J. BENSON RAINSFORD IS INVALIDED HOME Before Pension Board at Quebec--Says Invalids Are Well Cared For

Private J. Benison Rainsford of the 26th Battalion, arrived home at noon today, having been invalided from England. He was before a pension board at Quebec and was granted his discharge as a medically unfit. In England he was in hospital with ulcers of the stomach and heart trouble. The pension board at Quebec also found that one lung was affected. Mr. Rainsford expects to be sent to a sanatorium by the militia department. He was one of thirty-three members of wounded and invalided Canadian soldiers who were sent home on the Metagama. At Quebec the returned soldiers were well looked after. Sir William Price gave them a sail on the river in his yacht and they were also at a picnic at Montmorency Falls. They had good quarters in the citadel.

Mr. Rainsford was in three hospitals in England, the last being at Shorncliffe. While there he saw Private John Marley and Private John Jones, both of whom are to be invalided home. Private Marley has a foot which will be permanently stiff. In the hospitals in England the wounded are well cared for. Theatrical troupes from London give performances frequently and band concerts also are given often. The 12th Battalion Band, which originally was the 1st York Regt. Band of this city played at the hospital in Shorncliffe several times. Mr. Rainsford says the band has now thirty-five pieces and is a splendid organization. Others of the party were Sergt. Major Wallis of Princess Patricia's Canadian Light Infantry, who once fought Tom Sharkey, Private Maloney of St. Andrews, and Private Butler of St. John.

In England Mr. Rainsford saw some Fredericton men and was told the 26th Battalion expected to be in France by September 5.

From the Poets

AFTER THE CITIES.

(Baltimore Sun.)
After the cities have held you,
After their glamor and gleam
Have pulled you and spoiled you and
spelled you,

It is then for the country dream—
The faith of the good green country
Its peace and power to sustain
When the shops and the temples have
fallen

And the lure of the lights is vain.

After the cities have worn you,
After their thunder and strife
Have crushed you and rent you and
torn you,

Oh, then for the country life;
The green of the quiet meadows,
The peace of the mighty hills;
The voice of the birds 'mid the
shadows,
The runs of the rippling rills.

After the cities have fed you
On passion and fury and pride,
After the dreams of their splendor
Have sickened your spirit and died—
It is then for the beautiful valleys,
The far-flung summits, the glen,
That heal us of hovels and alleys
With the beauty God fashioned for
men.

McADAM DONATES A MACHINE-GUN

Mr. J. W. Hoyt of McAdam, recently forwarded a check for \$100 to the Militia Department at Ottawa to provide a machine gun for the 26th Battalion. The acting minister of militia has sent the following acknowledgement:

Ottawa, August 30, 1915.
Dear Sir:—I beg to acknowledge and thank you for your letter of the 27th inst enclosing cheque for \$1000, the donation of the City of McAdam for the purchase of a machine gun for the 26th N.B. Battalion of the Canadian Expeditionary Force.

To provide the many gifts of machine guns the public are making, a large order has been placed and upon delivery, which is expected in November, we will purchase one and issue it as the gift of the City of McAdam to the 26th Battalion, now overseas. This will, however, be subject to military necessity, which may arise from time to time.

Please convey to the citizens of McAdam and accept for yourself the grateful thanks of the government of this generous and patriotic donation.

Believe me,
Yours faithfully,
JAMES A. LOUGHEED,
Acting Minister.

AUSTRO-GERMAN STRIKE IN CHICAGO

Chicago, Sept. 8.—Seventy-five German and Austrian machinists employed by Torris, Wold & Company, went on strike today, when they learned that the company had taken a contract to make tools to be used in the manufacturing of shrapnel for Great Britain and her allies.

William Cameron, president of the company, said:

"The men made no demand for higher wages, shorter hours or changes in working conditions. They just walked out and tied up our plants."

President S. M. Hastings of the Illinois Manufacturers' Association, said the strike was one of many called to his attention recently.

"We are investigating these strikes and may report the facts to President Wilson after he has acted in the case of Dr. Dumba, Austro-Hungarian ambassador to the United States," he said.

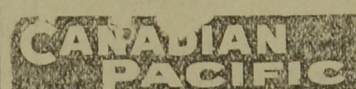

LONG AND SHORT OF IT

"Mr. Blinks," said she, "do you think that anticipation is greater than realization?"

"Well," replied Mr. Blinks, "anticipation is broader and higher, but realization is longer and flatter."—Philadelphia Public Ledger.
