## CENTRAL LEAGUE STARTS WITH CIRCUIT OF TWELVE CLUBS

First of Kind since National League  
 Cut Down--Includes Three Pen-  
 nant-winners

South Bend, Ind., April 24--With  
 the first twelve-club circuit that has  
 appeared on the baseball map since  
 the National League cut down to  
 eight clubs in 1899, the enlarged Cen-  
 tral League started upon its 1912  
 pennant race today with games in  
 six cities. The organization this  
 year comprises Dayton, South Bend,  
 Grand Rapids, Ft. Wayne, Terre  
 Haute, Wheeling and Zanesville of  
 last year's circuit, together with  
 Springfield, formerly of the Ohio  
 State League, and Youngstown, Erie,  
 Canton and Akron, which were in the  
 O. and P. league last season. A re-  
 markable feature of the circuit is the  
 fact that it contains three clubs that  
 pulled down championship pennants  
 last season. They are Dayton, cham-  
 pions of the Central, Springfield,  
 which won the championship in the  
 Ohio State League, and Akron, the  
 winner of the O. and P. pennant. The  
 schedule adopted by the Central this  
 year calls for a season of 132 games,  
 ending Labor Day.

## BASEBALL NOTES

First Baseman Joe Alger was turned  
 back to the International League  
 because he did not hit. While with  
 the Cubs he fielded sensationally and  
 was a major leaguer in all respects  
 except with the stick.  
 Fred Applegate, the tall pitcher  
 who was with Toronto for several  
 seasons has bought his release from  
 the Lincoln Club of the Western League  
 and has signed with the Elmira  
 New York State Leaguers.

"Wagner's batting and fielding fea-  
 tured," says a despatch on Friday's  
 Pittsburgh-Cincinnati game. Guess he  
 old boy is not done yet! Marty  
 O'Toole the \$22,500 wander pitcher  
 for the Pirates and won his game.

What if Connie Mack's young pit-  
 chers disappoint him and Bender,  
 Coombs and Lapp show signs of  
 going back? Morgan is the only mem-  
 ber of the younger brigade to show  
 good form to date. Krause and Dan-  
 forth have been walloped.

Andy Kyle of Toronto has got yet  
 played a scheduled game with the  
 Columbus team of the American As-  
 sociation. He may be turned over  
 for another year's seasoning. The  
 American Association is of the same  
 rating as the International League.

Bill Loudon, the former Newark  
 player, looks like a fixture at third  
 base with the Detroit Tigers.

With Jimmy Esmond at short,  
 working like a dynamo, the Cincin-  
 nati infield has been displaying the  
 real article.

Derrill Pratt has been filling La-  
 porte's place at second base for the  
 Browns and getting away with it in  
 fine shape.

With Pitchers Gregg, Mitchell and  
 George all left-handers, the Cleve-  
 land Naps are well fixed in the way  
 of port-sideers this season.

Manager Joe McGinnity has an-  
 nounced that only union-made sau-  
 sage (slang for hot dog) will be sold  
 at the Newark park this season.

It was up to Pitcher O'Toole to put  
 the Pirates in the win column and the  
 "\$22,500 beauty" turned the trick  
 with a few fancy benders and a smile.

The Pittsburgh Pirates lost the op-  
 ening game, the first since 1907. Since  
 1887 the Pirates have won 18 and lost  
 8 games played on the first day of the  
 season.

New York fans were greatly wor-  
 ried during the first week of the sea-  
 son. They expected to hear every  
 minute that the Highlanders had fal-  
 len out of the league.

Fun Perdue looks to be the best  
 bet on the pitching staff of the Bos-  
 ton Braves. The Tennessee farmer is  
 causing kinks to sprout in the backs  
 of the heavy hitters.

"Lefty" Crystall of Toronto, last  
 season with Providence, has sent his  
 signed contract to the Holyoke club  
 of the New England League.

The old Cub machine has not start-  
 ed any forest fires so far this season.  
 Quite a number of critics have picked  
 out a place somewhere between the  
 sixth and eighth position for the for-  
 mer champions.

Kids in school have the sympathy  
 of the Giants. When the National  
 League Champs fail to deliver the  
 goods, McGraw keeps the team on  
 the field after the regular game, and  
 compels them to go through an  
 hour's practice.

Cornelius Lyons, the former West-  
 ern League umpire, has been selected  
 a justice of the peace at Indianapolis.  
 He will make only one slight change  
 in his decisions hereafter. Instead  
 of sending the bad actors off the field  
 he will send them to the house-gow.

## OLD CY YOUNG AND SOME FACTS OF HIS HISTORY

Veteran Ball-player was one of First  
 to Train at Hot Springs--His Sys-  
 tem

He is 45 years old.  
 He has been a big league pitcher  
 for 22 years.  
 He always prepares himself for the  
 season.

He spends a month at Hot Springs  
 before going to the training camp.  
 He drinks one glass of whiskey a  
 day while training.

He works slowly and deliberately  
 each spring until his weight is  
 reduced and he can pitch his fast ball  
 without wrenching his muscles.

## CY YOUNG'S PROGRAM.

First Week--The regular daily baths  
 at Hot Springs.

Second Week--Baths and road  
 work. He dresses in flannels and  
 sweater and does 10 to 15 miles on  
 the road. He tramps, sprints and  
 climbs hills. He does not touch a  
 baseball.

