

NORRIS CABINET ABOUT COMPLETED

Winnipeg, Man., 13.—Mr. T. C. Norris was sworn in as Premier of Manitoba last evening at Government House. His cabinet will be completed by Friday. Those who will occupy positions are:

Public Works, Thos. Johnson, Centre; Wintireg, Attorney-General, A. B. Hudson, South Winnipeg; Treasurer, Ed. Brown, without seat; Agriculture, unfilled, J. D. McGregor, Brandon, having refused it; Education, Dr. Thornton, Deloraine; Provincial Secretary, Val Winkler, Rhineland.

Among the names mentioned for vacant portfolio of Agriculture is J. D. Macdonald, of Birdie, and J. D. Baird, of Mountain.

At a caucus of Conservative members it was announced that the members of the Government not only intended to resign office but also to resign their seats and to retire from public life. In addition, the Conservative members were notified that a number of them would be expected to vacate their seats in order that the new Government could obtain a substantial majority in the House, without being at one obliged to go to the country. Refusal to comply with this suggestion, it was pointed out, would mean a general election within a few months.

There can, of course, be no doubt of the result of such an appeal, the greatest probability being that the Norris Government would be placed in power by an overwhelming majority and the Conservatives

as a party wiped out in Manitoba. It was agreed that the blow which a general election would deal to Conservative prestige, should, if possible, be averted.

There is no understanding on this point, however, and it will be for the new Government to decide whether extraordinary circumstances attending the change of Government call for the reference of the matter in question to the people.

The course of the new Government will be governed largely by the results of the investigation which will be carried on into the Parliament building scandal. The first business of the Government will be to get to the bottom of this business and fix the responsibility, to over-charges.

THE PAINT-UP CAMPAIGN
"Paint up! Paint up!" So runs the line.

We see in many cities:
A dingy town, as all opine,
Is seven thousand piles.

So do some painting now and then
A sage who unafraid is
Says here's an instance where the
men
Might emulate the ladies.

BOYS! GIRLS!

10c. brings you the list of over one hundred jokes, puzzles, games, tricks, etc.; twelve comic visiting cards (assorted), bunch of side-splitting circulars and two amusing novelties. Also from Mountain Pen Offer. All for 10c.

There can, of course, be no doubt of the result of such an appeal, the greatest probability being that the Norris Government would be placed in power by an overwhelming majority and the Conservatives

Doctor Said She Had Bright's Disease.

DOAN'S KIDNEY PILLS CURED HER.

Bright's disease is a term applied to one of the most serious of all diseases of the kidneys, the symptoms of which are often of a severe character.

Severe pains in the back appear at first and are followed by disturbances of the urinary organs which show that the urine contains a large amount of albumen. Dropsy is also another forerunner of the dreaded Bright's disease. On the first sign of any kidney trouble you should at once put the kidneys right by the use of Doan's Kidney Pills. The pill that cures kidney troubles only.

Mrs. C. A. Heistand, Mooswa, Alta., writes: "Last May I was taken down sick. The doctor told me I had Bright's disease. My kidneys got so bad I could not rest day or night. The doctor's medicine did not give me any relief. I used four boxes of Doan's Kidney Pills, and they put me in good shape again."

Doan's Kidney Pills are the original kidney pill, so when you ask for "Doan's" do not accept any others with similar names.

Price, 50c per box, or 3 boxes for \$1.25, at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

When ordering direct specify "Doan's."

CANADIAN HEROES

Written for The Mail.
On that far-flung battle-field,
Where they die but do not yield,
While the German guns and gases on them play,
Our brave boys, their country's pride,
Bravely fought and greatly died,—
Our brave Canadian heroes saved the day.

Beating back the German host,
Counting not the fearful cost,
Ever foremost in the fiercest of the fray,
On a foreign field they fell,
In a warfare worse than hell,—
Our brave Canadian heroes saved the day.

Dear land of the Maple Leaf,
Crowned with glory and with grief,
For thy splendid sons so swiftly swept away,
Lift thy lovely, drooping head,
For thy great and gallant dead,
Thy brave Canadian heroes saved the day.

HON. MR. ROGERS HAS BECOME LOST

Ottawa, May 14.—Where is Hon. Robert Rogers? He is not in Ottawa, and he is not in Winnipeg, and his friends do not know where he is.

The Minister of Elections left Ottawa last Friday and went to Toronto, and spent Saturday with Hon. W. T. White, Hon. J. D. Reid and Hon. Frank Cochrane, discussing elections with representatives of the interests. Then he left for Winnipeg to save the Roblin Government. He went by the way of Chicago, where he learned that Roblin was out that the machine was smashed, and that it was hopeless for him to attempt to save the situation. Then Mr. Rogers dropped out of sight.

He has had an exceedingly anxious and strenuous time for some months trying to force a Dominion election before the crash in Manitoba which he cleverly saw coming, actually arrived. So troublesome have recent days been for Hon. Mr. Rogers that he has been several times threatened with physical collapse. It is believed here that on learning that Roblin was out, Mr. Rogers left Chicago for some quiet spot to rest and undergo repairs.

Muskrat Farming

Muskrat farming has proven to be a profitable business in the United States. Large areas of marsh lands in Ohio and Maryland are made to yield good returns through the production of muskrat fur. Indeed it has been stated by competent authorities that many of these marsh lands are worth more measured by the actual income from them, than cultivated farms of like acreage in the same vicinity. Owners of such marsh lands usually lease the trapping privileges, uniting with the trappers to prevent poaching. The returns from the sale of the muskrat fur are divided equally between the owner and the trapper; the latter securing whatever extra he can from the sale of the flesh.

Pure Food in Venezuela

Venezuela has put into force drastic regulations concerning the preparation and sale of medicines and of food products.

NOW IN PORT

By paying more, I have obtained a quality of Egg Coal about which New York dealers say:

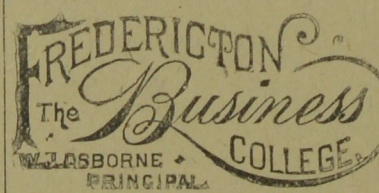

"From your previous letter, we feel that you want a coal of high quality, something above the average, and this you are sure to get in the Hill-men Coal. If you or any other dealer in Fredericton have ever had a cargo of Coal of better quality let us know what it is."

My customers do not pay for this superiority but will save considerable by getting their supply direct from vessel.

"Never lock the barn door after the horse has been stolen" Do not cry over spilt milk! The same may be said in reference to Insurance. The fire at Barkers Point a short time ago that destroyed 3 houses and several other buildings might have been much worse. All that saved the Peppers Homestead was the fact that the dwelling had a Metal Roof on which the sparks alighted several times. Had the roof been of wood a serious fire would have been the result.
