FOUR OF RED SOX WANT TO JOIN FEDERALS

Chicago, March 10—The Federal League has begun its campaign to get players under contract with the American and National Leagues, according to today's special dispatches from southern training camps.

Manager George Stovall of the Kansas City Federals, was reported at Tampa and St. Petersburg, the neighboring training camps of the Chicago Nationals and St. Louis Americans, and admitted that he was after players.

From the Chicago Federals' training ground at Shreveport came word that four members of the Boston Americans—two pitchers, a third baseman and a shortstop—had sent a telegram to President Gilmore asking for offers.

Another story from Shreveport said that Grover Alexander, pitcher for the Philadelphia Nationals, had applied for a place in the new league.

"SMOKY" JOE TO REPORT AT HOT SPRINGS, APRIL 1

Famous Pitcher Reported to be in Fine Condition---Will be Out this Week

Port Jervis, N.Y., March 10—"Joe Wood will be able to report for training at Hot Springs with the Red Sox probably on April 1," tonight said Dr. F. E. Gessner, who had just returned from Parker's Glen, where he found "Smoky" Joe in fine condition. Joe will be allowed to go outside the house this week and his steady improvement led the doctor to promise Joe that he will be able to start south by April 1 to join the team and do some light training work.

While on his way south President Lannin wired Joe telling him to take good care of himself and not be too anxious to report. But Joe is very uneasy and wants to join the team in the south.

Eddie Murphy claims he got the worst of it in his recent bout with Phil Brock at Cleveland because of Brock's foul fighting.

WANDERERS DOUBLED SCORE ON VANCOVER

Montreal, March 11—The Wanderers showed a crowd of about four thousand people that they can play as good hockey as any team in the N.H. A. when they defeated the visiting Vancouver team by 14 goals to7 at the Arena tonight. Both sides were seen to best advantage at their own style of play, the boys from the coast having the best of the argument in the first period, when they were ahead by seven to three, while, when the six man style was adopted in the middle of the second period, Vancouver still had ae two-goal margin. Thereafter it was simply a procession of goals for Wanderers.
