\$3,600
in Cash Prizes for Farmers
Your Photograph May Win a Prize

AMONG the prizes we are offering in our big Prize Contest is one of \$100.00 (Prize "C") for the farmer in each Province who furnishes us with a photograph showing the best of any particular kind of work done on his farm during 1911 with "CANADA" Cement. For this prize, work of every description is included.

Now just as soon as you finish that new silo, barn, feeding floor or dairy, that you've been thinking of building, why not photograph it and send the picture to us? The photograph doesn't necessarily have to be taken by a professional or an expert. In fact, your son's or your daughter's camera will do nicely. Or, failing this, you might use the Kodak of your neighbor's son nearby. In any event, don't let the idea of having a photograph made deter you from entering the competition. Particularly as we have requested your local dealer to help in cases where it is not convenient for the farmer to procure a camera in the

neighborhood. By this means you are placed on an equal footing with every other contestant. Get the circular, which gives you full particulars of the conditions and of the other three prizes. Every dealer who sells these circulars—and he'll give you one if you just ask for it. Or if you prefer, you can use the attached coupon—or a postcard will do—send it to us and you'll receive the complete details of the contest by return mail.

If you haven't received your copy of "What the Farmer Can Do With Concrete," write for that, too. It's a finely illustrated book of 160 pages full of useful and practical information of the uses of concrete.

Write us to-night, and you'll receive the book and the circular promptly.

Do not delay—sit right down—take your pen or pencil, and fill out the coupon NOW.

Please send Contest Circular and book.

BOSTON NATIONALS HAVING HARD TIME GETTING PLAYERS

Pres. Ward Denies that Johnny Kling ever Approached Murphy to Make a Trade—Cy Young Ready for Early Start—Jack Stahl of Boston Americans will Start for Hot Springs February 14

Boston, Feb. 2—"There is no feeling of brotherly love among the National League magnates, when it comes to assist a neighbor with playing material," said Pres John M. Ward of the Boston Braves yesterday at his office in the Paddock Building.

"Clubs ask for waivers presumably to get the boys out of the league. Anxious to build up a team and looking for any player that might strengthen our team, we have refused to waive on the players we would like to try out, but in every case the waivers are withdrawn, and we have been unable to secure a single player from a National League club."

"During the National League meeting Charley Murphy of Chicago and Charley Ebbets of Brooklyn promised us assistance in the way of players that they would not carry this season, and James E. Gaffney was impressed with the seeming generosity of baseball magnates. I was apprehensive, however, and told Mr. Gaffney it the time I didn't think we would be handed anything great, either for love or money."

NOTHING IN TRADE STORY

"Manager Kling never called on Pres. Murphy for the purpose of trading any of our players. That yarn no doubt was sent out from Mr. Murphy's office. I don't intend to let any of our promising players go until after I have a chance to look them over next spring."

"Scout Billy Hamilton will go to the camp at Hot Springs early in March and size up the talent with the five clubs that will train at that place. This will give me good line on the youngsters when waivers are asked for later on."

CY YOUNG READY

Pres. Ward received a long letter yesterday from "Cy" Young, who is spending the winter at his farm at Paoli, O. The veteran says he is a few pounds over weight and is willing to sojourn at the Hot Springs for three or four weeks before the boys are booked to arrive at Augusta. Pres. Ward will think the matter over.

As Young will not be called on early in the season, and will be allowed to come to the line gradually Ward may figure that too long training would make the veteran stale, and for this season he may advise "Cy" to hold back and go South with members headed for Augusta.

Mr. Ward is bound to give his youngsters a fair trial at the start. This will be particularly so with the pitchers, many of whom already have shown ability and must be sent to the firing line for the real test.

Pres. Ward will return tomorrow to New York, to remain until after the National League schedule, meeting Manager Kling will come on from Kansas City to attend the meeting. The chances are that the rules committee will meet in New York at the same time and the Boston president predicts a good lively meeting of the magnates.

MURPHY HEARS FROM STAHL

Business Manager Robert B. McRoy of the Boston Americans received a long letter yesterday from Manager Jack Stahl, who says that he is eight pounds over his player weight. Stahl will retire from the banking business Feb. 14 he will start for Hot Springs for a course of baths and some good road work, hoping to be in prime shape by the Red Sox warriors reach the Valley of the Vapors on March 10.

HOCKEY NOTES

There are many in Montreal who do not hesitate to state that the peculiar evenness that marks the playing of the N. H. A. is due to faking. George Kennedy of the Canadiens is very wrathful over these insinuations, and is out with an offer to donate \$5,000 to any charitable institution that might be selected by anyone, making good such an accusation.—Toronto Globe.

If Quebec beats Wanderers and Canadiens lose to Ottawa tonight the four N. H. A. teams will each be tied with 5 games won and 5 lost.

BASEBALL NOTES

The Chicago White Sox have signed Catcher Jack Nelson, who played in the New Brunswick League last season.

Another Tergen is coming into baseball for a trial with the New Ossining, N.Y.

