JOE PATCHEN II NEARLY TWO MINUTE PACER

BIG ICE MEET
EXPECTED FOR
DELORIMER

Grand Opera 2.03 to be Raced--
Frank Upton of Grand Circuit to
be Starter

(Montreal Herald)
Preliminary "dope" points to a big success for the ice meeting of the Montreal Driving Club to be held at Delorimer Park in January. Secretary Scott Ives is in receipt of a bunch of communications from owners from outside points who are anxious to have their horses here for the meeting.

Frank Upton, who has been starting on the Grand Circuit all season has been engaged to start the races at Delorimer Park and will probably act all round the Canadian ice circuit. The other officials have not yet been decided on.

One of the most interesting of the communications from the horsemen is that from Messrs. J. F. Smith and of F. Proctor, of Toronto, who recently acquired Grand Opera, 2.03, intended racing her. Among other owners who have declared their intention of entering horses are: R. Morley, of Dundas, Ont., who is sending three; H. J. Webster, of Baltimore, who has two fast mares; Col. John Waters, the president of the Pimlico race track, who is sending half a dozen round the ice circuit; the New Port Stock Farms who will send that good one Frankie Bogash; M. Silverman, of Sudbury, Ont.; B. M. Maxon, of Hornell, N. Y.; F. J. Dubley, of Middleburgh, N. H., who has horses qualified for the 2.13 2.15 and two mile races.

"Bob" McBride, of Toronto, is also bringing a string along, including Nettie Ethon, "Billie" Hodson, who has been driving round the Grand Circuit this season is expected in the course of a few days.

Did Some Great Work at
Los Angeles--Failed to
Touch Two Minute
Mark but Made Magnificent Attempt--No
Two Minute Pacer Appeared This Season

What were undoubtedly the last notable light harness performances of 1912 took place at Los Angeles, Cal. last week the occasion having been a gala day of sport, gotten up to welcome home the stable of R. J. McKenzie of Winnipeg, whose harness horses winter in Los Angeles, while his racing stables also wintered on the Pacific Coast. The Program was a series of specials by California horses prominent on the coast tracks during the season just closed, together with a couple by two star members of the McKenzie racing string, Joe Patchen II. and Vernon McKinney.

The McKenzie horses filled their last eastern engagements at the Lexington meeting, but some of them stopped off at Phoenix, Ariz., after-ward on their way across the continent to their winter quarters, and there Joe Patchen II. made two appearances, the first in a stake race, which he won with his accustomed ease; the second, in a dash against time. In the latter instance he was programmed as starting to beat two minutes. The conditions were not favorable, and he only succeeded in negotiating the mile in 2.03 1/2, which just equalled his Grand Circuit record.

GLORIOUS FAILURE

At Los Angeles the card also announced that he would endeavor to beat "even time." He made a second failure, but a truly glorious one, for he paced his mile in 2.00 1/2—only a fraction of a second short of the coveted mark, which no harness horse, except Uhlan reached during the season. The quarters were very evenly rated, and the mile as a whole was a magnificent demonstration of the bay stallion's class, and of the fact that his admirers, who have all year been asserting that he was "a 2.00 pacer right now," were correct. The day at Los Angeles was not good, as it was too cool for the best speed results, in addition to which there was a high wind, which impeded the stallion a part of the time.

NO TWO MINUTE PACERS

The book for 1912 will now have to be closed without a single mile in 2.00 having been paced during its course—the first time that such a condition has obtained for over a decade. Stan Pointer, the first horse to pace in "even time," did so in 1897. No other able to emulate the feat appeared until Dan Patch "crossed the line" in 1902. Thereafter no year has passed without one or more 2.00 miles, by some pacer or pacers until the present.

High-water mark for 1912 is 2.00 1/2, the heat raced by the champion mare Evelyn W. at the Syracuse Grand Circuit meeting. At the time of this performance it was the belief of most horsemen that before the close of the campaign Evelyn would "cut off the faction" and win for herself the fame of being the first two-minute pacer. But she was never afterward quite so good as she had been that day.

HOOF PRINTS

Thomas Hodgson of Orilla, Ont. the man who discovered Joe Patchen II, 2.03 1/2 buying him when he was a green colt and racing him successfully on the ice the winter before he sold him to R. J. McKenzie for \$7000, has another fast pacer that he expects will be one of the ice-racing stars of the coming winter. This one is Manor King, 2.29 1/2 by Direct Hal 2.04 1/2, dam Lady of the Manor, 2.04 1/2 and he has been turned over to the Canadian trainer, Charles Barrett of Park Hill, Ont., to be prepared for his winter engagement.

So great an attraction was the harness racing at Dallas that the management of the fair will increase the purse and stake offering to \$5.00 next year in the hope that more of the Grand Circuit horses will go there. On the days of the stake races this year the crowds were bigger than when betting was allowed, so it is the attraction which counts

BILLY PARSONS
AND KID BURNS
FOUGHT DRAW

Twelve Fast Rounds Boxed--Many
Fans Thought Burns Had it Over
His Opponent

Halifax, Nov. 21—Before a good crowd of people in the Arena tonight Billy Parsons the pride of North Sydney and Kid Burns, Mickey McIntyre's protegee fought twelve exciting rounds to a draw. It was the opinion of many of the fans that Burns had it on Parsons, if there was any difference. Burns' clever boxing and defence work was a feature of the bout but Parsons also proved that he was the game, foxy stayer that put him where he is in the fight game. Referee William White was the third man in the ring and gave general satisfaction. The fans would like to see these two go a longer bout.

