HARDWARE OF ALL KINDS

The bigger the roof, the more reason for Paroid

The importance of the roofing increases with the importance and value of the building. The owners of the largest barns, railroads and manufacturing plants use the good old reliable, ready-to-apply Neponset Paroid.

NEPONSET PAROID
(Made in Canada) ROOFING

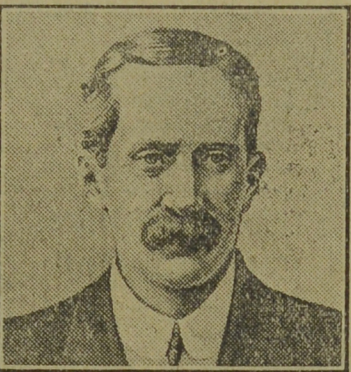

on the roof, and sides too, means more protection to your live stock and your pocket-book. Protection against leaks, repairs, and that greatest danger of all—fire.

Paroid is only one of the Neponset Roofings. There is one for every roof and pocket-book. Sold by dealers everywhere. Booklet, "Repairing and Building," Free. If you do not know the Neponset Dealer in your town, write for his name. If we have no dealer, we will make you a special offer. We pay the freight.

"Fruit-a-lives" Keeps Young And Old In Splendid Health

J. W. HAMMOND Esq.

SCOTLAND, ONT., Aug. 25th. 1913 "Fruit-a-lives" are the only pills manufactured, to my way of thinking. They work completely, no gripping whatever, and one is plenty for any ordinary person at a dose. My wife was a martyr to Constipation. We tried everything on the calendar without satisfaction, and spent large sums of money until we happened on "Fruit-a-lives". I cannot say too much in their favor.

We have used them in the family for about two years and we would not use anything else as long as we can get "Fruit-a-lives".

Their action is mild, and no distress at all. I have recommended them to many other people, and our whole family uses them."

J. W. HAMMOND. Those who have been cured by "Fruit-a-lives" are proud and happy to tell a sick or ailing friend about these wonderful tablets made from fruit juices. 50c. a box, 6 for \$2.50, trial size 25c. At all dealers or sent on receipt of price by Fruit-a-lives Limited, Ottawa.

MARYSVILLE NOTES

Much Sympathy is being expressed for Mr. Jacob Pyne in the loss of his young wife, who came here a short time ago from Old Town, Maine. She was a victim of consumption and had been in failing health for the past year. She was laid to rest in the Methodist cemetery. Rev. Thomas Hicks had charge of the service.

The Food Sale held by the ladies of the Main Street Church on Saturday last proved a success. The sum of \$10 was realized and a gift of \$5 from Mr. John A. Young, M.P. P., made the same sum of \$15. The ladies naturally feel grateful to Mr. Young and take this opportunity through the Daily Mail to thank him for his kindness and generosity.

Charles McConaghy is making some marked improvements upon the old homestead.

Miss Gracie Steeves who is teaching school at Little River visited with her parents Mr. and Mrs. John Steeves recently.

A very enjoyable party met at the home of Mr. and Mrs. N. E. Stewart Tuesday evening. The hours were spent in music and singing. Miss Ruby Ross and Miss Edith Staples presided at the piano in a creditable and very pleasing manner. The party dispersed at a late hour after singing the National Anthem.

Miss Ryan of Fredericton was a recent guest of Miss Doris Robinson of this place.

Miss Minnie Titus and Miss Alice Harold spent Victoria Day at Centreville.

A candy and fruit store has been opened up at this place by Miss Helen Heron and is recovering a liberal patronage from the young people.

Roy, the little son of Mr. and Mrs. Fred Estabrooks who has been ill for the past week is to undergo an operation for inward trouble.

Mrs. Walter Walker is confined to her home with a severe cold.

The bylaw with regard to riding bicycles on the sidewalks in future will be strictly enforced. Already a number of names are in the hands of Police Magistrate Clayton and no doubt a special invitation will be issued to each.

DIED THIS MORNING

The death of Katherine McMennamin took place this morning at her home on King Street after a short illness. She was 82 years of age and is survived by three brothers, Edward and John of this city and Michael of St. John. The funeral will take place Monday morning leaving the house at 8.50 High Mass at Requiem will be celebrated at St. James Church at 9 o'clock by the Rev. Father Carney. Interment will be made at The Hermitage.

