

SOVEREIGN BANK WINS CASE IN APPEAL

(Montreal Mail)
The Court of King's Bench Appeal Side presided over by Sir Horace Archambault and Mr. Justice Tremblay, Lavergne, Cross and Carroll, has sustained the judgment of Mr. Justice Dunlop for \$13,916.20 with interest and costs for the plaintiff in the case of the Sovereign Bank of Canada, against W. Pyke. The Bank in the original action, sued the defendant for \$13,916.20, the amount of three cheques which it was alleged were used to purchase ninety-seven shares of the capital stock of the bank. The defendant pleaded that he had not received the value of the cheques and was therefore not responsible. He claimed that on February 23, 1907, he had an interview with Duncan M. Stewart, then manager of the bank, who stated that he had been requested by certain persons to buy for them stock or shares of the Sovereign Bank, but as he could not do so in his own name he requested the defendant to do so promising reimbursements of any money expended and telling him that the shares were to be bought through J. R. Meagher.

The bank to this answered that if Stewart had acted as mentioned

BROKE HIS PAROLE.

George Cosoch, an Austrian, was arrested Saturday afternoon by Policeman Marshall at Sam Campbell's beer shop, King street. The arrest was made on the strength of a telegram from Capt. H. Clay of Springhill, N.S. Cosoch had been paroled at Springhill as a prisoner of war but had broken parole and gone to St. John. He came to Fredericton about ten days ago. An escort is expected here from Springhill to take Cosoch back. Frank Webber, a German arrested at Minto for the same reason and held here, will also be sent back to Springhill.

Interment will be made at Sunnybank Cemetery.

which it denied the said Stewart was not acting as plaintiff's agent or manager, and that the said acts did not fall within the scope of his duties as manager.

SOMETHING BIG PROMISED

London, April 12--The war offensive in the Woevre which, according to official reports from Paris, continues to make progress, although the German reiterate that all the French attacks have been repulsed, it is believed is but the prelude to a big general effort in the west.

With the two general staffs in direct conflict it is difficult to gauge the results of the fighting. Military experts however, express the conviction that the Germans will be compelled to send reinforcements to strengthen their wedge which penetrates to St. Mihiel, and which is being attacked on both flanks, and that as soon as this movement begins the Allies will strike at the point thus weakened, and perhaps the whole line.

With the operations in this district of France those in the Carpathians interest, which is being barely satisfied with the meagre official reports from the various headquarters.

The Russians are apparently making progress. They are in possession of the whole principle chain of the Carpathians, and at some points are descending the southern slopes and are approaching, if they are not already in the Uzsoh Valley south of the pass of that name.

SOCKS ARE WANTED FOR SOLDIER BOYS

The Regent, Mrs. E. Atherton Smith, officers and members of the Royal Standard Chapter of the Imperial Order of the Daughters of the Empire are issuing the following appeal.

A strong and urgent call comes from the Canadian War Contingent Association of London, of which the Hon. Geo. Perley Acting High Commissioner is the president, for supplies for our men at the front.

Mr. Bolmer in writing states that the great need is for SOCKS SOCKS-SOCKS. He assured us that contributions sent through them will be forwarded at once to our men in the trenches and at the firing line. The following telegram in answer to questions about our socks, was received from Mrs. Plumtree-Superintendent of Supplies for the Canadian Red Cross Society and speaks for itself.

"Socks sent by Red Cross Society distributed to sick and wounded whenever required but not to men in the trenches who receive them through field comforts."

Our chapter realizing the great need for the comfort of those upon whom are now falling the great hardships of the war, and knowing well that every woman and daughter of New Brunswick will endeavor to supply that need have organized a SOCK DAY for the 21st of April and are sending out the following invitation to the women of St. John and the Province.

"Went you come with your friends to a Sale and a Tea

"By the Royal Standard Chapter L.O.D.E.

"It will be held in April 21st day

"You'll miss some fun if you stay away

"A pair of socks is the admission fee

"Tied up neatly—and inside you see

"Your name and address should be written plain,

"With a note to your soldier across the main.

"Kindly come and help the good work

"This is no time that any should shirk

"We know our lads their duty will do,

"Let's do our parts to help them through."

Will every woman who reads this, kindly bring or send a pair of socks. The social will be held in the Knights of Columbus Hall but those unable to be present will please mail their socks with their full name and address to Miss Ethel Jarvis, 143 Duke St., St. John. Should they be ready for the 21 they can be sent the following week to the address.

"Who will help? For King and COUNTRY NEED YOU."

MORE ELECTION TALK

parties, he sent to the front to take the votes.

Hon. C. J. Doherty replied that he intended to move an amendment whereby the ballots of the soldiers would pass from the chief paymaster of the overseas contingent to the regimental paymasters, who would distribute them to the commanders of companies and squadrons. He doubted the practicability of a plan under which two men would take the votes, although he admitted the possibility of having the work done by a company of men.

Mr. Pugsley said that under the bill as it stood, a Sikh who had been in British Columbia only thirty days before enlistment, would have the vote, as he was a British subject.

NO VOTES FOR JACKIES.

Hon. Charles Macle asked if the government had finally decided to extend the franchise to the men in the naval service. Mr. Doherty said that he was afraid that decision would have to be taken as final, for the present, at least.

Mr. Oliver moved an amendment to provide that the soldier should vote in every case in the constituency in which he had spent thirty days before enlistment.

He proposed to eliminate the provision that soldiers already on the list should vote in the riding in which they were registered.

Hon. Mr. Doherty said that he would take all the suggested amendments into consideration and would probably make several modifications in the bill.

The committee rose and reported progress and the measure will again be discussed on Monday.

PRISONERS RELEASED.
