While white is considered likely to take the lead, colored effects will also be used. A good deal of embroidery has already been seen in ecru and other light shades, in conjunction with white. Corded embroidery is also being used to bring out the effects more prominently. This object is likewise attained by a foundation of black tulle, which brings out the white embroidery.

TERRIBLE DEED OF HALIFAX WOMAN

Halifax, N.S., Feb. 13—"I put the baby in the stove and burned it. I'm sorry now, but I did it when the feeling came over me."

These were the words of Ada McCarron, the wife of James McCarron of this city, in confessing, according to the police, this afternoon that she put her five-weeks-old child in the hot blast stove in her house and burned it alive.

She said she did this nine days ago and then spread the story that the child had been kidnapped from the cradle.

Mrs. McCarron is locked up on a charge of murder. Since the disappearance of the child, Detectives Hanrahan and Kennedy have been working on the case. They early became convinced that the child had been burned alive. The woman was arrested this afternoon on suspicion and an hour or two afterwards she is said to have confessed.

When the police visited the woman's house in the North End, the day the child disappeared, they examined the hot blast stove from which the ashes had been removed. It was then cold, but that was four hours afterwards. The ash barrel was searched, and little bones were found there, whether human or not, remains to be proved.

When the husband came home at noon the woman was rocking the cradle, which now, according to her confession, had been empty for an hour.

The only theory of the police as to the motive is that Mrs. McCarron was mentally deranged when she thrust her crying baby into the fire.

Makes Hair Grow

Ryan has an invigorator that will grow hair or money back.

The time to take care of your hair is when you have hair to take care of.

If your hair is getting thin, gradually falling out, it cannot be long before the spot appears.

The greatest remedy to stop the hair from falling is SALVIA, the Great American Hair Grower, first discovered in England. SALVIA furnishes nourishment to the hair roots and acts so quickly that people are amazed.

And remember, it destroys the Dandruff germ, the little pest that saps the life that should go to the hair from the roots.

SALVIA is sold by Ryan under a positive guarantee to cure Dandruff, stop Falling Hair and Itching Scalp in ten days, or money back. A large bottle costs 50c. The word "SALVIA" (Latin for sage) is on every bottle.

WHITE SLAVE TRAFFIC AT NIAGARA FALLS

Toronto, Ont., Feb. 15—That her investigation in Niagara Falls led her to believe that fully two hundred girls had been lured from Toronto to the south of the border during last summer by white slave traffickers, was the declaration made by Miss Ratte of the Presbyterian Department of Social Service, at the public meeting held last evening by the Toronto Vigilance Committee. Low wages and cheap picture theatres were two of the causes assigned by Miss Ratte for the downfall of the girls.

A VALENTINE TO HEAVEN.

(Will Carleton, in Harper's Weekly.)

I know not how these lines to send,
Dear soul that took the starward flight—

And yet our Past a hope doth lend
That thou canst read me as I write.
And if not so, thou yet wilt know
These whis'ers that are thine and mine;

For God hath ways to make it so—
And thou shalt be my valentine.

But if by some good messenger
This word must seek thy cherished name,

Thy heart, I hope, will yet infer
Wherefrom the earthly message came;

Some little ways of thought or phrase—
Some hidden thrill 'twixt line and line,

That we two knew in olden days—
Will tell who wrote the valentine.

Sweet one, they cannot make me fear
That stately Heaven can check thy glee,

Or bar me from the comrade cheer
That made the earth like heaven to me!

For 'e'en amid thy toil to rid
Of pain and sin our suffering race,

Of came the merry laugh unbid,
That never lost its girlhood grace.

So while the silver jest goes round
And while the air gives gold of mirth,

I feel thy heart may yet be found
Among the merriments of earth;

Heaven were a task, could I not bask
Within that merry glance of thine;

And so, 'mid smiles and tears, I ask
Thee, Dear, to be my valentine!

Leading features of the programme prepared for the next three days include hockey contests, championship snowshoe races, a pyrotechnic display on the heights of Levis, a night attack by snowshoers on St. Louis Gate winter sport competitions at Montmorency Falls, tobogganing races, an Indian war dance, and a fancy dress ball at the Chateau Frontenac under the patronage of H.R.H. the Duke of Connaught.
