HON. DR. PUGSLEY TALKS OF COURTENAY BAY WORK

(Continued from page one.)

the great satisfaction which I feel because the plan is to be carried out in its entirety by our successors and St. John is to have, as it undoubtedly will have in Courtenay Bay, one of the finest harbors in the world. The work is of great national importance and the advantages to Canada will far outweigh the heavy expenditure which will be involved.

"I feel like according to Mr. Hazen, as the representative of New Brunswick in the cabinet very great credit for having succeeded in getting the approval of his colleagues to this great undertaking. At times the last few weeks from what I have heard from reliable sources, I feared that there was a disposition on the part of some members of the cabinet to call for new tenders and to divide the work in several small tenders, omitting the dry dock and ship-repairing plant. This would have been a fatal mistake, because the dry dock and ship-repairing plant are essential to proper equipment of the harbor and this was my idea in calling for tenders to obligate the tenderer to build a dry dock and ship-repairing plant of the first class under the dry dock subsidies act.

WHITE STAR BOAT COMING

"By determining to carry out this course, the government has, I am sure, adopted the best plan possible. The Grand Trunk Pacific has renewed this government the undertaking which was given to me as minister to have the terminal when completed a part of the transcontinental system. Mr. Hays, president of the road, told me not long ago that he had no doubt that the first dock when completed would be used by the White Star line steamers in summer and to the St. Lawrence ports in winter. I have no knowledge of where the passenger depot of the railway will be established, but it is well to remember that the terminal of the Grand Trunk Pacific is on the city side of the bay, as the plans will show.

The facilities, I should think, would include a large elevator, an immigration building such as the government is building at Quebec, and other sheds and warehouses.

As one of the matters affecting the industrial outlook in St. John, Hon. Mr. Pugsley was asked if there was any likelihood of the repeal of the naval bill this session.

"It is not likely," he said, "unless the notice of motion made by Mr. Seigney, one of the Nationalist members is taken up some day on a motion to go into supply. I think it is extremely unfortunate for the country that the policy of the late government for the commencement of a building of a navy in Canada, in a moderate admiralty, has not been carried out by our successors. The excuse made in parliament by the minister of marine and fisheries that it would take six years to complete the programme and by that time the vessels would be obsolete, is of a most flimsy character. It is true then no nation would be justified in commencing the construction of a navy because designs and methods are changing from time to time. The vessels which it was proposed to build were of the very latest design and were adopted after full consultation between the naval experts of the British government and representatives of the Canadian government.

"The course of the present govern-

ment in declining to go on with the building of the ships and returning of deposits is especially to be regretted so far as the interests of this port are concerned, because Cammell Laird & Co., of Birkenhead (Eng.), who were the lowest tenders, had had selected St. John as the place for building the ships and there would have undoubtedly been a large shipbuilding plant adjacent to the dry dock on the eastern side of Courtenay Bay. The building of war vessels would have naturally led to commercial shipbuilding and thus a great industry would have been established giving employment to several thousands of men. However, we are to have the dry dock and ship-repairing plant. Let us hope that the sinister influence of the Nationalists of the country may not be of long duration and that Canada may soon begin to assume her proper share in the grand imperial burden to maintain British supremacy upon the seas."

WAS ALL RUN DOWN.

Doctors and Medicine Failed
To Cure Him.

Many people become run down, but don't know just exactly what their trouble is. As a rule it is improper circulation of the blood, owing to not just taking proper care of themselves. All they want is a good tonic to build up the system and put their blood in proper shape, and for this purpose there is nothing to equal Burdock Blood Bitters. It regulates the stomach, liver and bowels, purifies the blood and tones up the entire system. Mr. Murdock A. Morrison, Tarbot, N.S., writes:—"I am now writing to tell you what Burdock Blood Bitters has done for me. Last Summer I was all run down, and doctors and medicine failed to cure me. At last I decided to try a bottle of Burdock Blood Bitters, and after taking one bottle I began feeling better, and after I had taken the remedy for two months I was completely cured. I can safely recommend your remedy to anyone."

CONTRACT FOR TIES

Hartland Observer: The St. John and Quebec Railway Company, who are building the St. John Valley Railway, closed a contract with W. J. Scott of Fredericton and G. F. Burtt of Hartland for supplying all the ties and telegraph posts necessary for the Valley Railway between Centreville and Gagetown. The distance between the points is 125 miles, and figuring 2,800 ties necessary to the mile, somewhere about 340,000 ties for this section of the railway, which to be completed in two years will be required.

