

## GinPills FOR THE KIDNEYS

### Why They're Bought

"I can certainly say the Gin Pills have done a lot of good for me."

Some four years ago I could not walk up stairs, my feet and ankles were so swollen, but I took three boxes of Gin Pills and the trouble has never returned. My mother, 82 years of age, is taking them and feels fine.

MRS. J. B. SALSURBY,

GIN PILLS are 50c. a box, or 6 boxes for \$2.50 at all druggists. Sample sent free if requested.

## JAMES RUSSELL, EX-M.P.P. DEAD AT BAYSIDE

James Russell, of Bayside, Charlotte County, who died, Nov. 21, was of Loyalist stock and born at Bayside on November 15, 1824, and was thus just over ninety-one years of age. He married in 1850 to Agnes McDonald, who died in 1895. He resided upon and worked his farm at Bayside which was originally granted by the Crown to his grandfather, who had been a soldier in the Revolutionary War. For a short time he was engaged in mercantile business in St. Andrews, but eventually returned to his farm. He was appointed a magistrate in the early "sixties," and was thereafter known as "Squire Russell."

He was first elected to the House of Assembly for the province in May, 1886, and was re-elected at every subsequent election until 1903, when he declined to offer as a candidate. He was for many years a member of the municipal council of

Charlotte county, and for two years (1880-1888) was Warden. He was a Liberal in politics; and a staunch member of the Presbyterian church. Mr. Russell when attending to his legislative duties made his abode at Long's Hotel, and was well known to many people here. He was a good conversationalist and was remarkably well posted in provincial and municipal affairs. Many old friends in this city will be sorry to learn of his death.

Mr. Russell is survived by two sons, Alexander and John, who reside at Bayside.

## Goodies For The Tea Tables

There are many tempting ways of serving dates besides plain and as a sweet. Use them as a filling for sandwiches. Take two cups of dates, put them through a meat chopper, then add a cup of peanut butter and blend them together. Then spread the paste between slices of white bread.

Another woman also uses dates in baked custard, in tapioca and as filling for cookies, pies and cakes. Mixed with apples, celery and nuts they make a delicious salad. To use dates as a pudding cooked with rice add to a quart of milk a cup of stoned dates and a quarter of a cup of rice. Sweeten and bake in a slow oven.

Cook keeps in her cold closet an assortment of pastes and butters that are used so much in preparing relishes for the tea, after dinner suppers and bridge parties. She has them ready in small, labelled glass jars, and tid bits and sauces can be made at a moment's notice. Here are a few of her best recipes:

Sardine Butter—Rub skinned and boned sardines to a paste and then

gradually blend, with a little lemon juice, with fresh butter. Orange and lemon juice may be added to butter to give it very desirable sandwich flavors. Orange butter for afternoon tea sandwiches can be mixed with chopped nuts and figs or any other sweet filling. Grated orange rind, too, is good to add to the butter.

Olives may be ground in a vegetable chopper, mashed to a paste and creamed into butter. Capers are chopped and creamed with butter, and either of these can be used on broiled chops or beefsteaks, as sandwich butters, or on green peas or string beans to improve their flavor.

When using stale bread for puddings always soak it in a cold liquid. Bread that has been soaked in cold milk or water is light and crumbly, whereas that soaked in hot liquids is heavy.

When boiled mutton has served its purpose as a dinner meat in the family it can appear at luncheon or supper as a salad or as sandwiches filled with mayonnaises mixed with chopped capers.

A diet of oranges will clear muddy complexions and reduce superabundant curves. Lemon taken internally, quenches the thirst and prevents the bad habit of over-indulgence in ice water. Lemons clear the skin, assist digestion and have a tendency to rid one of obesity. Applied externally, they are a bleach which will remove stains from fingers and neck, freckles from arms and cheeks and other blemishes.

The latest notion is a fur trimmed pocket.

Some of the new coats have points in the back.
