SIR WILFRID'S STAND

"I affirm it with all my power that it is the duty of Canada to give to Great Britain in this war all the assistance that is in the power of Canada. My confidence in the present Government at Ottawa does not come from the soles of my boots, but at the outbreak of the war I considered it my duty to support it in its war policy. I have supported it in that policy ever since and I will support it again. The reason is that this war is a contest between German institutions and British institutions. British institutions mean freedom. German institutions mean despotism. That is why we Canadians have such a vital interest in this war."—Sir Wilfrid Laurier at Sherbrooke.

TRIBUTE TO WOMAN

Col. Henry Watterson, editor of the Louisville Courier-Journal, recently celebrated the fiftieth anniversary of his wedding. She who has stood by his side "in sunshine and shadow" during these fifty years inspired this tribute to women from the Colonel's pen:

"The Courier-Journal prides itself upon the blessed truth that woman was created to civilize and humanize man; that she is a superior being; that without her we would drop into savagery, that without the ballot she has achieved the crown of glory God designed for her when He made her the moral light of the universe; the home builder and the shrine maker, securing to the man, to her children and to herself one spot on earth where love abideth, which may not be invaded by the selfishness, the hatred and slime of rival ambitions, within whose sweet and safe seclusion and repose the religion of Christ may continue to be cherished and taught, and whence prayers of adoration and gratitude may ascend to heaven."

The announcement is made that the federal government has decided to inaugurate a mail service on the Valley Railway. The government is operating the road and it is also paying stage drivers for hauling the mails from point to point along the line. The establishment of a railway mail service under the circumstances, is simply a matter of business and there is no reason, unless there is an election in sight, why the thing should be exploited in a way that will enable cheap Tory politicians to make capital out of it.

It is told of a British soldier, supposed to have been blinded beyond cure in battle, that on hearing a well loved song the tears which came into his eyes restored his sight completely. Another soldier, whose memory had been wrecked, hearing the song "Mother Machree," kept repeating the word "mother" until it proved the key to his recollection and unlocked the whole of his previous existence.

California has built eight hundred miles of concrete roads during the last three years and New York State ranks second. Such roads are also being laid extensively in Michigan, Illinois, Wisconsin and Iowa. The cost per mile for a fifteen-foot road is about \$7750.

Noting that the automobile bills of the City of Boston have increased in the last eleven years from three thousand to one hundred thousand dollars the city finance commission is urging the city council to take some action that will curb joy riding on the part of city officials and also limit the idle hours of municipal chauffeurs.

Mrs. Martha V. Bense surprised hearers in the Superior Court at Boston, recently, by testifying that she usually carried four or five thousand dollars in cash on her person—in her shoes, toes of her stockings and in the bosom of her dress.

The Boston Globe remarks that "the British soldiers who broke up a peace meeting in London, threw the speakers from the platform and turned the gathering into a recruiting meeting, would like, perhaps, to have a chance to gather on the pier to welcome Henry Ford."

Toronto Star:—Next spring, when the war looks as if it were about to end, there may be a great rush of late comers offering to enlist, but that will be too late for a man to win his own approval or that of other people by offering to enlist.

Michigan State inspectors are after dealers who feed bird-shot to chickens to increase their weight. Crops of some chickens on the Grand Rapids market were found to contain more than a pound of shot.

PIRESENTIAL WEDDING, AS IT MIGHT HAVE BEEN

At the bride's home last Saturday W. Wilson and Edith Bolling Galt were united in the holy bonds of wedlock, Parson Smith officiating, assisted by Parson Taylor. Relatives and friends attended. The couple were surrounded by cut flowers, ferns and potted plants as the words that made the twain were uttered, the single ring service being used. The bride looked charming in velvet trimmed with real lace, and carried lilies of the valley. The groom wore the conventional black. Supper was had by all following the ceremony, caterer unknown. The happy couple left on the 11.40 flyer for a tour, destination Hot Springs. On returning they will reside at Washington where the groom has a good position in which he is making a name for himself. A long and happy life is the universal wish.

Suffered No End of Pain FROM BACKACHES.

If a pain attacks you in the back you should stop and think what it is and what causes it.

If the kidneys are at fault—and in nine cases out of every ten they are—you should attend to them at once, as it is impossible to have a well, strong back unless the kidneys are performing their functions in a proper manner.

Anyone with a bad back should appreciate how to get a good one. It is a very simple matter. Use Doan's Kidney Pills. They regulate the kidneys, and there is no further excuse for any kidney trouble to exist.

Mrs. E. J. Graves, Oshawa, Ont., writes: "My complaint lies with my kidneys. I have suffered no end of pain with them, and with backaches. I had tried everything, so I thought, until a friend advised me to try a box of Doan's Kidney Pills. I did try them, and one box helped me fine, so I got another, and now feel that I cannot recommend them too highly to anyone suffering with kidney trouble."

Doan's Kidney Pills are the original kidney pills. Do not accept any substitutes put up under similar names. Always see that our trade mark "The Maple Leaf" appears on the label and wrapper.

Doan's Kidney Pills are 50c per box, 3 boxes for \$1.25; at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.
