Jefferson City, Mo., May 9—Walter
 S. Duple, convicted of the murder
 of Stanley Ketchel, the pugilist, must
 serve his life sentence in the Missouri
 Penitentiary, according to a decision
 of the Supreme Court today.
 Goldie Smith, convicted and serving
 a life sentence as an accessory of
 Duple, was discharged from the peni-
 tentiary by the court, which reversed
 the judgment against her.

ZACHERT CASE STANDS

Cincinnati, May 9—The application
 by the St. Louis National League
 Club for a re-opening of the Zachert
 case was dismissed by the National
 Baseball Commission here today. St.
 Louis was recently ordered to pay
 the salary of Player Zachert from the
 beginning of the season of 1912.
 "until he is formally released." The
 commission held that his transfer to
 the Montreal Club was not legally
 completed.

UNASSISTED TRIPLE PLAY IN TEXAS

Houston, Tex., May 9—Roy Aiken,
 third baseman for the Waco team of
 the Texas League, retired the Hous-
 ton team in the first inning of to-
 day's game with a triple play, unas-
 sisted.
 With runners on second and third
 base, the Houston batsman bunted
 for a "squeeze" play. He bunted the
 ball high. The runner from third
 raced toward home, and the man at
 second base came to third. But Aik-
 en caught the bunt, tagged the men
 from second and touched third base
 before the man who attempted to
 score could get back.

JOE PATCHEN II IS
FORECASTED SENSATION

Now Training in California—R. J. Mc-
 Kenzie, Canadian Millionaire, the
 Owner

C. A. McCully formerly of Truro,
 writes from San Francisco that Joe
 Patchen II, 2.17, is likely to be the
 sensational pacer of the Grand Cir-
 cuit this season. He is in training at
 the old Pleasanton track, where Fly-
 ing Jib, 2.04; Direct, 2.05; and
 Directum 2.05; were fitted for their
 campaigns twenty years ago and is
 going in great form for his trainer
 Havelock James. He is owned by
 Roderick J. McKenzie who now owns
 the Pleasanton track. James worked
 him in 2.03, last season but he met
 with an accident just before the
 Grand Circuit opened. Mr. McCully
 says that California horsemen ex-
 pect to see him beat the record of his
 sire in 1912. He is in the \$5,000 race
 at Detroit. Mr. McKenzie's trotters
 and pacers will be shipped from Pleas-
 anton to Libertyville, Ill., next week
 for their final preparation. In the
 string are two young trotting mares
 —Fessie L., 2.26 by Zombro, 2.11 and
 Mary Mack by Arthur Wilkes, 2.28—
 for which Mr. McKenzie recently paid
 \$8,450. They are entered in the \$10,000
 races at Kalamazoo, Grand Rapids
 and Detroit.

DATES OF MOOSEPATH RACES

The St. John Driving Club held a
 meeting last night and decided on
 the following classes for races on
 Moosepath Park, on July 10, 11, 12,
 (old home week):
 Trot—2.30 class, 2.24 class, 2.18
 class.
 Trot and Pace—2.14 class, 2.17 class
 2.20 class, 2.30 class.
 The entries for the above races
 will close on June 9.

TORONTO SELLS PITCHER CATHY

Yesterday the Toronto club sold
 Pitcher Theodore Cather to Scram-
 ton of the New York State League.
 The Miners have purchased Cather's
 release outright.
 By next Wednesday the International
 League teams must be reduced to
 20 men. The Leafs must get rid of
 three players before that day. It
 would appear that there are four
 pitchers to fill two places and from
 Corey, McGinley, Backman and Muel-
 ler two must go.
 Bill Bradley's spiked leg has taken
 a turn for the worse and his surgeon
 has advised complete rest for ten
 days. Fitzpatrick will continue to
 play the bag.

SOCALLED SCOTCH
CHAMPION LEFT RING
AT FALL RIVER

Packey McFarland Outclassed Johnny
 Connolly Hopelessly in Five-round
 Exhibition Bout

Fall River, May 9—Packey McFar-
 land, the Chicago whirlwind, gave
 a five-round exhibition here tonight
 against Johnny Connolly, announced
 as the champion of Scotland. The
 bout was slated to go 10 rounds, but
 at the end of the fifth round Con-
 nolly ran out of the ring.
 He had been smashed all over the
 ring for 15 minutes and he concluded
 that he would not be made a mark
 any longer. He knew that he was
 out-classed and no one denied that
 fact. As soon as the bell rang at the
 end of the fifth Connolly walked to
 his corner and then started to crawl
 through the ropes. He managed to
 get half-way through, when his man-
 ager caught hold of him and tried to
 keep him from starting for the dress-
 ing room. He persisted, however, and
 finally broke away from his trainer
 and ran for his clothes.

