

A FARMER'S MISHAP

Farmer Edward Crane, of Kinburn, Ont., writes:—"I was driving three horses on a disc-harrow when the harness broke, and while fixing it, one of the horses kicked me against the sharp edges of the harrow. I sustained a nasty cut on my elbow and wrist, and as I could not leave work to get the wounds dressed, dirt got into them and my arm became very painful. It looked for some time as if I were going to have some very bad sores, but I was advised to try Zam-Buk. I did, and in a few days my arm was much better—less painful, and the stiffness less troublesome. I continued using Zam-Buk

freely and in a short time the wounds were entirely healed. I believe Zam-Buk to be the best ointment obtainable. It should always be at hand ready for emergencies."

Mothers and fathers should bear this in mind. In the home, on the playground, at school, or in the workshop accidents will happen, and Zam-Buk is the best "first aid." It is strongly antiseptic—kills the germs which cause inflammation, festering and blood-poison. The rich herbal essences of which Zam-Buk is composed, soothe the pain and quickly heal any injury. Zam-Buk is also a sure cure for eczema, ulcers, abscesses, piles, blood-poisoning and all skin diseases. 50c. box, all druggists and stores or post free from Zam-Buk Co., Toronto, for price. therefore no controversy develops as to who shall get the contracts. In fact, it is so non-partisan that it doesn't let a Gic get a look in for fear of disturbing the harmony of the occasion. Thus and so has the purchasing commission cherished and preserved that noble non-partisan spirit, so aptly described by Premier Borden—not only cherished but extended it by excluding bold intruders of alien views and by never getting too far from the patronage list to read it without spectacles.

The shell committee, I am told, is about twice as non-partisan as the purchasing commission. That is to say it is under double wraps. It not only has to consult the patronage list before it makes a bargain with any

partisanship is concerned the purchasing commission doesn't seem to have lifted the business so high that you can't see over it.

The purchasing commission is non-partisan all right but not in a way to hurt the friends who appointed it. It is non-partisan in the sense that all its members are on one side and body, but also a Canadian manufacturing company controlled by an American multi-millionaire who works hand in hand with an American banker and money magnate who demands and gets one dollar commission on every shell made in Canada.

ONE BALL! AND THE BEAR WAS OUT

(Bangor News.)

Joe Knowles in his bear killing exploit has nothing on Deputy U. S. Marshal Harmon, if the story told of him by some of his friends is true, reports The Portland Argus, which continues:

"The story is told by those whose veracity has never been questioned, at least in this section of the state. Furthermore, Deputy Marshal Harmon declares that he is a better shot with a rock than with a rifle, that is to a limited range.

"The story as told is that Deputy Marshal Harmon in the course of his official duties, had occasion a few days ago to travel eastward to some dis-

tance beyond Bangor. In order to serve a summons it was necessary for him to walk a few miles outside the town. While walking along the road he was surprised to see a huge bear break through bushes by the roadside a distance of about forty paces from him. His bearship showed a disposition to occupy the middle of the narrow road and had all indications of being liable to resent any attempt to drive him from his position. Being unarmed, Deputy Marshal Harmon was in somewhat of a quandary.

"His time being limited, it was necessary that he proceed on his business without any great delay, as trains as well as time wait for no man. While debating with himself just what to do, Deputy Marshal Harmon bethought himself of the days when he was a prominent star as a ball tosser. Sighting the action to the thought he picked up a rock and hurled it full speed at the bear's head, as in the days of his youth he was wont to shoot a baseball across the diamond to the first baseman. True to its mark went the rock, smashing the bear in the jaw. With a growl of pain the bear rolled over on the road and then recovering itself, bolted off into the bushes.

"Deputy Marshal Harmon then proceeded on his way. Arriving at the spot where the bear had been but a few moments before, he was surprised to find a huge tooth, somewhat bespattered with blood, which had been knocked out of the bear's jaw by the forcibly hurled rock.

"In bearing out the truth of the story, Deputy United States Marshal Cleary displays the identical tooth, and which he prizes very highly as a souvenir of the heroism, baseball abilities and quick thought of his friend, Deputy Marshal Harmon.

GERMANS AGAIN TALK

ABOUT PEACE TERMS

Berlin, Oct. 1.—Conditions on which Germany would be willing to make peace are set forth in an interview granted by Herr Zimmerman, Under-Secretary of Foreign Affairs, to the correspondent of The Nieuwe Rotterdamsche Courant, and published today in the Lokal Anzeiger. These include:—

(1) Guarantees assuring Germany of safety from future attack.
(2) Settlement of the Belgian question in such a manner as to assure Germany that the Belgian army can-

MOTHER! YOUR CHILD IS CROSS, FEVERISH, FROM CONSTIPATION

If Tongue is Coated, Breath Bad, Stomach Sour, Clean Liver and Bowels.

Give "California Syrup of Figs" at once—a teaspoonful today often saves a sick child tomorrow.

If your little one is out-of-sorts, half-sick, isn't resting, eating and acting naturally—look, Mother! see if tongue is coated. This is a sure sign that its little stomach, liver and bowels are clogged with waste. When cross, irritable, feverish, stomach sour, breath bad or has stomach-ache, diarrhoea, sore throat, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the constipated poison undigested food and sour bile gently moves out of its little bowels without griping, and you have a well playful child again.

Mothers can rest easy after giving this harmless "fruit laxative," because it never fails to cleanse the little one's liver and bowels and sweeten the stomach and they dearly love its pleasant taste. Full directions for babies, children of all ages and for grown-ups printed on each bottle.

Beware of counterfeit fig syrups. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," then see that it is made by the "California Fig Syrup Company."

not serve as the vanguard of British forces in the future.

(3) Stipulations as to the future of Poland, which will make that nation a "bluffer State," preventing attack on Germany by Russia.

The correspondent sought the interview with Herr Zimmerman to get a full expression as to Germany's attitude toward Holland, and in its course the Under-Secretary took up the border questions resulting from the war.