MIKE GIBBONS BALKED

BY 10 TO 7 ODDS

New York, Nov. 21—Friends of Eddie McGoorty who will fight Mike Gibbons here on Dec. 3 were offering seven against ten today that Eddie gets the popular decision over the St. Paul crack. McGoorty training in the Bronx is apparently in the best of shape. The advance sale for this match already has topped the \$3,000 mark.

SPORTS OF ALL KINDS

The Philadelphia Athletics with Bender pitching won their seventh consecutive game from the Havana Almendares by a score of 6 to 3.

Numbering ball players hasn't proven as successful in the Coast League as expected and the directors at their annual meeting abolished the system which was instituted at the beginning of the season. The personnel of the teams changed so much during the season that it was impossible to keep the players numbered to conform with the figures on the score cards.

"Derby Day Bill" Clymer the new manager of the Buffalo team, paid a visit to the Bison City a few days ago and had a long conference with President Steff. He says that the only man on the team who is sure of a place next season is Jimmy Murray, the former Toronto outfielder. Clymer will make his home in Wilkesbarre during the winter. He is already on the hunt for new material to strengthen the Bisons.

In New York they have hockey practise without ice judging from the following:

New York Tribune:—Hockey practise began at Columbia University yesterday when a squad of 35 candidates reported to Tom Howard the old Yale coach for the first workout of the season. The drill was held on the handball courts in the gymnasium and was confined almost entirely to shooting the puck across the cement floor.

Word has been received from Amherst that Lester Lowther is likely to join the ranks of pro hockey this winter, and it will not be surprising if he is seen in one of the M.P.H.A. teams. Lowther is considered to be one of the fastest and best going amateurs in the game. He played centre for Springhill last year, and previously was with the Amherst Ramblers. There is no question of Lowther making good should he decide on entering the pro ranks.

Chester Gregory is in Sydney after players. Report has it he has his eye on several local men down there.

Walter Miller, who played left wing for New Glasgow last season is now settled in Toronto for the season, and will not come East.

Gaul is reported to have signed on for one of the N.H.A. teams. It was not thought likely that he would be seen down here this winter.

Where will Rockett Power be located this season. The \$1,000 man who played defence for the Cubs last winter is said to favor playing in the Maritime Provinces. He has not signed yet with any of the Upper Canadian teams.

Gordon Isnar Secretary of the M.P. Hockey Association, left this afternoon for Montreal, while there he will confer with President Emmet Quinn, of the N.H.A., as to prospects of a hockey agreement.

QUEBEC HOCKEY
CLUB LOSES TWO
VALUABLE MEN

The Patricks Have Outbid Champion
Club and Producers and Oatman
Leave for the Coast

Quebec, Nov. 22—There is trouble in the Quebec Hockey Club and two of the most prominent members left last night for the Pacific Coast. The departing men are Goldie Progers and Eddie Oatman. Some days ago both of these players signed a contract with the Quebec Hockey Club to play for it during the coming season. Since then an agent for the British Columbia Club came to Quebec and offered them a much higher salary than they were to receive here.

The management of the Quebec body met this with an offer to increase the rate the men were hitherto receiving and both Oatman and Progers accepted it and signed the contract with the Quebec Club.

Since then the British Columbia increased their rate and the men accepted it. When it became known that Oatman and Progers were to leave for the west the Manager of the Quebec Club had a capias issued against the two men to have them arrested for money advanced on the ground that they were to leave the Province. The capias however was not put into execution as both Oatman and Progers paid back the money the Quebec Club had advanced them.

"Art" Black, of the Ottawa Rough Riders, will be a student at McGill next year. He will plug up a hole in the McGill wing line.

Frank Shaughnessy is wanted by the Ottawa Rough Riders for next year. "Shag" will likely stay with McGill.

The Sydney Record says: It is believed that when the new professional hockey team is organized it will be made up of about four expert upper province hockey players, and possibly four of the fastest local players giving the team thereby two spare men.

All of the Toronto Varsity back division will be at the school next year. Gonter, Cuzner, Maynard and Campbell will all be on deck next fall.

Reports from St. John are to the effect that the Queen's Rink will not be used for ice-skating this winter roller-skating being so popular that the rink will be used for it during the winter. This means the winterport will have no hockey.

AMHERST FIVE-MILE RACE

Amherst, N.S., Nov. 21—An interesting five mile race was run off in the Winter Fair building this evening. The contestants were Ernest Canning of Maccan; Thornton, of Halifax; the Turnbull brothers of Springhill, and Eastman of Amherst. Canning who is only 18 won easily in 27 minutes, 4 seconds. James Turnbull of Springhill, came second and Thornton of Halifax third.