Third Week--He continues baths  
 and road work. He fields and tosses  
 the ball. He handles bunts to reduce  
 his stomach. At the end of the third  
 week he pitches his first ball.

Cy Young is baseball's most interest-  
 ing veteran.

Cy is 45 years old and is just start-  
 ing his 23rd consecutive year as a  
 pitcher in the major leagues. Cy is  
 as youthful as any recruit. He is in  
 better shape right now than many a  
 player 20 years younger.

Cy Young was the first player to  
 make use of the Hot Springs of Ar-  
 kansas. He started going there 20  
 years ago.

To taking care of himself since boy-  
 hood and the waters Young attribut-  
 es his long career. He goes to Hot  
 Springs a week before the other play-  
 ers. In the first week he takes the  
 baths daily. This is the extent of  
 his work.

Cy Young doesn't attempt a fast  
 ball until he is just right and no one  
 but himself can tell when this will  
 be. He says he doesn't know how he  
 knows when the moment arrives, but  
 he just naturally begins to speed them  
 across and perhaps to put "some-  
 thing on the ball" at the correct  
 time. The result is you never hear  
 of CyYoung complaining of a sore  
 arm or wrunched back, as many  
 youngsters do.

When Young started this year he  
 didn't have a suspicion of a waist  
 line. It was more like a round house.  
 Now he certainly looks good. He is  
 carrying very little surplus in his mid  
 section and the work he is doing  
 ought to remove this in another  
 week. He is not so stout as he was  
 when John I. Taylor sold him to  
 Cleveland and he has been making  
 the men who predicted that he was  
 all in, take notice by the way he has  
 rounded into form.

Although he is a strong advocate  
 of temperance, Cy indulges to the ex-  
 tent of one glass of liquor every day  
 before his workout. He believes his  
 system demands it. He has followed  
 the practice for years.

## HOOF BEATS

E. W. Hanks has opened five more  
 early closing classes for his mid-Sum-  
 mer meeting at Augusta, Me. The 2.08  
 pacers and 2.10 trotters are each of-  
 fered \$2000, the 2.15 pacers and three-  
 year-old trotters \$1000 each and the  
 2.22 pacers \$500.

Robert Neill, nephew of and book-  
 keeper for Ed Greers, was in Boston  
 last week. He reports that the sea-  
 son at Memphis is very backward, and  
 also the very good news that the mas-  
 ter reinsman is recovering from an  
 illness which confined him to his  
 home for a week.

The American Trotting Association  
 will not, after all lose its members in  
 the Indiana hopple belt by its recent  
 action in refusing to appeal the rule  
 barring the straps. At a meeting of  
 the Southeastern Indiana Circuit a  
 few days ago the members voted un-  
 animously to retain membership in  
 the A. T. A.

George Todd, 2:03 1/2, has been sent  
 to Andrews.

Havis James is riding miles faster  
 than 2:10.

Allen Farm has sold the McKinney  
 stallion Macaire.

Alice Rootvelt, 5:03 1/2, has a filly  
 at her side by Moko.

Nahma, 2:07 1/2, is in training after  
 several years in retirement.

Dictator Todd, owned by George  
 Eno of Simsbury, Conn., is tipped off  
 as the best stakket rotter in the Mur-  
 phy string.

John L. Forvey, "Volunteer" edi-  
 tor of the Horse Review, is one of  
 the party who will tour Europe with  
 the Billings horses.

## CARPENTIER-- LEWIS BOUT IS POSTPONED

American Boxer to be Given Time to  
 Get in Shape--French Expect Car-  
 pentier to Win

Paris, April 24--The 20-round fight  
 originally scheduled for tonight be-  
 tween Willie Lewis, of New York, and  
 Georges Carpentier, who holds the  
 French welterweight championship  
 and the English middleweight title,  
 has been postponed until the middle  
 of May, owing to the fact that Lewis  
 has only arrived in France this week  
 and desires several weeks to prepare  
 for the contest. The match is now  
 the staple topic of discussion where-  
 ever sporting men congregate in the  
 French capital. Carpentier is con-  
 sidered the cleverest boxer that has  
 been developed on this side of the  
 Atlantic in a long time. The critics  
 are in the habit of speaking of him  
 as a second "Kid" McCoy. In addi-  
 tion to being extraordinary quick  
 and shifty he possesses a hard punch.  
 At Monte Carlo recently he knocked  
 out Jim Sullivan, the English mid-  
 dleweight champion, in less than two  
 rounds. Carpentier expects to find in  
 the veteran Willie Lewis the most  
 formidable opponent he has yet faced,  
 but the admirers of the French boxer  
 are confident he will be able to hold  
 his own against the American fighter.

## O'HARA BENCHED BY KELLEY

New York, April 22--"Bill" O'Hara  
 is decidedly downcast over Manager  
 Kelley's determination to bench him  
 until he recovers his speed. He says  
 that he is in shape to play, and is  
 keen to start the season in left field.  
 His ankles are not bothering him  
 particularly, and he is disposed to  
 believe that the "head" leader is  
 taking the exhibition game too seri-  
 ously. But the fact remains that  
 the Toronto boy has not been work-  
 ing smoothly and at the present time  
 is not in the best of condition. His  
 enforced idleness did not do him any  
 good, and it will be a week at least  
 before he is right. Meyer is fit and  
 it is a good bet that he will prove a  
 very useful man. Berny is a much  
 better ball player than he is credited  
 with being, and Toronto will not  
 present their weakest front by any  
 means when he is in the line-up.
