## TIME FOR ACTION TO EXPLORE SAYS MCBRIDE HUDSON BAY

Premier of B.C. Back from England Discusses the Naval Question

Says that Canada Should Cooperate in the Maintenance of British Naval Supremacy

Quebec, May 25—The time has come for Canada to show to the Empire and the whole world what she can do and what she intends to do to help the mother country, which has done so much for her children while they were growing up, declared Hon. Richard McBride, Premier of British Columbia as he landed from the Empress of Britain, which brought him from England, where he had conferred with Winston Churchill, first Lord of the Admiralty and with the King, on Canadian naval matters. Something serious should be done by Canada to cooperate in the maintenance of British naval supremacy said Mr. McBride and this should be done as for British Columbia he said, no real policy founded on up to date and substantial lines will be too much.

Ottawa, Ont., May 25—Evelyn Wrench of The London Daily Mail, founder of the overseas club movement, was banqueted by the local branch last night at the Grand Union Hotel. The guests also included Hon. Messrs. Burrell, Crothers and Foster of the Dominion cabinet.

Refuting the idea that overseas clubs were anti-American, Mr. Wrench said:

"We are not anti-anything. We are too busy consolidating our empire."

The speaker thought that perhaps one day the club might help to consolidate the United States as an adjunct of Great Britain instead of the United States making an adjunct of Canada. Earl Grey was characterized as being "the fairy godfather" of the club.

Mr. Foster said that Canada is facing a serious peril.

"We are in danger of cutting the connection between our future and past history and of our race and world," he said. "We are set down here in such a bewildering and fascinating wealth of natural resources almost unimaginable that we run the risk of forming the past and immersing ourselves in money getting features."

"Your getting rich by swapping houses here in the City of Ottawa," declared Hon. Mr. Foster. "If you set your minds on it too much you've made a mistake and lost the sweetness and contentment, the midst of Ottawa is the new wealth and the senseless extravagance of that new wealth. I would like to throw mildew and ashes on a lot of us who are possessed with the idea of getting rich because we hear of a man who bought a property for \$1,200 and then sold it for \$12,000."

## CRACK RIFLE SHOT DEAD AT QUEBEC

Quebec, Q., May 25—Major James Morgan of the eighth Royal Rifles, formerly one of the leading sculptors of the city died last night after a long illness. His first visit he was a member of the team that brought the Kolapore cup to Canada. He was also a fennian raid veteran.

It is announced that the marriage of Miss Mae Wandless, daughter of Mr. and Mrs. Thos. Wandless of this city and Mr. Arthur H. McLean of the C.P.R., Woodstock, took place recently in that town. The ceremony was performed by Rev. Frank Baird.

## STEAMERS MINTO AND ARCTIC TO START ON IMPORTANT EXPEDITION

Prof. Jackson of the University of Toronto will be in Charge of the Outfit

(Canadian Press.)  
Quebec, Q., May 25—Prof. W. E. W. Jackson of the University of Toronto, will command the expedition which will be sent on the Canadian government steamer Minto for the benefit of the Canadian navy.

The expedition will be under the direction of Mr. Stewart, chief of the hydrographic service. Mr. Stewart himself may take the command of the Minto but the matter is not settled yet.

Prof. Jackson has already made a voyage in the Arctic regions as scientific explorer on the Arctic.

Wireless telegraphy is now being installed on the Arctic to allow her to communicate with the Minto during her cruise.

Mr. H. Van Koenig will be the wireless operator. The Arctic, which is undergoing repairs in the Davie docks, will leave for Hudson Bay on or about June 15th, and will be followed by the Minto, a fortnight later.

The crew of the Arctic will be partially renewed, Capt. Bernier being left ashore.

## CONNAUGHT PRAISES CANADA

Montreal, May 25—"I am sure that in no portion of the Empire is there more loyalty and devotion to our great sovereign than in Canada and that nowhere in the Empire will there ever be a stronger sense of the duty we owe to the flag under which it is our privilege to live," declared the Duke of Connaught last night, at the annual dinner of the Empire Club.

"I congratulate Canada, on the number of good class immigrants coming into this country."

"May the various races, who have built up the Dominion, be strong and loyal to themselves and above all, may the unity of Canada be the foremost wish of all its people, and of all those who are called on, to direct its destinies."

## RANKS OF STRIKERS ARE REINFORCED

London, May 25—Large numbers of car men augmented the ranks of the striking transportation workers in the course of today and it is calculated that by tonight 120,000 men will have ceased work. Some friction is threatened owing to the attempts of employers to have their clerks do the work hitherto done by the men but up to the present no disorder had occurred.

