DONALD ERASER, JR., HEAD OF
N. B. BRANCH OF THE ALLIANCE

The meeting of the New Brunswick Branch of the Dominion Alliance closed last night. The night session was a brief one the majority of the delegates leaving by C.P.R. at 9 p.m. Officers were elected yesterday afternoon. Mr. Donald Fraser, Jr., of Plaster Rock succeeded Mr. C. W. Weyman, Ex-Min. W. G. Clark of this city succeeded Mr. A.C.M. Lawson also of this city as treasurer. At the afternoon session a provisional and a permanent policy were adopted for the purpose of strengthening the Alliance in New Brunswick and bringing about provincial prohibition.

During the afternoon there were addresses by certain ladies of the Women's Christian Temperance Union including Mrs. J. J. Colter and Mrs. Cyrus Burt of Fredericton and Mrs. Henegar of St. John. Major C. G. Pincombe commanding officer of the C. Company, 104th Battalion, addressed the convention upon the subject of temperance from a military standpoint. Rev. Richard Opie, president of the New Brunswick and Prince Edward Island Methodist Conference also spoke.

The accounts of the secretary-treasurer Mr. A.C.M. Lawson and the report of the auditing committee were received and passed.

The report of the special committee on the policy of the Alliance was passed in the following form:—
1. That we ask for Prohibition and request an immediate answer from the Government.

2. That a committee be appointed from the delegation to meet and confer with a committee from the Government to draft a Prohibition Bill.

3. If delegates deem it necessary the president to call an immediate meeting of the Alliance after the government has been interviewed.

4. That we use all legitimate influence in the primaries to nominate men of sound temperance principles.

PERMANENT POLICY

1. Organization.
(a) We suggest the appointment of an efficient organizer with a salary of two thousand dollars per year and all travelling expenses paid.

(b) Choice of organizer and time of appointment left with the executive.

Co-ordination.
We would emphasize the necessity of a closer co-ordination of all existing temperance societies, including lodges of the I.O.G.T., Divisions of the Sons of Temperance, W.C.T.U. Uplifts, Temples of Honor, Churches and Sunday Schools and other societies.

Meetings of the Executive.
That the executive meet quarterly viz: the second Wednesday in December, March, June and September.

2. Finance.
We suggest the appointment of a permanent Finance Committee from the Alliance and would suggest the following policy:—

(a) The forming of a budget of a lease of \$4000.

(b) The calling on of members throughout the province for regular subscriptions.

(c) A Temperance Sunday, preferably the second Sunday in November, to be set apart for special offering in a manner similar to Lord's Day Alliance and Bible Society.

(d) That all temperance societies be asked to assume responsibility for a certain amount to be contributed to the Alliance.

3. Education.
(a) We advocate that all homes become centres of temperance instruction and education by the judicious use on the part of parents of good literature and counsel.

(b) That our educational authorities and school trustees be pronounced in their advocacy of temperance principles, and that existing temperance text-books be used to the highest possible advantage.

(c) That a feature be made in temperance societies of such educational work as the injurious effect upon the nation of alcoholic drinks from the economic social physiological and moral point of view and that the press of the country be used for propagating temperance principles.

(d) That in the churches one Sunday a year be devoted to the aims and objects of the Alliance, special prayer being offered for the work, and that in every Sunday School throughout the province the children be given an opportunity once a year for signing the temperance pledge.

THE NEW OFFICERS

After the report of the nominating committee had been received and adopted the new president Mr. Fraser was called to the chair and made a brief speech thanking the Alliance for the honor conferred upon him. The retiring president Mr. Weyman thanked the Alliance in a short address, for the assistance given him during his term of office. The officers are as follows:—
President, Donald Fraser, Jr.; first

vice-president, Rev. Thomas Marshall; vice-presidents, Dr. W. H. Smith, Bishop Richardson, C. W. Weyman, A. McG. Macdonald, E. N. Stockford, S. C. Alward, Rev. R. Opie, Rev. J. A. WOUNDED MEN SLUNG
OVER POLES, STRETCHERS USELESS

(Continued from page eight.)

position was like a bush-fire with bursting shells. Our loss was worst from shell fire. The wounds the shells made is terrible. We had a hot time for about twenty minutes after we had retired but our artillery soon stopped them.

My squad had a busy time. It was all "first aid" work and we got great praise for our work. Stretcher drill is no good here in the trenches as we cannot use stretchers. We had to strap the wounded to poles and carry them in Indian coolie fashion. It is a terrible job but I am glad to say we got them out in good shape. I am rather proud of it as I taught the section its work.

Our battalion got great praise for their work by the general. We had one man wounded who lay for thirty-two hours out in front of the German trenches and he was brought in alive by some of the men who stole out at night.

I hope I shall get through this safely and see all friends in Fredericton. Remember me to all the brothers of the Lodge and thank them for their kindness. I must close, with kind regards.

Your friend,
H. T. SPARE.

PASSED AWAY AFTER
LINGERING ILLNESS

The death occurred last evening at his home on Northumberland Street, of Mr. John Taylor an aged and highly respected citizen. He had been in a helpless condition for the past seven months suffering from paralysis. The deceased was a native of Fredericton having been born in this city in 1832. He was a son of the late Wm. P. Taylor, and a brother of the late George T. Taylor, the well known landscape photographer. During the active years of his life Mr. Taylor was engaged in mechanical engineering and machine work, in which line of work he was acknowledged to be a decided genius.

When a young man he was a member of the Fire Department and built many of the old time hand fire-engines used throughout the province. In the year 1888 he was appointed to the position of chief engineer of the city water works, which position he filled faithfully for twenty-one years, when failing health compelled him to retire.

Mr. Taylor was a man of quiet disposition and sterling character. He was never married and is survived by one sister, Miss Susan Littlewood Taylor, who lived with him at the old homestead, C. A. Taylor of this city, and W. P. Taylor barrister of Calgary, are nephews of the deceased.

The funeral will take place from his late residence on Thursday afternoon with services at the house at 2.30 p.m., Rev. Canon Cowie officiating. Interment will be made at the Rural Cemetery.

DIED

TAYLOR—On the 7th inst., at his home on Northumberland street, City, John Morrison Taylor, in the 84th year of his age. Funeral from the house at 2.30 o'clock Thursday afternoon. No flowers by request.
