BOSTON RED SOX ARE THE FAVOURITES IN BETTING

Thousands of Dollars Have Been Wagered on Them at Odds of Ten to Eight--An Enormous Crowd of People on Hand to Witness Today's Great Battle for the World's Championship--Ideal weather conditions Prevail--The Giants are Very Hopeful

New York, Oct. 8.—A brilliant day dawned for the first game of the world's series this afternoon between the New York Giants, Nationals, and the Boston Red Sox, Americans. Indications at eight o'clock were that the weather would remain fine and grow warmer.

Thousands were in line waiting for the gates to open at eight o'clock.

New York, Oct. 8.—Neither of the rival managers was prepared to announce his batting order early today for everything depended upon the selections for box work just before the game. Should Boston send in their left hander Ray Collins to the mound instead of Joe Wood? Manager McGraw of the Giants, will likely switch Snodgrass from centre to left field and replace Outfielder Devore, who is weak against "southpaws," with Becker. Thus the uncertainty over the pitching selections indicated some jockeying of batting orders just before the umpire in chief cries "play ball" at two o'clock this afternoon.

The probable batting order of the teams however, follows:

Boston, Hooper, rf; Yerkes, 2b; Speaker, cf; Lewis, lf; Gardner, 3b; Stahl, 1b; Wagner, ss; Cady of Carrigan, c; Wood, p.

New York—Devore, lf; Doyle, 2b; Snodgrass, cf; Murray, rf; Merkle, 1b; Herzog, 3b; Meyers, c; Fletcher, ss; Mathewson, p.

Umpires Klem, Evans, Digler and O'Loughlin.

The early comers began to gather at the gates of the Brush Stadium near nightfall last night to be first in line when the gates opened at eight o'clock this morning. Near midnight this line had grown to five hundred persons. Many of them had brought camp stools and soap boxes upon which to take an occasional nap. It grew cold towards morning and the crowd snuggled close to the high board fence along Eighth avenue to escape a biting west wind. A woman appeared in line just after midnight and was cheered. She was not long without feminine companions. By sunrise a score of women were found in the shivering throng that led from the yellow gates down towards the "L" station at 155th street. Fifty policemen were on hand to maintain order but they had nothing to do but keep warm.

HOT CAMPAIGN IN THE WEST

Fight in MacDonald Getting Bitter as Polling Day Approaches

Hon. Robert Rogers Says The C. P. R. Must Keep Pace With the Growing West

Winnipeg, Oct. 8.—With only three more days to polling day, the heat of the contest in the constituency of MacDonald is intensifying. Meetings were held in the interests of both parties yesterday as usual, with nothing fresh arising in the shape of arguments with the exception of a positive statement made by Hon. Robert Rogers to the effect that freight rates would be reduced. In dealing with the C.P.R. issue, Mr. Rogers stated that the government had not as yet dealt with the formal application for authority to issue an additional sixty millions of capital stock and went on to add that were the C.P.R. watching the progress of Western Canada they would be asking for authority to issue more than ten times that amount in order to keep pace with transportation requirements in this growing country, and he would favor such a request. But unfortunately, he concluded, they do not realize the needs of the west in this matter.

The first arrest of the MacDonald election was made yesterday when J. J. Sullivan of Carman, was taken in charge at Carman. He was lodged in the provincial jail at Winnipeg but up to the present nothing definite can be found out as to the charge which is laid against him. In spite of the fact that a number of the Liberal leaders tried to get him out on bail, the justice of the peace could not be found and Sullivan had to remain in jail all night.

FREDERICTON BRANCH C.P.R. TRAIN BROKE DOWN

No Connection Last Night For Boston or Montreal--Some Passengers Returned to City Others Stayed at Junction

The C. P. R. train which left via the Fredericton Branch last evening at 5.50 to connect at Fredericton Junction with the west-bound Boston and Montreal express met with a mishap about a mile south of Rusagornish, which resulted in a large number of passengers from Fredericton bound for Boston and New York to take in the World's Championship baseball games or for the Canadian West being compelled to postpone their journey's twenty-four hours and in some cases less.

The locomotive on the train broke a piston-rod near Rusagornish with the result that the train was so delayed that both Montreal and Boston trains had passed through Fredericton Junction before the branch train arrived. Some on being confronted by this situation decided to return to Fredericton and recommence their journey today. Others remained at Fredericton Junction the Canadian Pacific Railway making arrangements for their accommodation at the expense of the company. A large number remained at the Junction, those bound for points in the United States taking the Boston express this morning, the others remaining until this evening. The hotels at Fredericton Junction were pretty well taxed to accommodate those delayed.

COY ESTATE

The costs of the master-of-the-court Mr. H. G. Fenety, were taxed today in the matter of the Catherine E. Coy Estate and the Registrar of the Supreme Court is paying costs today. The matter of succession duties is to be left until a later date when a consultation with the Attorney General will take place. It is expected that the claims of the heirs will be paid at no distant date.

MONTENEGRO DECLARES WAR AGAINST TURKEY

Heavy Fighting is Reported to Have Already Occurred Along the Frontier--Tribesmen Attack a Brigade of Turkish Infantry--Montenegrin Charge d'Affairs Has Broken off Diplomatic Relations With Turkey--Servian Parliament votes Large Sum for Military Purposes

Cettinje, Oct. 8.—Montenegro declared war on Turkey this morning. The declaration of war was delivered to the Porte by the Charge d'Affairs early today. Heavy fighting is already in progress along the frontier.

London, Oct. 8.—A news despatch from Cettinje says that war has been declared by Montenegro on Turkey.

