SIR ROBERT THE ONE WHO IS RESPONSIBLE

Brockville, May 13.—A. C. Hardy, son of the late Hon. A. S. Hardy Premier of Ontario, was tendered, and accepted, the nomination for the Federal House, today, at the Liberal convention for the newly constructed riding of Leeds.

Hon. G. P. Graham was nominated but declined. In doing so Mr. Graham stated it would be a crime to foist an election on the people at this time. The one man he said who is responsible is Sir Robert Borden. While his Ministers may advocate going to the country, they are subservient to him, and it is for him alone to say whether Canada is to be plunged into a contest at this time of so much grief. The Liberals had supported all war measures and expenditures, and he considered the Opposition was justified in its criticism of graft. He had no objection to a war tax but there is just cause for complaint in its use to cover up reckless expenditure. Mr. Graham defended the action of the Senate in causing scrutineers from each party to oversee the soldiers' vote. In closing he said that if Mr. Borden would say there would be no election no Liberal conventions will be held other than those at present advertised.

Victoria Hall, where the convention was held, was filled, and the enthusiasm was boundless. Mr. Hardy is looked upon as a strong candidate, who, if elected, would be a valuable addition to any Parliament. W. A. Lewis was elected President of the association and A. G. Parish Secretary. In accepting, Mr. Hardy made a clean cut, brilliant address, showing that he is a worthy son of a worthy father.

NEW BRUNSWICK LAD WHO HAS MADE GOOD

Dr. Goldwin Inch Nugent, B. A., of Oklahoma was in St. John Friday, on his way to his home in Chipman, Dr. Nugent, who is a son of Chipman's veteran physician and surgeon, Dr. J. G. Nugent, is another of New Brunswick's young men who have "made good" in their chosen vocations.

After graduating from the Fredericton High School he matriculated from the University of New Brunswick and then went to Kansas where he entered the State University at Lawrence, taking a six years' course in arts, science and medicine. When the Post Graduate Hospital in Oklahoma City (Okla.) was in search of a house physician and surgeon, Dr. Nugent received the appointment being chosen from amongst a goodly number of competitors; and for the past two years in addition to other duties in the clinics, he has delivered two lectures each week on materia medica to the graduating nurses.

Hanaington Nugent who is also a legislator druggist. Dr. Nugent's many friends will wish him a pleasant tojourn in his native province.

MEMORIAL WINDOWS.

Two beautiful memorial windows have been placed in the north side of the Brunswick Street Baptist church in honor of the late Rev. T. H. Porter, a former pastor of the church, and Mrs. Porter. The expense was borne by the four sons of the deceased. The windows are of a very handsome design and attract much attention.

A VETERAN WHO WAS WITH LORD ROBERTS

Laid Low With Rheumatism—But Cured By "Fruit-a-tives".

CHATHAM, ONT., APRIL 3rd, 1913. "I am a veteran of the Crimean War and the Indian Mutiny, volunteered from the Royal Artillery into the Royal Engineers, and served under Lord Roberts during the Indian Mutiny, and am a pensioner of the British Government. Pierce hand-to-hand fighting and continual exposure left me a great sufferer from Rheumatism, so much so that my legs swelled up, making it impossible for me to walk. "Fruit-a-tives". They cured me of both the Rheumatism and Constipation. In my regular employment, I walk thirty miles a day and enjoy perfect health."

THE LUSITANIA

(Written for The Mail.)

The Germans have murdered another host
Near the coast of old Kinsals,
From the homes of the hapless people lost
Comes a heartstrung mighty wail!

O, when shall this wretched warfare cease?
Shall our loved one slaughtered lie?
Shall we ever be blessed by the beams of Peace?
We cry to thee, God most high.

Avenge this cruel and cowardly deed
And put the dark demon down,
By whom the hearts of our millions bleed
While we near the martyr's crown.

Arise in your might O men of the world
And end this fearful strife,
Let the despot down from the height be hurled
For liberty, Love and Life.

"You Don't Look Right, Jones"

Errors of living, among which tea or coffee drinking is one of the most common, has stirred the New York Health Department to prepare a booklet of suggestions for indoor workers, and among other wise bits of advice this booklet says:

"Bracers are harmful. This applies to the use of tea, coffee and alcoholic beverages."

Sound advice!

All over Canada, for years, tea and coffee drinkers indoor and out, prompted by their own feelings and enlightened by science, have gotten rid of tea and coffee troubles by changing to

POSTUM

---the pure food drink.

Postum, made of choicest wheat and a small portion of wholesome molasses, has a delicious snappy flavour, yet contains no caffeine (the harmful drug in tea and coffee) nor any other harmful element.

Postum comes in two forms;

Postum Cereal---the original form---must be well boiled, 15c and 25c packages.

Instant Postum---the soluble form---is prepared in the cup. A teaspoonful in a cup of hot water makes a delicious drink instantly. 30c and 50c tins.

Both kinds are equally delicious, and the cost per cup is about the same.
