How do You test Shingles?

A roof is not a thing to be chosen lightly. You are bound to choose *metal* as sure protection from lightning and fire. But how can you tell which is best?

Let us tell you how we test PRESTON Safe-lock SHINGLES. Admit we have as much at stake as you. We think we have more. Our whole future depends on the iron we put on your and your neighbors' barns. The life of our business is the farmers' good-will. So our own test is severe. It is our own way of insuring our business against failure.

The galvanizing which forms the protection from rust and ruin, we put to the British Government tests—acid tests. This is harder on galvanizing than the storms, the wind, the heat, the frost of twenty years. But, when we send out PRESTON Safe-lock SHINGLES we know that they will give the best service, bring new friends and new business.

PEOPLE OFTEN SAY

"How Are We To Know When Tho Kidneys Are Out Of Order?"

EASIEST THING IN THE WORLD!

The location of the kidneys, close to the small of the back, renders the detection of kidney trouble a simple matter. The note of warning comes from the back. The kidneys become overtaxed and fail to do their work at nature's call.

Backache is the signal sent out by the kidneys the minute they become overtaxed. Those who heed the warning when it first comes, usually have but little trouble.

The danger lies in delay. Doan's Kidney Pills stimulate the action of the kidneys, and enable them to perform their duty perfectly.

Mrs. Greig Murphy, Lower Ship Harbor East, N.S., writes: "I have used Doan's Kidney Pills in my family with great success, and don't think there is a better pill for the kidneys. I was very miserable with my back, and could hardly get about. I got a box, and tried them, and found that they were really good, so I took in all about six boxes, and soon found my back cured, and my kidneys as well as ever."

Doan's Kidney Pills are 50c per box, 3 boxes for \$1.25; for sale at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

When ordering direct specify "Doan's."

SUPPLIES RUNNING SHORT

(Central News Correspondence)

Petrograd, March 8—A German order of the day which came in to the possession of the Russian troops near the river Narew demanded that Russian soldiers should be captured in order that the position of the Russian soldiers might be ascertained. For this purpose the digging of "wolf traps" was recommended.

In the order the German soldiers were instructed to capture all supplies of food and raw material and to send their booty to the interior of East Prussia.

As further evidence that the Germans are short of supplies is pointed the belief that certain recent manoeuvres of the Germans can be explained only as a search for potatoes.

Plurisy Pains Vanish!

Chest Colds Cured!

NERVILINE HAS NEVER

FAILED TO CURE

Don't suffer!

Nerviline is your relief. Nerviline just rubbed on, lots of will ease that drawn tight feet over your ribs, will destroy the pain will have you smiling and happy in no time.

"I caught cold last week while motoring," writes P. T. Mallory, from London. "My chest was full of congestion, my throat was mighty sore, and I had the fiercest stitch in my side you could imagine. As a boy I was accustomed to have my mother use Nerviline for all our minor ailments, and remembering what confidence she had in Nerviline, I sent out for a bottle at once. Between noon and eight o'clock I had a whole lot of rubbed on, and then got into a perspiration under the blankets. This drove the Nerviline in good and deep, and I woke up next morning fresh as a dollar and absolutely cured. Nerviline is now always part of my travelling kit, and I will never be without it."

The large 50c. family size bottle is the most economical, or you can easily get the 25c. trial size from any dealer.

THE BIG FIGHT

COMES OFF TODAY

Havana, April 4—Jack Johnson and Jess Willard yesterday completed their training for their forty-five round fight for the world's heavyweight championship on Monday. It was the last public appearance of the pugilists before they enter the ring.

Their final work was watched by the biggest crowds since the arrival of the fighters in Cuba. At the end of the day's exhibition the same uncertainty and doubt as to the probable winner pervaded the minds of those followers of pugilism as had been apparent during the past two weeks.

Rev. Mr. Fulton of Chatham, was a passenger to the city by the I.O.R. train today.

Employing one hundred and twenty five men, the Great Western plant of the American Sewer Pipe Company, at Empire, Ohio, will resume operations soon.

Wealth has its penalties. You never hear of a poor man spending money for dyspepsia tablets.
