FIGHTING IN THE CARPATHIANS (SPECIAL CABLE TO THE MAIL.)

Amsterdam, Feb. 20--The fighting between the
Russians and the Austro-German forces in the Passes
of the Carpathians is developing into battle of the
most extreme violence according to the war corres-
pondents of Berlin papers who attribute immense
importance to the issue of the conflict there. Success
in driving the Russians back from the mountains in
to Galicia they predict will give the Austro-German
army control of the situation in the South again their
position being most favorable.

to neutral vessels.
The detention of the Wilhelmina's
cargo, which is to be sent to a prize
court, is justified on the ground that
Germany has placed all grain and
flour in the empire under government
control.
As yet, Great Britain has not defi-
nitely announced her promised re-
taliatory measures against the German
submarine blockade, which has now
been in force two days and which, so
far, has resulted in the torpedoing by
German submarines of two vessels--
the French steamer Dinorah, off
Dieppe, and the Norwegian tank
steamer Belridge, near Folkestone.
Both vessels were damaged, but man-
aged to reach port.

Some Danish vessels were unable to
sail yesterday, owing to the refusal
of their crews to move them. This
impediment was overcome today, how-
ever, and most of the Dutch lines also
resumed their schedules, under the
government's insurance scheme.

The fighting in the west has consist-
ed largely of attacks by the Germans
in efforts to recover trenches which
they lost during the Allies' offensive
last Tuesday and Wednesday. The
Germans claim that their attacks
were successful, whereas the British
and French reports say that all the
ground they gained has been consoli-
dated by them.

The German army which drove the
Russians out of East Prussia has oc-
cupied the Russian town of Taurgen,
on the East Prussian frontier,
north of the Niemen river, but else-
where in this region the Germans
apparently have been halted by the
arrival of Russian reinforcements, as
for three days now the official reports
have referred to the fighting as taking
place in the Augustowo district, and
in the vicinity of Plock and Sierpec,
on the right bank of the Lower Vis-
tula.

In the Carpathians neither side has
been able to make much progress, al-
though the Russians announce that
they have repulsed numerous Austro-
German attacks. Military men are
of the opinion that the Austro-Ger-
mans did not leave enough men in the
Carpathians when they sent the re-
inforcements which assisted in driving
the Russians out of Bukovina, and
that if they are defeated in the moun-
tain passes they may find themselves
in a very difficult position.

The Russians, apparently, made an
orderly retreat through Bukovina, al-
though severely harassed while wend-
ing their way through the difficult
mountain passes in deep snow.

A Vienna report, received through
Rome, says that reinforcements have
reached the Russians and that a big
battle is expected between Nadworna
and Kolomea.

HAIR COMING OUT

Dandruff causes a feverish irrita-
tion of the scalp, the hair roots shrink,
loosen and then the hair comes out
fast. To stop falling hair at once
and rid the scalp of every particle
of dandruff, get a 25-cent bottle of
Danderine at any drug store, use a
little in your hand and rub it into
the scalp. After a few applications,
the hair stops coming out and you
can't find any dandruff.

M.P.S. AT THE FRONT WILL GET INDEMNITY

Ottawa, Feb. 19--Hon. C. J. Doh-
erty has given notice of a bill to
amend the Independence of Parlia-
ment Act in order to prevent the dis-
qualification of members or senators
by reason of absence with the over-
seas expeditionary forces and their
receiving pay for three services.

There is no reference in the amend-
ment to such a contingency as a gen-
eral election while members of parlia-
ment are serving their country dur-
ing a war. It is unnecessary. Can-
didates can be nominated and elected
in their absence and special legisla-
tion can be passed to meet the case of
a member being elected in absence
and not taking his seat for some time
after the election.

It is quite usual for the House to
pass special legislation to enable
members who have been absent
through illness or other cause to
draw their indemnities.

FRANK JAMES, THE NOTED BANDIT, DEAD

Excelsior Springs, Mo., Feb. 18--
Franz James, one of the last surviv-
ing members of the notorious James
gang, died on his farm near here late
this afternoon. James, who was sev-
enty-four years old, had been in ill
health several months and was
stricken with apoplexy early today.

One of the last members of a notor-
ious robber band whose unparalleled
career of crime during the Civil War
and the unsettled period that follow-
ed, kept the people of a dozen states
in terror, Frank James had been liv-
ing the quiet life of a farmer for more
than thirty years.

The son of a minister, respected
throughout the community, Frank
James joined Quantrell's guerillas in
the Civil War, together with his
brother Jesse, and took part in the
sacking of Lawrence, Kansas.

In 1882 after Jesse James had been
shot and killed and his home in St.
Joseph, Mo., by Bob Ford, also a
bandit for a reward of \$50,000,
Frank James surrendered in Jeff-
erson City, Mo. He was sentenced to
life imprisonment in the penitentiary
but after a few years he developed
symptoms of tuberculosis and was
pardoned by the Governor.
