FOUR RECRUITS SENT TO 55th BATTALION AT SUSSEX

Privates Bonner, Pickard, Parker and Burns, who enlisted here with Major W. H. Gray for the 55th Battalion, left for Sussex last night to join that corps. C. B. Stephens, 19, Little Shemogue, enlisted today. Casey Buens, 23, St. John, enlisted yesterday. Albert Hall of Taymouth, and Stilson Chute of Burtt's Corner, also enlisted this morning.

At Tay Creek last night there was a well attended and enthusiastic meeting. Matthew Riordan was chairman. The speakers were Prof. Stiles, Major W. H. Gray and Gunner De Younge of the 28th Field Battery. One man volunteered and is to report at the recruiting office today. Others are expected later.

At Meductic Rev. Dr. G. M. Campbell was the chief speaker. Lieut. A. J. Brooks was also heard. Recruits are expected from that district.

At Upper Gagetown His Lordship Bishop Richardson delivered an able appeal. Recruits are also expected from that section.

The original arrangement of the committee that Rev. Mr. Newcomb would attend thie meeting was through oversight of the fact he had requested that this one particular date be not allotted to him because of previous unalterable engagement.

Bishop Richardson readily accepted to serve in this case.

Tonight there are to be meetings at Geary, Lakeville Corner, Minto and Hawkshaw.

WORRY AND WEAKNESS

Often Indicate Over work and Run Down Nervous System

Overwork and worry have an evil effect on the system and often give rise to nervousness and sleeplessness. Other signs include a weak back, headaches and indigestion. In time if matters are neglected a complete breakdown of he nervous system follows. On every hand one can observe victims of this state of nervous exhaustion who are at a loss to know what to do with themselves, their nervous debilitaed state having baffled all ordingry treatment.

If you are a victim of exhausted nerves, if your symptoms are as described above, you need Dr. Williams' Pink Pills because they are a powerful nerve tonic. Their strengthening action on weak nerves is due to the effect that they enrich and build up...the blood through which the nerves are fed. Under the tonic influence of Dr. Williams' Pink Pills all traces of nervous weakness disappear together with the headaches, the insomnia, the feeling of intense weakness and depression of spirits that mark the victim of nervous ailments. Here is the proof. Mr. Henry Marr, Port Felix, N.S., says: "It gives me greatest pleasure to testify as to the value of Dr. Williams' Pink Pills. When I began their use I was a physical wreck; my nerves were all unstrung, I suffered from frequent headaches and backaches, and was almost wholly unfitted for work. I had tried several remedies without success, when I finally decided to give Dr. Williams' Pink Pills a trial. I took six boxes and they made me a well man."

What these Pills did for Mr. Marr they will do for every other weak and nervous man, if given a fair trial. Sold by all medicine dealers or sent by mail at 50 cents a box or six boxes for $2.50 by writing The Dr. Williams' Medicine Co., Brockville, Ont.

the payment of a royalty for a long period of years. Notwithstanding the liberal concessions, the company was unable to make things go and the mine closed down four years ago. When operations were suspended antimony was selling at seven cents a pound, while today it is worth five times that much. No rental has been paid the government for several years and there are some who think that the provincial authorities would be justified in stepping in and securing control of the property. Were the government to do this a force of men could be set to work, the mine pumped out and put into operation. With a great war raging in Europe and antimony soaring in price this splendid mining proposition ought to receive some attention from the provincial authorities.

ASTOUNDING REVELATIONS

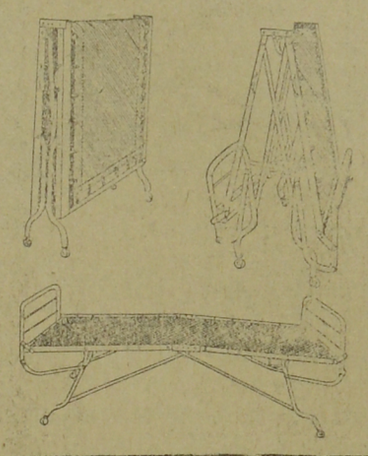

(Continued from Page One.)

Horwood said that for his services to the government his salary was increased from $3,100 to $5,000. He was promised a further increase of $7,000 at a favorable moment.

Mr. Horwood was again on the stand this afternoon before the royal commission and gave evidence about the famous Kelly letter bearing date Sept. 29, 1913, on which letter Kelly's counsel, ex-Judge Pippen of Toronto, based the contention that the job was done under contract. Horwood said he received the letter but he could not say when. He did not acknowledge it at the time he received it.

Chief Justice Mathers endeavored to get the witness to fix the time at which he first knew $8,4,000 was to be paid for the caissons. His own estimate of what they ought to cost was $500,000 and this was allowing $100,000 for the campaign fund. Witness said the matter of how much might be taken out of the caissons was discussed between Dr. Simpson, late president of the Winnipeg Conservative Association, but now at the front; Kelly and himself. Kelly and he both thought $100,000 was too much, but his pnal understanding of it was that the sum would be around that figure.
