THE RUSSIAN ADVANCE

London, Feb. 8--Russia's unexpected adoption of offensive operations in Poland, from which the Germans apparently have been withdrawing some forces both to the north and south, furnishes the most striking feature of the military situation on the European continent.

From German sources it is insisted that the plans for the capture of Warsaw are still being pushed. But the Russians claim several minor successes at various points and declare that the German attack reached its climax several days ago.

THE U. S. WILL NOT PROTEST;

Washington, Feb. 9.--It became known on the highest authority today that no protest to Great Britain on account of the American flag used by the British Liner Lusitania is contemplated by the administration. It was admitted though that the circumstances in the case of the Lusitania differ somewhat from former occurrences of this sort and may result in some expression from the state department.

BELGIANS ENTER A PROTEST

Havre, Feb. 9--The Belgium government has issued to the Allies and to all neutral nations a note of protest at a tax which has been imposed by the Germany military authorities in Belgium on absentee Belgians. It declares that the tax is illegal and is contrary to conventions of the Hague tribunal.

12-Hoosier Kitchen Cabinets-12

\$1.00 down and \$1.00 a week

We have reduced the price of the 1913 Model from \$38.00 to \$32.00.

A REASON FOR EVERYTHING

And here is our reason for cutting the price of the 1913 Hoosier.

The 1914 Cabinet has a number of new features and is also white inside and therefore during the past year the 1914 White Beauty has been the Kitchen Cabinet in demand.

Remember \$1.00 puts the 1913 Model in your home and \$1.00 each week will soon pay for it.
