SPECIAL WAR TAXES IN EFFECT TO-DAY

The special taxes, which are the direct result of four years of Tory extravagance and misrule at Ottawa went into effect today and caused considerable grumbling especially among the patrons of the local banks. The law requires that adhesive stamps of the value of two cents shall be affixed to all checks, drafts, notes and withdrawal receipts presented at the banks. Postage stamps may be substituted in lieu of the regular war stamp, but if a check is presented without a stamp being affixed the bank will turn it down no matter if the maker has a million dollars to his credit. The stamp on bank paper will likely cause considerable confusion until people become accustomed to it. Word has been received here from Finance Minister White to the effect that a war stamp will not be necessary on checks issued by the provincial government. Under the new law a man must affix a two cent stamp to his own check when withdrawing funds from a bank. Passengers leaving the city by train this morning were compelled to flash up a war tax when purchasing their railway tickets. The ticket sellers saw to it that the matter was not overlooked in any case. War stamps of one cent denomination have been on sale at the post office for several days, but a supply of the two cent war stamps has not yet been received. The war stamp on letters practically means the restoration of three cent postage, while in the case of postcard the rate has been doubled.

SUPREME COURT.

Argument in The King vs Belyea, a crown case reserved, was completed in the Supreme Court yesterday afternoon. Belyea was convicted before Judge Crockett at Dorchester on the charge of attempting to shoot a man named McMahon. P. J. Hughes moved to quash the conviction, W. B. Chandler, K.C., contra. This morning argument was heard in Lozier vs Mallow and Clark vs the St. Croix Pulp & Paper Co. and judgment reserved. The appeal case of the St. John & Quebec Railway Company vs Fraser Limited, has been stood over until next week.

LIBERALS WILL WIN SAYS MR. CARVELL

Mr. F. B. Carvell, M.P., who arrived here from Ottawa yesterday left for Woodstock by the afternoon train. As to an election, Mr. Carvell expressed the opinion that it was doubtful as to when it would be held. The government of Sir Robert Borden was itself divided as to whether it is advisable to go to the country now or not. It behooved the Liberals, however, to get ready for the contest, to place candidates in the field at once in every constituency, and to organize thoroughly for polling day. If an election is brought on at the present time there is no doubt in the minds of the Liberal leaders as to the success of their appeal to the people. The record of the Borden government, particularly as revealed recently, will be condemned by the Canadian people from coast to coast. Mr. Carvell spoke in detail of the reason why the Liberals were so confident of success and any one who listened to him could not fail to share his enthusiasm.

court with clean hands. It was a sorry commentary on the conduct of Constable Nelson that when he was sent to quiet a disturbance he took a drink of liquor from those he was sent to quiet.

REFLECTED ON MAGISTRATE.

His Honor, in his remarks, also reflected strongly on the conduct of Magistrate Cronkhitte in starting proceedings in a case which arose out of a disturbance at which he was chairman and also said that it was no duty of a magistrate to serve a subpoena.

Costs in this case are to be determined later.

GOVERNMENT CAUCUS.

The government supporters in the legislature held a caucus last evening which did not break up until nearly midnight. It was announced that the "Highway Act" was to be discussed, but this was done to draw a herring across the trail. Some of Mr. Morrissey's friends did some talking before the meeting but cooled down when face to face with Honest John. There is a new scheme on in connection with the Valley Railway and this was discussed last evening. A majority of the members are strong for dissolving partnership with A. R. Gould and engaging Mr. A. E. Trites or some provincial contractor to finish the road.

A quiet wedding took place at the Grand Hotel yesterday afternoon when Miss Millie B. Young of Sheffield, was united in marriage with John R. Campbell of the same place. Rev. A. F. Newcomb of the Brunswick Street United Baptist church, performed the ceremony.
