ cent per 100 pounds.

(b) On all goods enumerated in schedule C, being the produce or manufacture of any of the above mentioned colonies imported from any foreign country the duties of customs shall not be less than those therein set out.

(c) The act of parliament of Canada entitled "an act respecting duties of customs" assented to on the 12th day of April, 1907, as amended by chapter 10 of the acts of the parliament of Canada, 1909, shall in addition to the amendments necessary to give effect to the foregoing provisions of this section be amended as follows:

It is also understood that in determining the rate of duty payable on goods under said section 2 the rates provided for in said tariff item 135b shall not

OTHER COLONIES BENEFIT

Provided that should the discretion herein granted be at any time exercised by the government of Canada, provision shall be made in all contracts entered into with steamships subsidized by the Dominion plying between ports in Canada and ports in the colonies, which are parties to this agreement, for an effective control of rates of freight.

7. This agreement shall be subject to the approval of the parliament of Canada and of the legislatures of the above mentioned colonies, and of the secretary of state for the colonies and upon such approval being given it shall be brought into operation at such time as may be agreed upon between the contracting parties by a proclamation to be published in the Canada Gazette and in the Official Gazette of each of the said colonies. After this agreement shall have been in force for the period of ten years it may be terminated, by any one of the parties thereto (in respect of such party) at the end of one year after the day upon which notice shall have been given by the party desiring such termination.

In testimony whereof the said parties have signed this agreement in duplicate.

Done at Ottawa this 9th day of April in the year of our Lord one thousand nine hundred and twelve.
