Mrs. Shaw Lunn, Falmouth, N.S., writes:—"I am dropping you a line to let you know what Dr. Fowler's Extract of Wild Strawberry has done for us. Last summer my little girl had diarrhoea so bad she passed blood. A friend told me of the Extract, so I sent and got a bottle of it, and six doses cured her. In December, 1911, my brother came home from the woods very bad with cramps and diarrhoea, and thought he would have to call the doctor. I thought of the bottle of "Dr. Fowler's" I had in the house, and gave it to him, and in three days he was as well as ever and went back to his work again. I would not be without it in the house if it cost twice as much."

See that you get Dr. Fowler's Extract of Wild Strawberry when you ask for it.
