## AN OPEN LETTER

From a Well Known Methodist  
Clergyman of Interest to  
All Who Are Sick

One of the best known ministers in the Hamilton conference is the Rev. Chas. E. Stafford, of Elora, Ont., who freely admits that he owes his present good health to Dr. Williams' Pink Pills. Mr. Stafford writes as follows:

"Some years ago I was severely afflicted for a period of nearly four months. The leading physician in the town in which I was then stationed diagnosed my case as one of complete nervous prostration, brought on by over-work and which superinduced intercostal neuralgia and muscular rheumatism, from which I suffered the most excruciating pain night and day for weeks. So weak and helpless did I become that my attendants had to handle me like an infant, raising me up and laying me down with the greatest care, so intense were my sufferings. Acting on the advice of my doctor and taking his medicine, I did not seem to improve. One afternoon, while suffering great pain, the editor of the paper published in the town, and who was a member of the church of which I was then pastor, urged me to try Dr. Williams' Pink Pills. I was sceptical as to the medicinal qualities of all proprietary medicines, but on the strong recommendation of the editor, who had great faith in the medicine, I decided to try them. To my great surprise and supreme delight, I soon found that the pills were giving me relief, and after I had taken seven boxes I was fully restored to health. Dr. Williams' Pink Pills, under God, having made me a new man. Ever since I have been better and stronger physically than I had been for a number of years.

Three years ago, after an active ministry of forty-six years, I asked the Hamilton conference of the Methodist church to grant me superannuation relation, which it did but for more than two years I have been supplying a charge which necessitates a drive of twenty miles every Sabbath. Today I am strong and hearty, without an ache or pain, and for my present physical condition I am indebted to Dr. Williams' Pink Pills, and can most heartily recommend them to the afflicted."

Mrs. Oneyman: "If you never go to church with me, how are people to know that I am married?"  
Mr. Oneyman: "Oh, take the kids with you. I guess that will make people suspect the truth, at least."
