FINE SHOW AT GAIETY.

A really splendid program of week-end photoplays are being shown at the popular Gaiety Theatre today. Chapter thirteen of the great Pathe serial, "The Exploits of Elaine," with Pearl White and Arnold Daly; a very funny Keystone and a special two-part Flying A feature, "The Two Sentences," featuring the popular Vivian Rich, are all included in today's program. Monday the well known Marguerite Clark will be seen in "Greta Green," in four reels.

BREAD IS TOO HIGH.

Although flour has dropped in price of late and is now down to about the price which prevailed before the war, local bakers continue to sell bread at ten cents a loaf. This is looked upon by many citizens as too much of a good thing. If the bakers were justified in boosting the price of bread when flour advanced, there is no reason why they should not lower it now that flour has taken a slump. If they do not act soon it will be up to the women of Fredericton to boycott them by making their own bread.

TONIGHT'S MEETING.

Mrs. Netta B. Brown of Montreal who is to address a meeting for women only at the Opera House this evening in the interests of recruiting arrived at noon and is a guest at the Queen Hotel. Mrs. McLeod, wife of Lt.-Col. H. D. McLeod, M.P., has consented to preside over the gathering, and Miss Elizabeth Everitt will preside at the piano. In addition to the speech making there will be a vocal solo by Mrs. W. P. Lowell and a patriotic reading by Miss Margaret Lynds. The President's of women's societies are invited to take seats upon the stage. The chair will be taken at 8.30 o'clock.

GROWN-UPS may often wear shoes of unperfect quality and n cover it. Not so with the strenuous children, they romp and play all day and even when "dressed up" aren't still for five minutes at a time. They get every bit of wear out of a shoe that's put in it.

Our Fall showing of Childrens Shoes is a complete line of shoes to meet every requirement of Dress or Play.

TRESPASSERS ON C. P. R. PROPERTY WERE ARRESTED

Two Men Who Acted Suspiciously at Fredericton Junction Brought Here ---One Belongs to St. John.

Two men who had been hanging about Fredericton Junction since Wednesday last were arrested late last night on instructions issued by the C.P.R. authorities. They were brought to Fredericton on the late train last night by Constable Benj. Peterson, who acted on the orders of Station Agent Nutter of Fredericton Junction. The men are William H. Wiggins, aged forty-two years, and a native of the United States, and Charles Saunders, aged thirty-eight years, who hails from St. John. Saunders is well known by Chief of Police McCollom.

The two men were seen on several occasions beneath a bridge which crosses a highway about a quarter of a mile east of the station at Fredericton Junction. Their conduct aroused the suspicions of residents of the locality and the presence of the men were reported. Mr. Charles May and Constable Peterson are to give evidence. This morning Saunders was remanded until this afternoon when he probably will be given a chance to get to St. John. Wiggins was remanded until Tuesday as the authorities do not like his looks.

Since the attempt to dynamite the St. Croix bridge, the C.P.R. is not taking chances with trespassers on its tracks.

The operation was successful, and it is expected that Sir Wilfrid will leave the institution as soon as he has thoroughly recovered from the effects of the anaesthetic.

To THINK clearly you must SEE clearly.

Even the printed page, seen indistinctly, cannot convey a clear cut thought.

To you, clear thinking is a necessity.

Clear thinking breeds quick, strong decisions.

And quick, strong decisions make the impression and get the results you want.

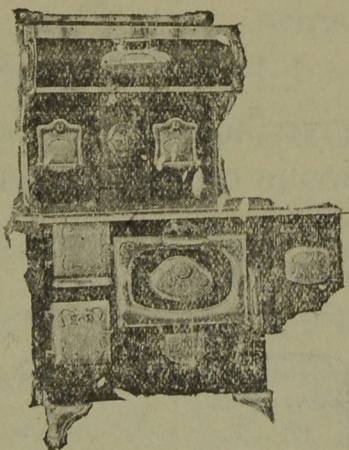

Your vision may be clear. You may not feel the need of glasses yet or those you wear may give you perfect sight.

But if the time comes when you do feel the need of a change, consult an Optometrist who has the skill and the will to produce the results you demand.