McFarland sat in the corner for a
 few seconds and then walked across
 the ring. All that he said was this:
 "Well, it is too bad the crowd did
 not see a fight."
 Connolly was outclassed. He did
 not hit McFarland twice in the
 entire five rounds. The youngster
 was scared out of his wits before he
 entered the ring. McFarland simply
 toyed with him. He jabbed him when
 and where he pleased and the Scotch
 champion looked like a joke up-
 against such a master of boxing as
 McFarland.

UNIQUE PRISON BASEBALL LEAGUE

Leavenworth, Kas., May 11—The
 ranks of organized baseball received
 a new recruit today, when the Fed-
 eral Prison League will begin its first
 championship season. The league
 comprises three teams, each of which
 is made up exclusively of inmates of
 the Federal Prison here. There is a
 white team, an Indian team and a
 negro team. A regulation field has
 been laid out within the prison en-
 closure. A grandstand has been built
 for the accommodation of the prison
 officials, guards and their families.
 On the opposite side of the field are
 bleachers for the convict fans. The
 three teams have been practising
 daily for several weeks and the man-
 agers are reported as optimistic over
 the outlook for a close pennant
 race. A good attendance is assured
 for the early part of the season, but
 force of circumstances may cause it
 to diminish later. All prisoners have
 been given season tickets, entitling
 them to attend all games during
 good behavior.

Catcher Jack Slattery has remain-
 ed in Boston this season to look af-
 ter his business. Few players have
 seen as much of the country through
 baseball as Mr. Slattery—Boston
 Globe.

"BUGS" RAYMOND
TO REJOIN GIANTS

Baseball Commission Decides to Send
 Eccentric Pitcher Back to Organ-
 ized Game

Cincinnati, May 9—Player Arthur
 "Bugs" Raymond, former pitcher for
 the New York National League Club,
 was today reinstated by the National
 Baseball Commission and is expected
 to report to the New York team.
 Raymond has been under suspension
 for a year and recently has been play-
 ing with the Chicago team in the
 United States League.

St. Louis, May 9—When Manager
 McGraw of the New York National
 League team, was told of the rein-
 statement of Arthur Raymond to-
 night, he expressed surprise and
 said:
 "Well, he can report whenever he
 gets ready, but I have no use for
 him."

FLYNN AT LAS VEGAS

Las Vegas, N.M., May 9—Jim
 Flynn, who is to meet Jack Johnson
 for the heavyweight championship
 here July 4, arrived tonight and was
 met by hundreds of citizens with a
 brass band. Flynn begins his train-
 ing at Las Vegas Hot Springs to-
 morrow.

 vere illness of James Farley all of

HALIFAX STANDARDS
AFTER LOCAL PLAYERS,
TOM HOWE WITH THEM

Acadian Recorder Hands Bouquet to
 Veteran Player—Bill Duval Wanted
 by Haligonians

The Acadian Recorder says:
 "Tommy Howe, who is perhaps one
 of the best known ball players in the
 Maritime Provinces, has signed up
 with the Standards for 1912. He is
 considered one of the best third base-
 men around and will occupy that
 position with the Standards. Howe,
 who last year played with Frederic-
 ton, is well known to the Halifax
 followers. It is likely that perhaps
 one or possibly two other members
 of last year's Fredericton team will
 be seen playing here this summer.
 The Standards are after Pitcher Du-
 val, formerly of the New England
 League, and expect to land him.
 "Last evening the Standards turn-
 ed out for their first practice this
 season, and quite a crowd of their
 followers were on hand to see the
 new men work out, but as the even-
 ing was cold, Manager Cosgrove
 gave them just a short practice.
 Among those who turned out were:
 Howe, Yenz, Philadelphia, who made
 quite a name for himself in the man-
 ufacturer's league; DeWolf, who comes
 from Montana; Dill, St. Louis, is a
 young catcher, who the Standards
 feel will give a good account of him-
 self this season; Pickering, Grey,
 Whelan, and other locals were also
 on hand for a try-out. Manager Cos-
 grove thinks the brand of ball played
 this year will be fifty per cent. better
 than that of last year.
