

"Montreal to Bristol" The Service on Board

It does not begin and end with the first-class, nor even with the second. On board both the R. M. S. Royal Edward and R. M. S. Royal George to England, the same generous and unflinching measure of ample comfort and thoughtful, courteous and ungrudging attention is extended to each passenger, to the end that a reputation for doing more than is expected shall mark the Royal Line.

HAD HEAVY LOSS IN McADAM FIRE

Woodstock, N. B., Oct. 7.—N. S. Dow, who conducts the Royal Cafe here, arrived from McAdam on the late train Saturday night bringing his wife and children, who had a narrow escape from losing their lives in the burning of the hotel known as "City Camp" at McAdam, Saturday morning.

The cook discovered the fire and aroused the inmates who escaped in their night clothes. Not a thing was saved. The house was burned to the ground. The hotel is owned by Kellogg of Vanceboro and was insured. Dow had \$700 insurance on his furniture. Mrs Dow had charge of the house and had about twenty-five boarders.

EX-WARDEN JOHN HINCHEY HAS HAD STRENUOUS CAREER

Is One of the Grand Old Men of York County---Lumbered for Late Hon. Peter Mitchell for Some Years---Many Years in Municipal Politics---Has a Medal for Life Saving---A Fierce Battle With a Bear

Parker's Ridge, York Co., Oct. 7.—Few men in the County of York have had a more interesting and strenuous career than Ex-Warden John Hinchey of this place. Although he has passed the three score and ten mark he is in the enjoyment of full mental and bodily vigor, and can crack a joke and laugh as heartily as he could thirty years ago. Mr. Hinchey is one of the pioneer lumbermen of the Miramichi, and his name is a household word up and down the noble river. He began his career as a lumberman in 1860, when he took charge of operations carried on by the late Hon. Peter Mitchell. He followed the business continuously until 1896, when sickness in his family compelled him to retire. He has since devoted his attention to the management of his farm here. Last spring without any assistance he put in a fair crop, and has about completed harvesting the same.

IN MUNICIPAL POLITICS

Mr. Hinchey served for sixteen years in the York County Council as a representative of the Parish of Stanley and was always looked upon as one of the most intelligent and progressive members of that body. He was first elected in 1888, leading the poll in his parish. He served on all the important committees, and always took a hand in the discussion of matters engaging the attention of the board. In the year 1909 his last year at the council, he was unanimously elected to the office of Warden, and discharged his duties in an able, impartial, and dignified manner. At the July meeting he opened the proceedings with one of the ablest speeches ever heard at the board, and made a strong plea for the construction of the St. John Valley Rail way.

HELD OTHER POSITIONS

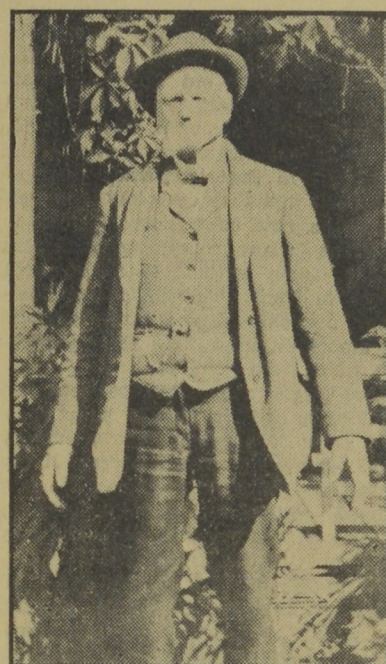

In addition to participating in municipal politics, Mr. Hinchey has filled many other positions of trust and responsibility. For twenty-five years he has been a Justice of the Peace for York County and has taken the oath under three different sovereigns. For twenty-eight years he was secretary-treasurer of the Board of School Trustees for his district, and he has also served as trustee and auditor. His ripe experience, sound judgment and keen business acumen have been of great value to the various bodies on which he was privileged to serve.

HAS A MILITARY CAREER

In his younger days Mr. Hinchey identified himself with the old York County militia under Lieut. Col. Hon L. A. Wilmet. He attended camp drill on the old race course in Fredericton The Fifteenth Regiment was then stationed in this city and furnished the instructors for the militia. On one occasion Mr. Hinchey distinguished himself by saving the life of a captain of this corps and for this act of heroism he was awarded a medal.

HARDY SPECIMAN OF MANHOOD

It is doubtful if York County ever raised a more hardy specimen of manhood than John Hinchey. His constitution was of iron and in the days of his early manhood he was absolutely without fear. In the early sixties he fought a bear single handed, without a weapon of any kind and came off victorious. He met the animal on a tote road and it attacked him. The bear clinched him and he clinched the bear, and both

went down. Mr. Hinchey was bitten, torn and mangled in a frightful manner but he watched his chance and finally imbedded his teeth in the animal's windpipe. The bear quit and Mr. Hinchey, more dead than alive crawled to his home, a distance of several miles on his hands and knees. He had been disembowelled by his fierce antagonist, an artery was severed and two of his fingers were broken. There was no doctor in the place but a neighbor dressed his wounds and he recovered. As for the bear, he was found dead on the following day near the scene of the conflict. Only a man of wonderful stamina could have survived such a terrible experience.

Mr. Hinchey was in the year 1881 united in marriage to Miss Margaret H. McDonald of Renous Bridge Northumberland county. She was Highland Scotch and descended from Clan McDonald of Glencoe. There were six children born to the union, four sons and two daughters. The daughters are married and have comfortable homes, and the two surviving sons make their home with their father.

Mrs. Hinchey died in 1896, after an illness extending over a period of three years, during which time her faithful husband was almost constantly at her bedside.

Mr. Hinchey is a man of most genial and kindly disposition, and as might be expected his friends are legion. His business dealings have ever been characterized by the strictest honesty, and he is a man who always keeps his word. He has ever been deeply interested in the Valley Railway project, and plans on being a passenger on the first excursion train which goes over the road. That he may be spared to round out the century is the wish of his many friends here and elsewhere.