John M. Ward says that Mike Donlin will draw the highest salary next season of any outfielder in the National League.

The New York Highlanders sent Blair back to Rochester and now Manager Wilbertson is up against it for an extra catcher.

No wonder "Black Hand" ginks are trying to hold up ball players for a piece of change when so much dope is published about the enormous salaries paid the tossers.

Manager John Kling, of the Boston Nationals, intends to make a catcher out of "Hank" Gowdy. "Hank" worked at first base last season, but has had experience behind the plate.

President Hedges, of the Browns, has taken office on the thirteenth floor of a building in St. Louis. Teasing old 13 is risky stuff at any time, but before the season opens, it's enough.

If any promising college ball player gets away from Connie Mack they will have to start early. Scout Tom O'Brien of the Athletics, is already on the job looking over the college squads in New England.

Baseball and the cigar business have been kind to Bill Carrigan, of the Boston Red Sox. Bill recently purchased, in Lewiston, Me., a national bank, or a bank building, or a building from a bank or something like that.

The coming season will be Lee Tannehill's tenth with the Chicago White Sox. Speaking of Tannehill recently, Manager Callahan said: "Any youngster that keeps Tanny from being a regular on the team will be a real gem, believe me."

Sh! Close the door and come inside. They signed up a bunch of Visigoths in the New York State League. Vesokolesynski has signed with Troy; Coskoliskmet with Elmira; Nemishanyi with Wilkes-Barre and Greenhalghet with Albany. Keep this quiet and say nothing about it.

The new contract tendered minor league players by the major leagues calls for a figure 25 per cent. greater than their contracts in the minor league and are for sixty days. At the end of that period, if they show the clubs will talk real money with them; if they fail to deliver, back they go to the suburbs.

SOCIALS SPRANG SURPRISE ON MONCTON WINNING 6 TO 5

At New Glasgow Halifax Crescents were Beaten 8 to 7 after Half Hour of Overtime

Halifax, N.S., Feb. 2—the hockey match at Halifax tonight between the Socials and Moncton, resulted in a score of 7 to 5 in favor of the Socials. At New Glasgow, the Crescents played New Glasgow, the score standing 7 to 7 at the end of time. After a half hour's overtime play no additional score had been made. At 11.30 New Glasgow scored, winning the game, 8 to 7.

JIM MCGUIRE WILL BE DETROIT SCOUT

Detroit, Mich., Feb. 1—Pres. Frank Navin of the Detroit Tigers, sprung a surprise on the local fans by announcing that he had signed Jim McGuire, former manager of the Boston and Cleveland clubs, and one time catcher for the Tigers.

McGuire will co-operate with Joe Sugden in coaching the Detroit Tigers in the early stages of the coming pennant race and be a scout for the remainder of the season.

NEW YORK CLUBS GET MORE SIGNED CONTRACTS

New York, Feb. 1—Sec. O'Brien of the New York National League Club, announced today that he had received signed contracts from Pitchers Leon Ames, George Wiltse and Pfeifer Fullenwider. The last named played with Columbia team of the South Atlantic League, last season.

Pitcher Upham sent in his signed contract to the local American League club. Upham had a trial with the club in 1910 and played with Bridgeport last season.

SEVERAL MATCHES MADE FOR NEAR FUTURE

San Francisco, Cal., Feb. 2—Abe Attell, champion featherweight, and "Harlem Tommy" Murphy were matched yesterday, for a twenty-round fight Saturday afternoon, March 9. They will weight in at 133 pounds at ten a.m. The bout will be staged at James Coughlin's arena, just outside the city.

New York, Feb. 2—Bombardier Wells, the heavyweight champion of England, will sail for America on March 2. Wells jumped into prominence when he defeated "Porky" Flynn an American pugilist. His backers hope to arrange for a match with Jack Johnson, while he is in this country.

Wells was matched to fight Johnson in London last year, but the battle was prevented, owing to strong public disapproval.

Chicago, Ills., Feb. 2—Packey McFarland and Eddie Murphy have signed articles for a ten-round fight at South Bend, Ind., on Feb. 14. The men agree to weigh 136 pounds at three o'clock.

Stanley Cup Trustee Foran has announced in Ottawa that challenges would be accepted for the cup. The Maritime, British Columbia and Northern Ontario League challenges will be accepted. No players will be eligible who were not members of the challengers in January. The first game will be played with six men a side and the second with seven, goals to count on the round.

Give your servants GOLD DUST to clean with, treat them rightly and you will have few occasions to insert a "help wanted" ad

They say a good workman is known by his tools. You cannot expect your maid to keep everything ship-shape unless you give her every modern help. To keep house without GOLD DUST is to do work by hard, old-fashioned methods. For cleaning everything and anything about the house—from cellar to attic—GOLD DUST is worth its weight in gold. It cuts grease and dirt like magic, does away with scouring and scrubbing, and saves time and tempers.

Your servant can do more and better work and keep sweet with the aid of GOLD DUST in all household cleaning.
