ITALY PREPARING FOR WAR

(Continued from Page One.)

The Germans. In the neighborhood
of Mysznice, in the direction of Ka-
dzidlo, an engagement resulted in
the complete defeat of the Germans.
The latter attacked in close order
and sustained enormous losses.

"On the left bank of the Vistula
there is nothing to report.

"In the Carpathians, according to
supplementary reports, our counter
attacks Thursday in the region of
Ciezkowice inflicted a serious defeat
on the Thirty-ninth Honved division.
In the region south of Gordice our
troops delivered a counter attack on
the Austrian forces which were oper-
ating very energetically. We made
over eight hundred prisoners. Near
Moldowsko we captured a fortified
height from the enemy. His attempt
to recapture this position, as well
as his reported counter attacks in
the region of Tozanka were success-
ful.

"In Eastern Galicia fighting pro-
ceeding north of Nadworna, the
enemy occupying a strongly fortified
position.

"At Przemyśl the enemy opened fire
on our positions on Thursday morn-

ing, and continued all day and the
following night, wasting an unre-
precedented amount of ammunition. At
five o'clock yesterday morning the
garrison made a determined sortie
in an easterly direction on the Me-
dyka-Bykow-Plaszowice front.

At two o'clock in the afternoon
the enemy, without having succeed-
ed in reaching our trenches, had
suffered enormous losses by our fire,
and was forced back on his own
line of forts.

MANY GEMMAN PRISONERS TAKEN

"Up to the present we have cap-
tured three thousand prisoners, in-
cluding seventy-eight officers, belong-
ing to the Twenty-third Honved di-
vision, which forms the nucleus of
the garrison, together with seven ma-
chine guns.

"According to further details of the
sortie by the Przemyśl garrison on
March 19, which was made by the
entire Twenty-third Honved division,
we captured one hundred and seven
officers, including a regimental com-
mander, and 3,954 men and sixteen
machine guns.

DROPPED BOMBS ON PARIS

Paris, Mar. 21---Zeppelin airships raided Paris
early this morning and dropped a dozen bombs, but
the damage done was unimportant. Seven or eight
persons were injured, but only one seriously. Four
of the aircraft started for the capital, following the
valley of the Oise, but only two reached their goal.
Mistles also were dropped at Compiègne, Ribecourt
and Dreslincourt, but without serious results.

Paris remained calm while the aerial invasion
was in progress, and residents of the city exhibited
more curiosity than fear as to the results. Trump-
ets gave the signal that all lights must be extinguish-
ed as soon as warning was received of the Zeppelin's
appearance. Searchlights were turned upon the
Germans, but their operations were hampered by a
heavy mist.

FRENCH WARSHIP SUNK

Paris, Mar. 22---It is officially announced that
French warship Gaulois has been sunk off Tenedos
Island. The crew is reported to have been rescued.

Paris, Mar. 22---It is reported here that Italy will
enter the war on the side of the Allies within six
weeks. Troops are drilling regularly and eager to
get in the fray.

EAGER FOR THE FRAY

Maestrich, Holland, Mar 22---It is reported that
another new Zeppelin airship has been wrecked
near here or so badly damaged that repairs are im-
possible.

ARCHDEACON RAYMOND

AT CATHEDRAL SUNDAY

Preached to Officers and Men of Am-
munition Column who were at
Partridge Island

Venerable Archdeacon Raymond of
St. Mary's church, St. John, was the
preacher at Christchurch Cathedral
Sunday morning to the officers and
men of the Divisional Ammunition
Column. Archdeacon Raymond is
chaplain of the 3rd "New Brunswick"
Regt., Canadian Garrison Artillery,
out of which many members of the
Column came.

The sermon was upon the subject,
"Co-operation," the preacher empha-
sizing the great necessity for co-oper-
ative effort in the Christian life and
the military life.

In his introductory remarks, the
preacher made reference to the fact
that when a student at the University
of New Brunswick he had been a mem-
ber of the Cathedral choir. Now he
saw no familiar face in the choir and
few among the congregation.

Archdeacon Raymond also mention-
ed the fact that many members of the
Ammunition Column had been at
Partridge Island when, as chaplain of
the 3rd Artillery, he had held open-air
service for the garrison. He warmly
congratulated the Column upon the
reputation for good behavior.