## FORMER HALIFAX GIRL BURNED TO DEATH

Halifax, N.S., May 24—A telegram from Saskatoon states that Miss Katie Annand, daughter of the late F. W. Annand, immigration agent of Halifax, was burned by the explosion of a gasoline stove yesterday morning and died last night. ## PREMIER BORDEN IS STILL CATERING TO NATIONALISTS

Says Reports that Members of Government are Going to England to Consult with the Admiralty are Unauthorized --The Question of Naval Assistance to Great Britain not Worrying the Loyal Tories just now--Bye-election in Richelieu soon

Ottawa, May 23—The following official and decidedly significant statement has been handed out by Premier Borden:

"During the last few months reports have been published respecting a visit by the prime minister, the minister of marine and others, to Britain during the summer. As a matter of fact, they are entirely unauthorized and wholly conjectural. No such visit has yet been considered or arranged except that of Mr. Foster, who leaves on the 31st inst. to attend the meetings of the Imperial Trade Commission. The cabinet has not yet considered the visit of other members or subjects to be discussed and reports to the contrary are wholly unauthorized."

### BO SHOUTING NOW.

The question of adequate naval assistance from Canada to Great Britain, about which the "loyal" Conservative opposition was anxious when the Laurier government was in power, has apparently not even been discussed by the government yet, although "the weary titan" is now shouldering even heavier burdens in order to maintain British supremacy on the seas and "the German peril" is still menacing. The government is apparently even contemplating abandoning for the present the promised consultation with the Admiralty, this summer, with a view to reaching a satisfactory basis for a permanent Canadian naval policy.

## WANT \$3000 FOR OLD HOME CELEBRATION

City Council will be Asked for Substantial Grant--Meeting Tuesday Evening

The Finance Committee of the Old Home Celebration met Thursday night with Mr. J. T. Jennings in the chair. There was a full attendance of members. The committee decided that an attempt should be made to raise \$3,000 to meet the expenses of the Old Home Celebration in August. The City Council will be approached for the purpose of obtaining a substantial civic grant toward the fund. Chairman Dibble of the General Committee, has called a meeting of that body at eight o'clock Tuesday evening at the Opera House. Subcommittees are to be appointed at that time and arrangements to be made concerning the program for the celebration. A full attendance is requested.

The Finance Committee will meet again Monday morning.

## DOGS QUARANTINED

Toronto, May 25—To prevent a threatened outbreak of rabies, a number of tobomdren dogs have been quarantined. J. F. Wilson was bitten by his black cocker spaniel, which went mad following a fight with several other dogs. After biting Mr. Wilson, the dog was killed and Dr. Amyot, provincial analyst, who made an examination of the body, declared it a most positive case of rabies.

## CANADA AWARDED MEDAL

London, May 25—At the International Flower Show, Canada and Australia were awarded the blue ribbon in the form of large gold medals, for the best collection of fruit. The King expressed great satisfaction at the admirable arrangements of the exhibit.

### COL. SAM READY TO GO.

Premier Borden is making engagements for next month in Canada, and even Hon. J. D. Hazen, the minister of naval affairs, will not now admit that he is going to England this summer. Hon. Colonel Sam Hughes seems to be the only minister who is ready to go to the motherland this year to confer with the imperial authorities on defence matters. And he will deal only with military defence.

The secret of Premier Borden's peculiar announcement as above, undoubtedly lies in the influences of his Quebec Nationalist colleagues.

### NO NAVAL MISSION.

A bye-election in Richelieu, rendered vacant by the unsating of Mr. Cardin, is likely to be pulled off soon. The government is preparing to throw all its weight into the constituency in an effort to win it and thus offset in a measure the bad effect of the Liberal sweep in the provincial elections.

Meanwhile, Hon. Messrs. Pelletier, Monk and Nantel insist that there be no hint of any naval mission to England by the premier and Hon. Mr. Hazen.

After the election is pulled off, political considerations with regard to what the imperialistic wing of his party expect of him will probably force Mr. Borden to fulfil his promise "to consult the Admiralty this summer."

## CLERKS' ASSOCIATION FORMED THURSDAY NIGHT

The Fredericton Clerks' Association was formed Thursday night at a well attended meeting in the Knights of Pythias Hall, York street, and efforts to have the Thursday half-holiday established during the summer will be begun at once. About twenty clerks were in attendance at Thursday night's meeting. Mr. A. McN. Staples was appointed chairman and opened the meeting with a brief address, in which he outlined the objects of the meeting. It was decided to organize under the name of Clerks' Association and the following officers were elected:

Vice-president, A. McN. Staples.

Two clerks were appointed for each business block to canvass the clerks employed in the various places of business and induce them to join the Association. Another meeting will be held in the Y.M.C.A. Hall Monday evening at eight o'clock.