RATEPAYERS TO VOTE ON INCORPORATION

The ratepayers of the villages of St. Marys and Gibson are to vote on the question of incorporation on Tuesday of next week. The election is being looked forward to with a great deal of interest and the friends of incorporation are confident that a majority of the people will declare in favor of home rule. The combined population of the villages of St. Marys and Gibson is in the neighborhood of two thousand, which is sufficient to make a town of considerable importance. The villages carry the heavy end of the taxation of the parish and it is claimed that they do not get anything like value for the money. The present form of government is unsatisfactory from every standpoint, and for some time there has been a strong feeling among a large element of the community that a change would be decidedly in the interests of the taxpayers. Incorporation would mean better roads and streets, the establishment of new industries, enhanced value of property and best of all the people will have the boon of self government. If St. Marys and Gibson are ever to become something more than sleepy old villages they must come in under the Town's Incorporation Act.

gations undertaken towards neutral powers by the convention of 1888 to keep no warships in the Suez Canal, but is even now fortifying this canal, and that the French government, with hostile intent against the Ottoman empire, has landed troops in Egypt, has by these facts been placed under the necessity of taking military measures for the protection of its imperial territory, of which Egypt forms a part, and to extend hostilities to the Suez Canal."

To the foregoing the note adds that if these measures prejudice neutral ships or goods, it is clear that the responsibility will rest with the British and the French governments.

PANTELEIMON QUITE SAFE.

Paris, May 28—The French minister of marine today gave out an official announcement, which reads as follows: "The Russian admiralty denies categorically the Turkish official announcement, according to which the Russian battleship Panteleimon was sent to the bottom in the Black Sea by a submarine."

"The day when this was supposed to have happened the Panteleimon was in a Russian port and no vessel of the Russian Black Sea squadron has been either sent to the bottom or wrecked."

SPECIAL SIGNAL OF WARNING.

Washington, May 28—United States Consul General Skinner, at London, cabled the bureau of navigation today that the British admiralty has arranged a special signal to warn merchant vessels and others that German submarines are known to be in their vicinity.

During daylight the letter "B" in international code flag, which is red with a swallow tail, will be displayed over a ball. At night there will be continuous flashing of the letter "S" by light signals.

BIG STEAMER REACHES PORT.

Liverpool, May 28—The liner Argylshire, of 10,392 tons, was today torpedoed by a German submarine in the English Channel. She sent out S.O.S. calls but was able to reach port in a damaged condition.

KAMP KNOTA KARE

Mr. and Mrs. F. B. Edgecombe and a party of friends paid a visit this week to Kamp Knota Kare on Palfrey Lake. The camp is owned and conducted by Mr. and Mrs. F. C. Strang of New York and has become very popular as a summer resort. It is located in the County of York seven miles from Vancorbo and is reached from that place by motor boat. There are a chain of lakes extending a distance of twenty-five miles and are well stocked with fish and are well stocked with game.

RIVER RISING AS RESULT OF RECENT HEAVY RAINS

The St. John River at this point has risen one foot in the past twenty-four hours as a result of the recent heavy rains. The rise in water is expected to continue. The heavy gales which accompanied the rains have interrupted rafting operations at the Mouth of the Nashwaak and delayed the start of the drafting season at the Douglas Boom. A big crew was at the Douglas Boom prepared to begin operations on Wednesday but next Monday is now set as the date for beginning operations. Lumber has been running into the boom but many logs have been blown ashore by the gales.

The water in the Nashwaak rose rapidly early this week and the drives of the Partington Pulp and Paper Company were helped along to some extent. The water is now falling.

AROUND THE MARKET.

There was a fairly large market this morning and considerable country produce was disposed of. Eggs were plentiful at 20 cents a dozen and butter at 25 cents, which is the lowest price of the season. Potatoes were plentiful and sold at from 60 to 70 cents a barrel. Farmers claim that it does not pay to haul them to the city for that price. Veal was plentiful at 7 and 10 cents and pork brought 14 cents. Turnips sold at 60 cents a barrel.