The declaration of war, the despatch continues, was delivered to the Ottoman Government by the Charge d'Affairs at Constantinople. Heavy fighting is said to be already in progress, between the Montenegrins and the Turkish troops along the frontier. A brigade of nine battalions of Turkish infantry proceeding from Scutari to Tusi on the Montenegrin frontier was attacked last evening by a large force of Malissori tribesmen, just before reaching Ausi. The battle continued throughout the night and fighting according to the despatch is proceeding this morning. No confirmation of the news agency despatch has been received by the foreign legations here nor by the British foreign office. The many special newspaper correspondents in the Balkans are also silent.

A further despatch from the same source says the Montenegrin Government instructed its representative at Constantinople to break off all diplomatic relations with Turkey today and to leave Constantinople immediately. The Montenegrin Government at the same time is said to have handed his passports to the Ottoman Charge d'Affairs at Cettinje. The stock exchange regarded the declaration of war by Montenegro with calmness and prices changed very little.

The market appeared to await the result of the action taken by the powers. Consols did not change but American stocks were from one eighth to one quarter below parity.

TROOPS ON THE MOVE

Belgrade Serbia, Oct. 8.—Reports reached here today that Montenegrin troops had crossed the Turkish frontier.

The Servian parliament today voted an extra credit of \$8,900,000 for military purposes while the merchants of this city are making large donations to the funds being raised for the assistance of poor families whose bread winners have been called upon for military service. Three hundred beds with seven doctors and forty-five nurses sent here by the Russian Red Cross Society arrived today.

Premier Patchitch, speaking at the conclusion of the debate in the Servian parliament declared that the treatment of the Servians in Macedonia had gone from bad to worse and that the Balkan states could no longer endure the suffering of their brothers across the border.

He insisted that the Ottoman government should be compelled to carry out reforms in the provinces of Turkey in Europe.

Sofia, Oct. 8.—The Austrian and Russian Ministers made joint representations to the Bulgarian Government on behalf of the powers at noon today.

They informed the Bulgarian Government that the powers strongly disapproved of the warlike attitude of the Balkan states and urged upon them a prompt cessation of the military concentration.

They advised the Government to leave to the Cabinets of the Great Powers the task of assuring Macedonian reforms.

SITUATION JEOPARDIZED

London, Oct. 8.—The declaration of war on Turkey reported from Cettinje to have been made today by the little kingdom of Montenegro forestalled the action of the European powers in favor of peace by only a few hours.

The Ambassador at Constantinople and the ministers at the capitals of Bulgaria, Serbia, Greece and Monte-

negro, had been instructed to make representations on behalf of their government this morning and a despatch from Belgrade confirms that their program has been carried out there. It is feared generally in diplomatic quarters here, that the action in which Montenegro has participated and the fighting reported to have taken place between Turkish and Montenegrin troops on the frontier, will jeopardize the whole situation and tend to frustrate the efforts of diplomacy.

It is thought likely that the other Balkan states may decide to follow the lead of Montenegro and throw their armies into Turkey to fight on behalf of those of their kinsmen and fellow Christians who they declare, have suffered so much of the Turkish oppression.

The situation of the Christians in Albania and Macedonia and the demand of the Balkan states that these provinces should be granted autonomous government, are the main causes of the crisis. It was in an effort to enforce a settlement of these questions that Bulgaria, Serbia, Greece and Montenegro ordered the mobilization of their armies. This led the Ottoman Government to call up some hundreds of thousands of its reserves and they, it is believed, have been concentrating rapidly at strategic points along the frontier. At the same time, the Balkan armies have been gathering in great numbers on the other side and it is calculated that something near a million men are face to face. Despatches from Constantinople received here during the night, say that military patrols were going round the city requisitioning all the horses. The military authorities too, had placed

TWO DEATHS RESULT FROM PROLONGED CARNIVAL

St. Malo, One., Oct. 8.—Two men are dead and three dying as the result of a prolonged carousal in the house of a doctor and of a mysterious drink which the physician is alleged to have mixed for the party.

Jos Desrocher, A. Desrocher, Plémieux, Jos Oulette, and Gandraud had been drinking heavily and exhausted their supply before they were ready to break up. It was then, according to the reports which are current that the doctor made up a drink of which the party partook. The ill effects became noticeable on Sunday when all five were found to be in a critical condition. Jos Desrocher and Plémieux died yesterday afternoon, and today small hopes are entertained for the recovery of their companions.

St. Malo is near Cookshire in the line of the Maine Central Railway and it is said that the doctor has fled to the United States.

SIR WILFRID IN TORONTO

Will Speak at the Annual Meeting of the Reform Association

Despicable Tory Tactics Exposed by Hon. George P. Graham at Mount Forest Meeting

Toronto, Oct. 8.—His tour of Ontario completed, Sir Wilfrid Laurier arrived in Toronto today to attend this afternoon the annual meeting of the Ontario Reform Association at the Temple Building and deliver an address. Five hundred invitations have been issued. Sir Wilfrid concluded his tour last night at Mount Forest, where he was assisted by Hon. George P. Graham and Hon. McKenzie King. Mr. Graham in his address stated that recently a fake notice of an Orange Lodge meeting appeared in a Toronto newspaper. It contained the customary cut of William crossing the Boyne and purported to summon a meeting of the Wilfrid Laurier Lodge, being signed by Mr. Graham and MacKenzie King. "These papers," said Mr. Graham, "have already been sent by Borden's agents to Quebec, to be reproduced in the French Canadian papers, to prove that Sir Wilfrid has deserted his religion and that the Orange Lodges own him."