## ANTI-ENGLISH FEELING

Potsdam Council will not Vote Funds to Entertain British Physicians

Strong Language Used by Aldermen when Matter was up for Discussion

Berlin, May 25—The depth and persistence of the anti-English feeling in Germany which resulted from last summer's crisis in Anglo-German relations was demonstrated today by the refusal of the Potsdam board of aldermen to vote funds for the entertainment of the British Physicians who are to attend the convention of the Royal Institutes of Public Health in July.

This convention enjoys the patronage of the highest official circles in Germany.

"England treated us shamefully" and "England who is hostile to Germany wishes to press us against her bosom," are among the phrases uttered by the Aldermen of the City in Ulrich the Emperor has his residence, when giving their motives for the refusal to go to any expense in entertaining the British visitors.

## HAIL STONES SAID TO HAVE BEEN LARGE AS EGGS

Fierce Electric Storm at St. John's, Quebec---Catholic Church Struck by Lightning but the Flames were put out

St. John's, Que., May 25—Hailstones as large as eggs knocked down firmly built barns, lightning struck the Roman Catholic Church here, and several other buildings throughout the district, and a terrific cloud burst washed away three sections on the Boston and Maine line last night during the most spectacular storm of recent years.

A bolt of lightning struck on St. John's Church, 160 feet up the steeple and flames broke out a few minutes later. The heroic priest of the Church, Rev. Father Berleau, and a soldier, were the first to go up into the steeple with babcocks and after a line of hose was brought up by a fireman led the fight on the flames.

At Henryville, hail as large as eggs fell. About forty windows in the convent were completely broken and several barns are down.

## WAS A NATIVE OF NEW BRUNSWICK

Washington, May 25—A Stewart of Wausau, Wis., who served three terms in the House of Representatives, is dead at his Washington home, aged 83 years. ## CHAMBERLAIN SUCCEEDS HAYS

Has Been Appointed General Manager of Grand Trunk Ry.

Other Changes Announced by Chairman Smithers of the Board of Directors

Montreal, May 24—The following statement was given out at the Grand Trunk offices here today:

"We are officially informed that Mr. E. J. Chamberlin, vice-president and general manager of the Grand Trunk Pacific Railway Company, has been appointed to succeed the late Charles Melville Hays."

"Mr. Chamberlin has also been elected a member of the Grand Trunk board in the place of Mr. Hays. Mr. Wm. Mainwright, second vice-president of the Grand Trunk Pacific Railway, has been elected first vice-president of the Grand Trunk Pacific Railway. M. M. Reynolds has been elected a director of the Grand Trunk Pacific Railway and second vice-president."

When Mr. Smithers had made the announcement, he was asked if any action would be taken in the near future in the way of appointing a general manager for the Grand Trunk Pacific, as the newly elected president filled the dual position of vice-president and general manager, but Mr. Smithers replied that he thought they had done a very good morning's work and that the matter referred to would be taken up later on. He would likely leave Montreal about June 8, and be intended returning to this city the first of August.

Asked if there would be any statement as to the company's steamship plans on the Atlantic and Pacific, the chairman answered in the negative, saying that would be taken up in time.

He would like to say however, that after discussing the matter with the new president as well as the chief engineer of the Grand Trunk Pacific, he felt justified in saying that the rails would be laid from Moncton to Prince Rupert by the fall of 1914. The contractors were hurrying forward the work and everything pointed to the realization of the dream of a completed railway within a little better than two years.

## FLEMMING AND McLEOD SCRAP AT WOODSTOCK

Woodstock, May 24—While a fight is typical of Tory pow-wows, the reported furious attack of Provincial Secretary McLeod on Premier Fleming at the sod turning is somewhat out of the ordinary and the subject of much comment around town.

Mr. McLeod who was, or thought he was, billed to speak, was bluntly told, it is said, that his services were not required. In a rage he turned on the premier and reminded him that York had as much right in the sod-turning as Carleton, and that he did not come there to be snubbed and sneered at, and the premier had not a divine right to be chief actor at all the exhibitions.

Mr. Fleming's efforts to calm his excited colleague, it is reported, were fruitless. The local committee tried to smooth matters by inviting Mr. McLeod to address the convention in the evening. This he rather forcibly declined to do, and at once left for Fredericton by auto.

Efforts to hush up this feature of a disappointing day failed and the affair is the talk of the town.

## SIKH WOMEN WILL NOT BE DEPORTED

Ottawa, May 21—The wives of the two Sikhs who were detained at Vancouver for deportation because they had violated the immigration act, and whose case has been under consideration by the government and before the courts for several months, will be allowed to remain in Canada. This has been decided upon by Hon. Robert Rogers, minister of the interior, as an act of grace and as the husbands of these women are now in Canada, but without establishing a precedent. In view of the decision the proceedings will be dropped.
