

Wilson's
INVALIDS' PORT
(a la Quina du Perou)

is a rational preparation that has the hearty support of the modern physician. It is a superb brain and nerve tonic that successfully combats the depressing effects of sudden and unseasonal changes in temperature which exhaust the most robust unaided organism.

Prepared from the rich juice of selected Oporto grapes and extract of Peruvian Cinchona Bark.

Absolutely no alcohol or other ingredients are added.

U. N. B. WON FROM MOUNT A 3 TO 2 IN OVERTIME PLAY

Garnet and Gold Had Things Their Own Way at First But Red and Black had the staying qualities --Interesting Game Played on Wet Ice--Big Crowd From Sackville Saw Their Team Beaten.

The U.N.B. hockey team finished the season last night by breaking into the win column at Mt. Allison's expense. It was rather a surprise to Mount A., too, as the Garnet and Gold was generally expected to win and a big crowd of rooters came from Sackville by special train to see the team do it. U.N.B. won by 3 to 2 and by doing put a crimp to Mt. Allison's championship aspirations as the best the Sackville team now can do is, to tie with Acadia by beating King's at Sackville.

IN OVERTIME.

U.N.B. won in overtime last night, playing with such life in the third period and in overtime that it looked like a different team from the one which let Mount A. play all round it for two periods. The big contingent of Mt. Allison footers had things their own way until the last period, and did some lusty cherring.

THE PLAYERS.

The ice was covered with water and Mt. Allison's weight had additional advantage. Eaton looked to be the best of the visitors' forwards. Pendrigh and Brundage played well on the wings. In goal Heartz made some fine stops and had lots of luck. Gray and Crowe worked well on the defence. The Garnet and Gold forwards had a good combination and at first it seemed that with good ice they would have swamped U.N.B. but the "pep" the whole Red and Black showed in the latter stages of the

PRINCESS PATRICIAS WIN PRAISE OF ALL

London, Feb. 22—Any doubts that may exist concerning the efficiency of the Princess Patricia's Canadian Light Infantry are completely dispelled by the unaffected admiration of those who have seen the regiment in action.

Today I had the pleasure of meeting Lieutenant Guy Hutton, son of Principal Hutton of Toronto University, who has just returned from the front on a week's leave. Lieut. Hutton is an officer in the Indian army. He had been in France for the past three months with the 18th (King George's Own) Bengal Lancers his own regiment the 22nd (Sam Browne's) Cavalry being still in India on frontier service.

WIN PRAISE OF COMRADES

Lieutenant Hutton tells me that the Princess Patricia's have already made a name for themselves among the troops on the firing line. Canada, he says, has every reason to be proud of the "Princess Pats." They have shown resourcefulness and courage in all the engagements in which they have taken part to date and are conducting themselves in that manner which is winning such praise for the British army in France.

NO MORE CAVALRY WANTED

Cavalry operations are impossible for the present, states Lieutenant Hutton. In fact, the impression prevails that few additional cavalry detachments will be sent to France. The forces at the front expect a strong German offensive in the near future. However, the lines of the allies have been so strengthened that any such attempt is already doomed to failure. In the opinion of the men here on leave, Optimism is still the dominant note of the British forces.

And now the Easter bonnet is the coming event that casts its shadow before, as far as the man who pays the bills is concerned.

LITTLE WILLIE KNEW.

Congressman Robert M. Switzer of Ohio, smiled when the conversation turned to the bright remarks occasionally made by the little folk. He said that he was reminded of an incident that happened in his home state.

In a prosperous rural community the village doctor was also the superintendent of the Sunday School. Incidentally he taught a class of small boys.

"Willie," impressively remarked the doctor one Sunday afternoon to a bright-faced youngster, "can you tell me what we must do in order to get to heaven?"

"Yes, sir," was the prompt response of Willie. "We must die."

"That is very true," said the doctor, encouragingly. "But can't you tell me what we must do before we die?"

"Yes, sir," was the startling rejoinder of little Willie. "We must get sick and send for you."

MAGIC "NERVILINE" CURES TOOTHACHE, EARACHE

IT RELIEVES EVERY
EXTERNAL PAIN

CURES COUGHS, COLDS, SORE THROAT, TIGHT CHEST AND HOARSENESS.

It's when sickness comes at night, when you are far from the druggist or the doctor, that's when you need Nerviline most. Experienced mothers are never without it. One of the children may have toothache. Without Nerviline—a sleepless night for the entire household. With Nerviline the pain is relieved quickly. It may be earache, perhaps a stiff neck, or one of the kiddies catching with a bad chest cold. Nothing can give quicker results than vigorous rubbing with this old-time family remedy.

Nerviline is too useful, too valuable to be without. For lumbago, lame back, sciatica or neuralgia there is no liniment with half of Nerviline's power to penetrate and ease the pain.

As a family safeguard, as something to ward off sickness and to cure the minor ills that will occur in every family, to cure pain anywhere, you can find nothing to compare with old-time Nerviline, which for forty years has been the most widely used family remedy in the Dominion. The most economical size is the large 50c. family size bottle, small trial size 25c. All dealers sell Nerviline.

"ROTTEN" SHOES ISSUED TO CONTINGENT

London, Ont., Feb. 24—"Absolutely rotten" is Lt.-Col. Leonard's characterization of the shoes supplied his men, the Seventh Regiment, Canadian Mounted Rifles, of the third contingent. An inquiry into the quality of the boots is being conducted here, and large numbers of them are being returned to the manufacturers.

Doctor Said She Had Bright's Disease.

**DOAN'S KIDNEY PILLS
CURED HER.**

Bright's disease is a term applied to one of the most serious of all diseases of the kidneys, the symptoms of which are often of a severe character.

Severe pains in the back appear at first and are followed by disturbances of the urinary organs which show that the urine contains a large amount of albumen. Dropsy is also another forerunner of the dreaded Bright's disease. On the first sign of any kidney trouble you should at once put the kidneys right by the use of Doan's Kidney Pills. The pill that cures kidney troubles only.

Mrs. C. A. Heistand, Mooswa, Alta., writes: "Last May I was taken down sick. The doctor told me I had Bright's disease. My kidneys got so bad I could not rest day or night. The doctor's medicine did not give me any relief. I used four boxes of Doan's Kidney Pills, and they put me in good shape again."

Doan's Kidney Pills are the original kidney pill, so when you ask for "Doan's" do not accept any others with similar names.

Price, 50c per box, or 3 boxes for \$1.25, at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

When ordering direct specify "Doan's."
