USUALLY ONE DOSE CURES INDIGESTION OR A BAD STOMACH

If what you just ate is souring on your stomach or lies like a lump of lead, refusing to digest, or you belch Gas and Eructate sour, undigested food, or have a feeling of Dizziness, Heartburn, Fullness, Nausea, Bad taste in mouth and stomach headache—this is indigestion.

A full case of Pape's Diapiesin costs only 50 cents and will thoroughly cure your out-of-order stomach, and sufficient about the house in case some one else in the family may suffer from stomach trouble or indigestion.

Ask your pharmacist to show you the formula plainly printed on these 50-cent cases, then you will understand why Descriptive trouble of all kinds must go, and why Diapiesin always relieves sour out-of-order stomachs or indigestion in five minutes. Diapiesin is harmless and tastes like candy, though each dose contains power sufficient to digest and prepare for assimilation into the blood all the food you eat; besides, it makes you go to the table with a healthy appetite; but, what will please you most, is that you will feel that your stomach and intestines are clean and fresh, and you will not need to resort to laxatives or liver pills for Bilioussness or Constipation. This city will have many Diapiesin cranks, as some people will call them but you will be cranky about this splendid stomach preparation, too if you ever try a little for Indigestion or Gastritis or any other Stomach misery.

Get some Pape's Diapiesin now, this minute, and forever rid yourself of Stomach Trouble and Indigestion.

RING NOTES

Mike Gibbons the St. Paul star and Paddy Lavin will clash in Buffalo May 14.

Two defeats at the hands of Frank Klaus have about put Jack Dillon out of the middleweight championship class.

In taking over the Arena the Pilgrim A. A. of Boston made a ten-strike. The building is a corker in which to hold boxing shows.

The recent McFarland-Wells bout in New York was a big financial success. McFarland took down \$10,000 while Wells' share was \$9,500.

Gov. McDonald of New Mexico declares he will not let the Johnson and Flynn bout take place in that State if it is possible. If there is no law to prevent it, he says he will have one passed that will enable him to stop it.

Young Britt and Tommy Houck have been matched to box in Baltimore next Tuesday night.

Willie Beecher and Phil Cross have signed to box in New York next Wednesday night.

"K. O." Brown of New York and Young Jack O'Brien have been booked for a bout in Philadelphia May 22.

The bout between Harry Lewis and George Carpentier, which has been postponed several times by the Paris promoter is billed to take place May 22.

Johnny Coulton won \$1593 easily in New York last Wednesday night by defeating Young Solzberg. The sports of New York must be easily satisfied when they pay such money to a champion for meeting a boy he easily outclassed.

BASEBALL NOTES

The Athletics hold the season's record for taking out pitchers, having used five heavies in a 9-inning game. Columbus, Minneapolis and Toledo have been showing the way in the American Association so far this season.

Pitchers, Knetzer, Schardt and Yingling of the Brooklyn Dodgers look like a "Chink" mixed up in a Volksfest.

Arthur Zimmerman brother of Helen Zimmerman of the Cubs has signed with the McKeesport team of the O. and P. League.

The Giants have been doing great work with the stick. Seven of McGraw's men including two pitchers have clouted for 300 or better.

Charley Hall tops the list of winning pitchers with the Boston Red Sox and is the real hope of the Hub fans.

Much of the success of the Callahan crew is due to the fine work of two youngsters, Rath at second and Weaver at short.

With a new ball park, a double-deck grandstand and a team that is playing ball like champions, Washington fans have been getting a genuine run for their money.

After starting the season like winners, dissensions among the owners and the illness of manager Brannahan have put a criss-cross crimp in the Cardinals.

Bargain sale in baseball tickets. Surest thing you know. A Newark, N.J., department store advertises 50 cent tickets for International League games, at 42 cents a piece.

Pitcher Ed Walsh of the White Sox is the real S.O.S. kid of the big leagues. Hardly a day passes without the spitball king being sent to do the rescue stunt.

Cy Young was left at home when the Boston Braves hit the Western trail. Kling must be holding back "Uncle Cyrus" in order to put him in a Santa Claus act next Christmas.

Here's a funny one. Because Ty Cobb works at first base and makes a bluff at pitching during practice, a story is going the rounds charging him with trying to disrupt the team.

The United States League is competing with major league clubs at Chicago, Cincinnati, Pittsburgh, Cleveland, New York and Washington the Tri-State League at Reading and the Virginia League at Richmond.

Manager Kling has a three year contract with the Boston Braves.

The National Commission has a case to decide between the Boston Braves and the Haverhill Club. Haverhill is trying to force Boston to fulfil a written agreement that was signed by William Hepburn Russell and D. J. Clebecy. The Boston Club agreed to give Haverhill a player equal in ability to Spratt for the immediate delivery of Pitcher Hogg on Aug. 1.

Harold Janvrin is playing grand ball for the Jersey City club and promises to become a big leaguer yet. The Red Sox hold an option on the player to be exercised in August.

HOOF PRINTS

A colt trainer of great experience says: "Do not attempt to speed colts without booting them. Once they strike a leg, a habit is formed. Boots will do much to obviate the fault, and by their use the trainer will be saved a lot of trouble. It's an easy matter to remove the unnecessary boots after the youngster's gait is established."

A. B. Martin is at Dover with Northern Spy, 2:13; Fred Kanno, 2:17; Bert Clark, 2:22; Nathalis, 2:23; and half a dozen green ones.

Abe Johnson, who is training a promising lot of youngsters over the Brockton track has sent Howells, 2:24 to Peter Fox at Combination Park.

Arthur Parker made a happy selection when he bought Peter Red, 2:11 1/2 as this splendid son of Peter the Great is proving to be popular with New England breeders.

The Readville rail birds say that the yearling Peter the Great colt in Dennis Neyland's stable is a 3wonder. He trotted an eighth one morning last week in 20 seconds.

Philadelphia Jack O'Brien has a white hope he is coaching. Young Dyson and Charley Griffin are scheduled for a bout at Marieville, R.I., May 21.