ROYAL

Baking Powder

Absolutely Pure

Where the finest biscuit, cake, hot-breads, crusts or puddings are required Royal is indispensable.

Royal is equally valuable in the preparation of plain, substantial, every-day foods, for all occasions.

The only baking powder made from Royal Grape Cream of Tartar

No Alum--No Lime Phosphates

NOT SALTS, OIL OR PILLS BUT CASCARETS

No odds how sick your stomach, how hard your head aches or how Bilious
Cascarets make you feel great

You men and women who somehow can't get feeling right—who have an almost daily headache, coated tongue, foul taste and foul breath, dizziness, can't sleep, are bilious, nervous and upset, bothered with a sick, gassy, disordered stomach, or have headache and feel all worn out.

Are you keeping clean inside with Cascarets, or merely forcing a passage every few days with salts, cathartic pills or castor oil. This is important.

Cascarets work while you sleep, cleanse and regulate the stomach, remove the sour, undigested and fermenting food and foul gases; take the excess bile from the liver and carry out of the system all the decomposed waste matter and poison in the intestines and bowels.

A Cascaret tonight will straighten you out by morning—a 10-cent box from any drug store will keep your entire family feeling good for months. Don't forget the children. They love Cascarets because they taste good—do good—never gripe or sicken.

CANDIDATES CHOSEN IN NORTHUMBERLAND

Newcastle, Feb. 15.—The local government convention today was attended by sixty-five accredited delegates from all the parishes, but Ludlow, Blissfield, South Esk and Glenelg. Seven names were put in nomination, the balloting resulting as follows:

Hon. John Morrissey and Wm. L. Allain, M. P. P.'s, 60 each; D. P. McLachlan, 49; John Betts, Miller, 36; Jas. Beveridge, of Millerton pulp mill, 22; J. L. Stewart, 13; George E. Fisher, Chatham, 7.

The nomination of the first four was then made unanimous. The delegates were:

Newcastle—Geo. McWilliam, Dr. Desmond, Ald. Sargeant, David Ritchie, Andrew McCabe, Chas. Morrissey, John Robinson, Denis Doyle, Wm. Durick, Edward Hickey, T. W. Crocker.

Chatham—Edward Gallivan, Ald. Carvell, Ald. Cassidy, Mayor Byrne, Chas. Bernard, Wm. N. Walsh, F. S. Maper, John A. Buckley, Ken Breaugh, Thos. Lawlor, Jacob Mersereau, Chas. Reinsboro, Thos. H. Fitzpatrick, Albert McLennan, Roger Flanagan, Chas. Dickens, Mel Goggin, J. D. Lahay.

Blackville—Wm. J. McLaggan, M. W. McCarthy, Geo. M. Hayes, Simon Bean, DeManus, Jas. Donovan, Geo. Hayes, Jr.

Hardwicke—Jas. Hackett, Jas. Cameron, Hugh Daley.

Nelson—David Blackmore, Matthew Carroll, Richard Gill, Thomas Carroll, Thomas Harper, Patrick Gorman.

Rogersville—Alex. Duprez, Stanley O. Brein, Gustav Boudreau, William McGrath, John Flanagan.

North Esk—Jas. McLean, Jas. Walsh.

Loggieville—A. J. Harper.

Derby—Jas. Carter, Neil Melver, Albert Brynton, Arthur Donovan.

The following were elected county officers: Hon. Allan Ritchie, president; Ald. Sargeant, vice; Clare McCabe, secretary; Matthew Carroll, Nelson, treasurer.

The candidates spoke hopefully of their election prospects. A large number besides the delegates were present. The leading Conservatives, however, who worked for the ticket last time were absent or did not vote. It is pretty certain that a straight Conservative ticket will run, as well as a Liberal ticket also.

THE HARKINS COMPANY AT THE OPERA HOUSE

The Harkins Company scored a big hit at the Opera House last evening when they put on "The Blue Mouse." There was a fine audience and the mirth provoking play was much enjoyed.

Concerning "The Lottery Man," to be put on this evening an exchange says:

"The Lottery Man," which filled the evening bill was played to a capacity house and well maintains its New York reputation as an uproariously funny comedy. The author struck out a new line in caricaturing physical culture for ladies, which added to the merriment, but the last thing is the performance was the character of Lizzie Roberts, a lady of uncertain age, who becomes possessed of the winning number in the lottery for the hand of Jack Wright, "the lottery man."

The Marysville train will be held for the company's closing performance on Saturday evening.

An effort is being made in San Jose Calif., to bring all the organizations of musicians in that city into the local of the American Federation of Musicians.
