MANSLAUGHTER CASE  
BEFORE GRAND JURY  
AT BURTON TODAY

Jury Was Out in Case of Samuel  
Driscoll When Court Took Recess  
--Great Interest in  
Case.

The regular sittings of the Sunbury Circuit Court opened at Burton court house this morning with His Honor Judge Crockett presiding. The charge of manslaughter against Samuel Driscoll of Seaview was before the court. Mr. R. B. Hanson, clerk of the peace for Sunbury represented the Crown and Mr. J. A. Barry of St. John appeared as counsel for the defence.

The grand jury took up the case this morning examining the witnesses who were before Magistrate I. W. Stephenson during the preliminary examination at which the accused was sent up for trial. When the court took recess at one o'clock for lunch the grand jury was still out. Court resumed at 2.30.

The case is arousing great interest and there is a large attendance of spectators.

### BREAD GOES DOWN.

The local bakers have at last got a move on and lowered the price of bread to eight cents a loaf. There was a reduction of one cent yesterday and today another reduction was made. The bakers have been finding business a little on the dull side of late because of the fact that since cold weather set in many people have been buying flour and baking their own bread. With flour selling at \$6.50 and \$6.85 per barrel they found it more profitable to do this than to patronize the bakers.

## A Mother's Hopes and Anxieties

Until the first grade card is brought from school, each mother's heart will be filled with hopes and fears for the expected school advancement of her children.

Have you left undone any duty that might change these hopes to certainties?

What about good vision—most necessary of all the child's equipment?

Defective eyesight is too great a handicap for any child to carry through school; yet one in every four suffer from it.

MAKING SURE COSTS LITTLE. NEGLIGENCE MAY MEAN MUCH.
