KIDNEY TROUBLE AFFECTED HIS SPINE

Suffered For Forty Years Until He Used "Fruit-a-tives"

BRONTE, ONT., OCT. 31st, 1913. "For about forty years, I was troubled with Lumbago brought on by Kidney and Bladder Trouble. I was never confined to my bed with the trouble, but it affected my spine and I had to rest for a time. I took advertised remedies which never did me any good. Then I saw "Fruit-a-tives" advertised and decided to try them. They did me more good than any other remedy. My son suffered from the same trouble and frequently had to leave off working, but "Fruit-a-tives" remedied it for him. I would strongly advise anyone suffering from Kidney and Bladder Trouble to use "Fruit-a-tives".

On Many A Desk

broods the blighting shadow of the tea or coffee pot.

Many men and women with bright prospects find themselves handicapped by the reactionary effects of tea or coffee with its subtle habit-forming drug, caffeine.

Dull headaches, biliousness, heart-flutter, nervousness, sleeplessness—these are some of the signs of caffeine poisoning that puts a crimp in efficiency, and spells suffering and often failure for thousands of tea or coffee drinkers.

There's a simple, easy way out—quit both tea and coffee, and use the pure food-drink

POSTUM

This delicious beverage, made from prime wheat roasted with a bit of wholesome molasses, contains only the rich cereal nourishment—no caffeine—no harmful substance whatever.

Postum comes in two forms: Postum Cereal—the original form—has to be well boiled, 15c and 25c packages; Instant Postum—soluble—made instantly in a cup with hot water, adding cream and sugar to taste, 30c and 50c tins. Made according to directions, both kinds are equally delicious, and the cost per cup is about the same.
