HER LITTLE BOY HAD PNEUMONIA

NEARLY LOST HIM.

DR. WOOD'S NORWAY PINE SYRUP SAVED HIM.

The slight cold, the irritating cough, the tightness of the chest, if not attended to, will sooner or later develop into some serious lung or bronchial trouble, and our advice to you is that on the first inception of a cough or cold "Get Rid of It."

Mrs. H. Washburn, Gasquet Station, N.B., writes: "I thought I would write and tell you just how much I appreciate Dr. Wood's Norway Pine Syrup, for I would not be without it in the house. Twice my little boy, now four years old, has had pneumonia, and nearly died, but since using Dr. Wood's Norway Pine Syrup I have kept him clear of even a cough. I often say that if it had not been for "Dr. Wood's" I would have lost him."

"My little girl, ten months old, is subject to bronchitis, but when she seems to be stuffed up and has difficulty in breathing I give her a few drops of Norway Pine Syrup every two or three hours, and in a very little while she is all well, in fact, on the first signs of a cold or cough we all fly for 'Dr. Wood's'."

You can procure Dr. Wood's Norway Pine Syrup from any druggist or dealer, but be sure and get "Dr. Wood's" when you ask for it, as there are many imitations on the market.

The genuine is put up in a yellow wrapper; three pine trees the trade mark; price 25c and 50c.

Manufactured only by The T. Milburn Co., Limited, Toronto, Ont.
