CAPT. W. J. OSBORNE APPOINTED PROVISIONALLY TO 40TH BATTALION

Capt. W. J. Osborne of this city of the staff of the 6th Division, this morning received a telegram from divisional headquarters at Halifax informing him that he had been provisionally appointed captain in the 40th Battalion, Canadian Expeditionary Force. Capt. Osborne for the past few days has been in command for instructional purposes of the party of recruits enlisted here for the 40th Battalion. The battalion is to be mobilized at Amherst but no orders have yet been issued. It is reported that Major W. W. P. Gibbons of Belleville, Ont.

CAPT. W. J. OSBORNE, 71ST YORK REGT., WHO HAS A PROVISIONAL APPOINTMENT IN THE 40TH BATTALION.

PESSIMISTIC IN BERLIN.

Copenhagen, March 4.—A pessimistic view of the operations in the Carpathians where a combined German and Austrian force is struggling for the possession of the Middle Passes is held in Berlin, according to a private despatch from the German capital. The severity of the winter has told heavily on the Austro-Germans who have suffered heavily from frost bites, several hundred of them losing either hands or feet. It is admitted that the Russians after their retreat in Bukowina assembled enormous reinforcements and the entire Russian force now in Galicia is estimated at a million soldiers, more than half of them experienced men who are fighting in the present war.

AMERICAN PROPOSALS

Berlin, Mar. 4.—Germany's reply to American note concerning the naval war zone was handed to-day to American Ambassador, Mr. Gerard. It corresponds in general with the forecast of some days ago.

The Foreign Office characterizes the German reply as "acceptance with few modifications" of the American proposals.

The Reply suggests that, in accordance with the principals of international law, the importation should be permitted not only of foodstuffs, but also of such raw materials as are urgently necessary for the peaceful civilian population.

The American note and the German reply probably will be published here tomorrow afternoon.
