**A CHILD HATES OIL,
CALOMEL, PILLS FOR
LIVER AND BOWELS**

Give "California Syrup of Figs" if
Cross, Sick, Feverish,
Constipated.

Look back at your childhood days. Remember the "dose" mother insisted on—castor oil, calomel, cathartics. How you hated them, how you fought against taking them.

With our children it's different. Mothers who cling to the old form of physic simply don't realize what they do. The children's revolt is well founded. Their tender little "insides" are injured by them.

If your child's stomach, liver and bowels need cleansing, give only delicious "California Syrup of Figs." Its action is positive, but gentle. Millions of mothers keep this harmless "fruit laxative" handy; they know children love to take it; that it never fails to cleanse the liver and the bowels and sweeten the stomach and that a teaspoonful given today saves a sick child tomorrow.

Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has full directions for babies, children of all ages and for grown ups plainly on each bottle. Beware of counterfeits sold here. See that it is made by "California Fig Syrup Company." Refuse any other kind with contempt.

**FREDERICTON CAN
EASILY ACCOMMO-
DATE MORE TROOPS**

Fredericton is after more troops to go into winter quarters here and with that end in view the joint meeting of the City Council and the Board of Trade executive passed a resolution which was wired to Sir Sam Hughes last night and which will be forwarded also to Hon. J. D. Hazen, Minister of Marine and Fisheries. The resolution is as follows:

Fredericton, N. B.
November 12th, 1915.

WHEREAS approximately twelve hundred men have already enlisted from the City of Fredericton, and vicinity;

AND WHEREAS the city possesses ample facilities for the quartering of upwards of twelve hundred men at the Military Barracks, Exhibition Building, and other available buildings;

AND WHEREAS the experience of last winter has shown the city to be an ideal place for the accommodation and training of troops;

THEREFORE RESOLVED that this joint meeting of the Fredericton City Council, the York Municipal Council, and the Fredericton Board of Trade make immediate representation to the Department of Militia and Defence respectfully requesting that the advantages of Fredericton in this respect, be duly considered, and as many men as can be accommodated be assigned to this city for the coming winter;

FURTHER RESOLVED that copies of this resolution be forwarded to the Minister of Marine and Fisheries, and to the Divisional Headquarters at Halifax.

(sgd) MOSES MITCHELL,
Mayor.

(sgd) H. SMITH,

**DWELLING BURNED AT
BARKER'S POINT LAST NIGHT**

Home of William Sturgeon, Ex-police-
man, Destroyed—Loses
About \$3000.

The one and a half storied dwelling house at Barker's Point owned by Mr. William Sturgeon and occupied by him and his family was burned to the ground last night together with the barn and outbuildings. The fire broke out in or near the roof about six o'clock. Both Mr. and Mrs. Sturgeon were away from home at the time. The fire gained headway rapidly before being discovered. The house, shed and barn being all connected were soon in a mass of flames. Most of the furniture was out but a quantity of clothing and other valuable things were burned including Mr. Sturgeon's high-priced violin. Nearly all the winter's supply of wood and two tons of hay went up in smoke. The cow and poultry were saved. Mr. Sturgeon who arrived home from town after the fire broke out, was struck over the left eye while taking apart an iron bedstead receiving a painful wound. The buildings were burned to the ground being a total loss. Even the silos were burned. The property was insured in the Dominion Insurance Co. for \$1000 while the loss will be in the vicinity of \$3000. Mr. Sturgeon had made extensive improvements on the property recently having had hard wood floors laid in several of the rooms. A concrete wall was also erected a few weeks ago, with other smaller additions towards making the house up to date and comfortable.

Mr. Sturgeon formerly was a member of the Fredericton police force and also has been in the employ of the C. P. R. at New Brunswick.

NEW CHAPLAIN FOR 71ST.

Rev. Dr. W. H. Smith, pastor of St. Paul's Presbyterian Church in this city has been appointed chaplain of the 71st York Regt., in succession to Rev. Dr. J. H. MacDonald who has been seconded being on foreign service with the Canadian Expeditionary Force. Other appointments to the 71st Regt. staff will be made shortly by Lt. Col. W. H. Gray.

A TALL DRUMMER.

A placard in the window of John J. Weddall and Sons store, along with a collection of relics from the old 104th regiment states that the head drummer of the corps was nearly seven feet tall. The drummer referred to was John Lawrence, a colored man belonging to this city. His exact height was 6 foot 11. He has many descendants living here including Mr. Sterling Lawrence, a grandson.

RELICS FROM THE FRONT

Private John Jones of this city, who served in France with the 15th Battalion, Canadian Scottish, has sent an interesting collection of relics of the war to his wife. The collection is now on exhibition in the window of Lawlor & Cain, Queen street. The collection includes a First Field Dressing package, a pocket Testament given Private Jones by a dying comrade, Private F. R. Harrison of Montreal, a clip containing three French cartridges, an empty German cartridge, the fragments of a crucifix from a house in Givenchy, in which three French women were killed by a German shell. Private Jones haversack and photograph are also in the window. He has been invalided to England and will soon be sent to Canada.

ing would be open to the troops after December 1 and that recreation rooms at the barracks and at the exhibition buildings would be furnished soon.

The resolution which is given in full was prepared by a committee composed of J. D. Palmer, Dr. C. C. Jones, Warden Smith, H. S. Campbell and Ald. Reid. It is to be confirmed by the City Council, the Municipal Council and the Fredericton Board of Trade.
