"Fruit-a-tives Saved my Life"

NIAGARA FALLS, ONT., JULY 26th, 1911.  
"For thirteen years, I was a terrible sufferer from the tortures of Sick Headache, Indigestion, Constipation and Vomiting. I could not retain much food, and this, together with the pain, and headaches, was driving me to the grave."

Then I used "Fruit-a-tives" and almost at once I got relief.

"Fruit-a-tives" stopped the vomiting, relieved the Constipation, toned up the stomach, and gave me the first relief in years. I feel that I owe my life to "Fruit-a-tives" and for the sake of other victims of Indigestion and Headaches, I will allow this statement to be published."

HARRY DICKINSON.

"Fruit-a-tives" is sold by all dealers at 50c a box, 6 for \$2.50, trial size, 25c, or sent on receipt of price by Fruit-a-tives Limited, Ottawa.

## ORGANIZE TO FIGHT MURPHY

Rochester, Aug. 12--A movement to rescue the Democratic Party in New York State from the domination of Charles H. Murphy, the Tammany Hall leader, was launched here today at a conference of a number of representative leaders of the party, including several members of the State Committee. The special object of the movement is to prevent the Tammany Hall leader from dictating the actions of the coming State convention. It is hoped to accomplish this by making the fight in every county to send delegates to the convention who are opposed to Murphy.

## ELECTRIC CHAIR AWAILS MURDER BAND

New York, Aug. 10--Five members of the Italian highwaymen and murderers who terrorized the Croton Lake district in Westchester county a year ago are to end their careers in the electric chair in Sing Sing prison this week. Two of the band are still in their teens while the eldest is but little more than twenty one.

The crime for which they are to pay the death penalty was the murder of Mrs. Henry Hall, the young wife of a superintendent of the aqueduct near Croton Lake. On November of last year Mrs. Hall was attacked and robbed by a half a dozen of Italians who entered her cottage while her husband was at work a mile away. She was stabbed twice, one wound being near the heart.

The young woman, a bride of a few months, was in delicate health and was in care of a young woman nurse, who was also beaten and kicked, but who recovered sufficiently to run to the construction camp and spread the alarm.

A posse of sheriffs farmers and laborers took up the chase and succeeded in capturing five of the Italians who had participated in the diabolical crime. A sixth member Lorenzo Colli said to have been the leader of the gang was arrested in Brooklyn a few days later. Colli confessed to having been the actual murderer of Mrs. Hall. He was given a separate trial and was convicted and executed several weeks ago.
