a part of the provincial revenue but is a perquisite of the auditor general, who from 1911 to 1914 drew \$300 extra for his services in this connection. A part of the reply said that the City of St. John did not comply with the provisions of the act because it is claimed that the sections requiring bonds to be certified does not apply to them.

**EARLIER CLOSING OF BARS.**

The amendments to the Liquor License Act introduced and passed yesterday afternoon provides that during the war the bars shall close at four o'clock on Saturday afternoon open at eight o'clock every morning and close at eight o'clock every night except Saturday, that no person shall sell any liquor to any officer or man of the active militia of Canada or of an overseas contingent, if such officer or man be wholly or partially dressed in uniform.

Another section provides that his license can be cancelled if any person is convicted on a second offense of sending liquor for sale into a prohibited territory and further that every package shipped into prohibited territory shall bear a label containing the full name of the person shipping such liquor and of the person to whom it is to be delivered. For violation of this the penalty is \$50 and forfeiture of the liquor.

The House adjourned until Tuesday at 8.30 p.m.

**A MUSICAL TREAT**

Music lovers will be pleased to learn that the Harmony Male Glee Club of St. John will give a concert in the Opera House here on Thursday evening next, which should prove to be one of the musical events of the season. The club which is composed of about twenty-five of St. John's best male singers, recently gave a concert in their home city and created quite a sensation, every item of their programme being enthusiastically endorsed. The concert will be for the benefit of The Provincial Chapter of N. B. Imperial Order Daughters of the Empire so that a bumper house should be in order. The plan of reserved seats will be open at Ryans Drug store on Tuesday to ticket holders, and on Wednesday to the general public. No one should miss this exceptional treat. Sat.—Mon.—Tues.—

**Dame Couchard Found New Health  
 In Dodd's Kidney Pills**

NOW SHE IS ADVISING ALL HER FRIENDS WHO SUFFER FROM KIDNEY DISEASE TO USE DODD'S KIDNEY PILLS.

Portneuf, Hamilton Cove, Saguenay, Co., Que., April 23rd.—Special—Perfectly cured by the use of Dodd's Kidney Pills, Dame Rene Bouchard, well known and highly respected here, is advising all her friends who suffer from Kidney disease to use Dodd's Kidney Pills.

"When I commenced to take Dodd's Kidney Pills I was so run-down I only weighed eighty pounds," Dame Bouchard states. "I only took four boxes in all but they brought me back to health and now I weigh one hundred and twenty pounds. You may publish what I say if you wish, for Dodd's Kidney Pills have done wonders for me."

Dodd's Kidney Pills do wonders for run-down people because they cure the Kidneys. Cured Kidneys strain all the impurities, all the poison, out of the blood and the pure blood carries new nourishment, health and life to all parts of the body. That's why so many people say, "Dodd's Kidney Pills gave me a new lease of life."

**WONDERFUL RECORD OF A  
 WONDERFUL CURE**

Only Remedy That Acts On All Three  
 Of The Organs Responsible For The  
 Formation Of Uric Acid In The Blood.

Many people do not realize that the Skin is one of the three great eliminators of waste matter from the body. As a matter of fact, the Skin rids the system of more Urea (or waste matter) than the Kidneys. When there is Kidney Trouble, Pain In The Back and Acidic Urine, it may not be the fault of the kidneys at all, but be due to faulty Skin Action, or Constipation of the bowels.

"Fruit-a-tives" cures weak, sore, aching Kidneys, not only because it strengthens these organs but also because "Fruit-a-tives" opens the bowels, sweetens the stomach and stimulates the action of the skin.

"Fruit-a-tives" is sold by all dealers at 50c. a box, 6 for \$2.50, trial size, 25c. or will be sent postpaid on receipt of price by Fruit-a-tives Limited, Ottawa.

**JUST WHAT HE WANTED.**

With the last drop of gasoline gone, Umson found his machine stalled by the roadside, fully six miles from Struthers, at three o'clock in the morning. He was overjoyed when he saw approaching through the darkness the glimmer of a lighted lantern. A low rumble soon gave evidence that the light was attached to a vehicle of some kind and soon a wagon, drawn by two stout horses, hove into sight. "There's a five-spot in it for you if you tow me into town," hailed Umson.

The driver readily consented. For an hour or more they rode in the approaching dawn.

Just before they reached the village Umson called to the man on the wagon seat:

"Pretty early to be on the road, isn't it?"

"Yes," the driver returned, "but I have to be out early to get all over my route."

While he was handing over the five dollars, Umson inquired:

"What is your business?"

And he nearly dropped in his tracks when the man replied:

"I peddle gasoline in the village."
