ALDERMEN DISCUSS RIGHT OF CITY TO REMOVE BUILDING

Inspector Asked to Report on One Case—Special Committee to Consider Matter of Increasing Office Accommodation For Police Magistrate—The Dump Question.

The regular September meeting of the City Council was held last night and was not lengthy. All members except Ald. Osborne were present. The delegates to the Union of Municipalities Convention reported and the expenses of the convention were paid. The matter of providing additional office-room for the police magistrate was referred to a special committee. There was a lengthy discussion over the powers of the city in regard to removing unsightly buildings and an alleged instance was referred to the building inspector to report.

AUDITOR'S REPORT.

The auditor's report on expenditure was adopted as follows:

Water	\$1,306.51
House connections	248.99
Water construction	208.46
Public works	759.86
Roads and streets	711.45
Wharves	18.16
Street lighting	765.30
Fire	117.46
Administration of justice	521.39
Canada Temperance Act	7.00
Municipal Home	111.80
Market and scales	8.00
City Hall	169.94
Assessing and collecting	16.09
Licenses	6.50
Contingent	32.30

Total\$4,899.16

MUNICIPAL HOME.

Reporting for the Municipal Home Committee, Ald. Baxter reported expenditure on outside relief during the month to be \$53.75 and expenditure on the Municipal Home to be \$108.68, a total of \$162.43. On his motion a cheque for \$150 was ordered to issue in favor of Commissioner T. C. Niles.

TAX COLLECTIONS.

Ald. Reid reported on tax collections as follows:

August, 1914	\$57,000.00
August, 1915	66,730.36
The excess of August, 1915, over August, 1914, was almost \$10,000. The public evidently was realizing that taxes must be paid and more people were taking advantage of the discount period.	
On the motion of Ald. Reid, a cheque for \$3,000 was ordered to issue in favor of the School Board.	
Ald. Walker reported that the cost of alterations and renovation at the police station and police courtroom was as follows:	
Labor and material	\$107.38
Painting	174.50
Furnishings	38.00

Total\$319.97

On the motion of Ald. Lemont, a cheque for \$175 was ordered to issue in favor of Secretary Temple Sutherland of the Fredericton Brass Band for open-air concerts. The number of concerts, said Ald. Lemont, had been smaller than usual but the services of the band had been issued in connection with the recruiting campaign. However, he understood that the band would donate a number of concerts to the public.

DELEGATES REPORT.

The report of delegates to the Union of New Brunswick Municipalities being called for, His Worship Mayor Mitchell spoke in high praise of the work of the convention and of the value of it. The work of the Entertainment Committee was particularly mentioned by His Worship.

Ald. McKnight spoke in praise of the work of the convention but regretted that the sessions were so short.

Ald. Lemont said he was a thorough believer in such conventions and thought the Union should be encouraged.

On Ald. Lemont's motion the thanks of the Council was extended to all citizens who loaned autos for entertainment of visiting delegates and to the managers of the industries visited by the delegates.

Petitions from Timothy Murphy and D. McCatherin Sr., praying that they be relieved of payment of poll-tax were referred to the Assessment Appeals Committee.

A petition of D. McCatherin Sr., protesting against an increase in assessment valuation of his real property in Charlotte street was referred to the Assessment Appeals Committee.

THE DUMP QUESTION.

A communication from the Board of Health asking that a new dump be furnished to take the place of that at the foot of Westmorland street which has been closed, was received.

Ald. Lemont suggested that Ald. Wilkinson and Ald. McKnight, as those responsible for the motion to close the Westmorland street dump, be heard from.

Both Ald. Wilkinson and Ald. Walker spoke, stating that they would not retire from the position

they took formerly regarding the Westmorland street dump. Ald. Everett wanted a new dump provided as soon as possible.

On the motion of Ald. Lemont, seconded by Ald. Walker, the matter was referred to the Roads and Streets Committee.

RAILWAY RIGHT-OF-WAY.

The communication from Slipp & Hanson containing the terms offered by the government for the right-of-way of the St. John & Quebec Railway through city land under lease to the Palmer-McLellan Shoopack Company and that reserved for an extension of Aberdeen street, was referred to a special committee.

MATTER OF BUILDING.

Ald. Burnett brought up the matter of an unsightly building on the property of Henry Cronkwhite, York street, which he said should be removed. He thought the building inspector should act.

Ald. Walker thought the matter should be dealt with by the Board of Health. Action of some kind certainly should be taken.

Ald. Wilkinson counselled less haste. He was doubtful what powers the city had.

Ald. Everett was of a like mind. He did not know the city's powers. It was certainly the case that unsightly buildings existed all over the city.

His Worship pointed out that this proved that the City of Fredericton should take advantage of the Town Planning Act of New Brunswick. In the present instance he thought the building inspector should act.

Ald. Walker stated that the building inspector had said he had no power to act.

Ald. Barker stated that Mr. Cronkwhite was desirous of selling the building.

Ald. Lemont thought the matter was one for legal opinion.

City Clerk McCready said he was not acquainted with the case under discussion. He could say, however, that the Building Act was very much confined.

Ald. Burnett stated that all he wanted was that the building inspector report on this matter.

On motion the matter was referred to the building inspector to report to the Fire Committee.

Ald. Walker read a communication from Police Magistrate Limerick asking for increased office accommodation. On his motion the matter was referred to a committee of three—Ald. Walker, Ald. Lemont and Ald. Wilkinson.

The Council then adjourned.

SOME DAY.

PENNAC.

Penniac, Aug. 31—Again this community has been saddened by the death of our esteemed friend and neighbor, Mrs. William Walker, who passed away at her home on Friday evening, 27th inst., after an illness of many years. At all times, even when her afflictions were most severe, she maintained a cheerful disposition and true Christian fortitude. Her unselfish nature was noticeable in her kind greeting and solicitude for others, always putting her own cares aside. To have known her is a pleasure not to be forgotten. The funeral service on Sunday, 29th inst., was conducted by Rev. W. Machin of St. Mary's, who preached an appropriate and effective sermon from Psalm XC, verse 72, "So teach us to number our days that we may apply our hearts unto wisdom," emphasizing the truth that a Christian character is the best and only true eulogy. The choral selections were at the house, "Abide With Me"; and at the church "Asleep in Jesus," "By Cool Silvan" and "When I Get to the End of the Way" and "Meet Me There." While interment was being made the choir sang "The Sweet Bye and Bye." Floral tributes were in evidence. Interment was made at Penniac.

I shine in the light of God,
His likeness stamps my brow,
Through the Valley of Death my feet have trod,
And I reign in glory now.
Oh, friends of mortal years,
The trusted and the true,
You are waiting here in the Valley of Tears,
But I wait to welcome you.

Mrs. James worked ardently in the cause of animals, and when Mrs. Jones came to tea she told her a very pathetic story about a donkey that had been rescued from a cruel master on the previous day. The visitor was very interested, and when she goes to go she remarked:

"I am so glad you have told me all those fascinating things about animals, dear Mrs. James. I shall never see a donkey again without thinking of you!"
