NEW BRUNSWICK TELEPHONE COMPANY HAS GOOD YEAR

The annual meeting of the New Brunswick Telephone Company was held here last night. The financial statement and the annual report of President S. H. White showed that the company had had a very successful year. Directors and officials were re-elected. The usual dividend of six per cent and a one per cent bonus, payable April 15, were passed. During the year the increase in the number of telephones was 1171. In Fredericton the increase was fifty-seven. Of 15,690 instruments on the company's system, 6,115 are in St. John.

PATRIOTIC VOTES.

Last night the company followed up its contribution of \$1,000 to the Patriotic Fund by voting \$500 to the Belgian Relief Fund and a like amount to the fund for travelling kitchens for the 26th Battalion. Appropriate references were made to Lt. Col. Black and Lt. Col. McAvity, directors, who are about to go on active service. During the year \$70,000 was spent on new work. A private branch exchange of 108 instruments for the I. R. C. at Moncton and another one at St. John were installed. About 170 miles of circuit in rural development was built and the St. John-St. Stephen circuit was improved.

The board of directors was re-elected by the shareholders, the personnel remaining as several years, viz.: S. H. White, Sussex. Senator F. P. Thompson, Fredericton.

Lt. Col. Black and A. W. Bennett, Sackville. H. P. Robinson, St. John. F. B. Carvell, M.P., Woodstock. F. W. Sumner, Moncton. R. O'Leary, Buctouche.

Lt. Col. J. L. McAvity, R. B. Emerson, and J. M. Robinson, St. John. G. W. Ganong, St. Stephen. L. B. McFarlane, Montreal. A. R. Shipp, M.P.P., Fredericton. W. B. Snowball, Chatham.

At a later meeting of the board of directors officers were re-elected as follows:

President, S. H. White. 1st vice-president, Senator Thompson.

2nd vice-president, Lt. Col. Black. These officers and Messrs. Bennett and Robinson compose the managing board.

A. W. MacMackin of St. John, was re-elected secretary-treasurer.

'PRESIDENT'S REPORT.

The report of the president was as follows:

To the Shareholders: Of the New Brunswick Telephone Company, Limited:

The Directors of the Company beg to submit herewith their Annual Report and a Financial Statement of the affairs of the Company for the fiscal year ended March 31, 1915.

Your Board regrets to state that since submitting their last annual report a world-wide war has begun. The Province of New Brunswick and Canada as a whole, are manfully bearing their share in this titanic struggle, not only on account of being an integral part of the vast British empire, but also because they firmly believe that the cause which Great Britain is espousing (namely, the right of weaker nations to exist and the sanctity of a pledged word) is a just and righteous one.

Your Board during the last year, subscribed \$1,000 to the Canadian Patriotic Fund and also guaranteed to four of its employees who have enlisted for foreign service that upon their return their positions would be open for them. This action we feel, will meet with your unqualified approval.

While we all firmly believe that the cause of right will eventually triumph, it is beyond any man's power to predict the length of this sanguinary struggle and we who stay at home must be prepared not only to do all in our power for those fighting the battles of the empire, but we must expect serious depression along certain trade channels. This will naturally affect public corporations such as telephone companies, and in view of this fact, it is not surprising that the normal increase in users of the telephone in New Brunswick has not been maintained. The increase last year was 1171 phones as against 1604 and 1624 in each of the two years preceding. We believe, however, that trade depression has been less evident in New Brunswick than in any other province in the dominion.

Your Board have continued to give the patrons of the company a well equipped service and with this end in view, have materially increased the efficiency of the service between St. John and Calais by installing loading coils, thus making possible commercial service from St. John to New York and Montreal.

With the same object in view your directors had a 60 pair, 19 gauge, double armour submarine cable laid across the St. John Harbor to connect the main and west exchanges, thus substantially improving this service.

One hundred and seventy miles of rural circuit have been erected during the year and the development in cities

and towns has, under the circumstances, been all that could be expected.

The year has, from the standpoint of the directorate, been satisfactory. Practically no complaints have been brought to their attention. This fact testifies not only to the popularity of the service but also to the courtesy, tact and general efficiency of the employees and staff.

All of which is respectfully submitted.

S. H. WHITE,
Fredericton, N.B., President.

HAD INDIGESTION

FOR OVER 10 YEARS.

ALMOST DESPAIRED OF EVER GETTING WELL.

Indigestion is one of the worst forms of stomach trouble. The stomach becomes upset and you have a raw, debilitating feeling in it. After a meal you feel that you must get rid of that nasty, bilious, burning sensation. It is not necessary for you to be troubled with indigestion if you will only try that old and well-known remedy, Burdock Blood Bitters, which is a combination of nature's best known roots, herbs and barks for the cure of all stomach and blood troubles.

Mrs. Mary MacKay, Hunter's Mountain, N.S., writes: "I was troubled with indigestion for more than ten years. I tried several doctors' medicines claiming the power to cure, but all without success. Having heard of the many cures effected by Burdock Blood Bitters, I decided to give it a trial. After taking two bottles I was completely cured. My appetite which was very poor is now good, and I can eat most everything without any disagreeable feelings."

I can strongly recommend B.B.B. to anyone suffering from indigestion. B.B.B. is manufactured only by The T. Milburn Co., Limited, Toronto, Ont.

An Ottawa despatch to The Montreal Star says:

"It is now affirmed in Liberal circles that the course of events in the Old Country justifies the claim of the opposition leader and that the Liberal party in Canada cannot be condemned for undue opposition to the government's war policy as compared with the fierce criticism by the Conservative opposition in Great Britain."

The two great parties in the Old Country are to form a coalition government for the purpose of prosecuting the war. Here in Canada Bob Rogers is trying his level best to plunge the country into the turmoil of a khaki election.
