FREDERICTON BRANCH—QUEEN STREET  
W. S. THOMAS, MANAGERAMERICAN LEAGUE OWNERS  
TURN DOWN NATIONAL AGREEMENT

Chicago, Ill., Feb. 15.—The American Baseball League owners, in session here today, refused to ratify the revised national agreement and referred it as a whole to President B. B. Johnson for revision. No date was set for his report on it.

Numerous objections were offered to the agreement, but the most unpopular clause seemed to be the one relating to inter-league waivers non-drafted and purchased major league players. It provides, among other things, that neither a drafted nor purchased player shall be sent to a minor league club unless all the clubs in both leagues shall have had an opportunity to waive on him.

Drafted players must be delivered immediately, but in the case of a purchased player, the clause provides

"the waiver price of a purchased player shall be fixed by negotiations between the interested clubs and in the event of their inability to agree, by the commission whose decision shall be final; of a drafted player, the amount paid for his selection plus \$250."

In the past it has not been necessary for team owners in either of the big leagues to obtain waivers on purchased players outside their own organization and in cases where high priced players were concerned, it has been customary to reimburse fully the seller for his outlay in obtaining the player.

Under the proposed ruling several team owners see a possibility of high priced players going for the waiver price, a few hundred dollars, and \$250

## WILL NOT COME BACK

Jack Marshall has definitely finally, once and for all, turned down the overtures of the Wanderer Hockey Club to him to play. Jack will stick to refereeing.

GENERAL AXWORTH  
BROUGHT THREE THOUSAND

Lexington, Ky., Feb. 14.—The second day of the sales of trotting stock here brought a large crowd and some good prices were realized. The highest price of the day was paid for General Axworthy, the 4-year-old son of Senator Axworthy and Moken, he going to Lee Darbey for \$3000. The stock offered at this consignment is above the average and prices show that horsemen are on the lookout for good racing material. The best prices follow:

## HOOF BEATS

Barney Birney is wintering in Elmira, N. Y. He will locate at the Brooklyn half-mile track in the Spring.

"Sweet Marie" Smith bought Biala, 2:14, by Bingara, at the New York sale and will ship her to California.

Andy Welch says that the Readville meeting this summer will be the best that the two-minute track has had in years.

Pim Tranter is now getting his mail at Indianapolis, hustling for the big sale there next month and the Pittsburg circuit meeting.

Further particulars about The Eel's mile in 2:13 on the quarter-mile track at Woodstock, Ont., last fall, make the performance greater than at first reported. The track is an old cinder bicycle track, well banked up. It has not been used of late years and has grown a tough grass sod, which has been kept cut short for foot runners.

The track was measured by a government surveyor at the request of Owner Alby Robinson of Woodstock, and found correct.

Peter McCormick, nh. (4), by Peter the Great—Pearl Cecil; W. A. Bacon, Paris, Ky., \$1200.  
Eish Born Lady, bg. (1), by The Northern Man—Mary Lloyd; N. C. Quinn, Philadelphia, \$825.

GOT DECISION OVER  
EDDIE MURPHY

Loser was in Good Condition and Put up Game Fight—Regarded as Corner

South Bend, Ind., Feb. 14.—In a bout noted for its brilliancy, Packey McFarland earned a decision over Eddie Murphy here tonight, out-punching the Boston boy in seven of the ten rounds. Although beaten by his more experienced opponent, Murphy fought cleverly, and at all times had a chance.

McFarland was cautious in the opening rounds, but when he gained the measure of his rival, he brought into play all his cleverness. In the fourth round, after rushing Murphy to the ropes, he landed a right hook which sent him to the floor for a seven count.

PACKEY McFARLAND

Murphy, however, came back strong and dazed Packey with a remarkable overhand punch to the jaw, which he used with effect throughout the rest of the bout.

The Boston boy was very game and in the last three rounds he forced the Chicagoan to show all he had. McFarland entered the ring a trifle over-drawn and with a worried expression. This, however, gave way in the third round to a smile, which remained at the close of the fight.

Murphy appeared the stronger physically of the two men and certainly had the more strength in his blows. With more experience he can be regarded as a coming champion.

DEY'S FATHER SAYS  
INJURIES RECEIVED  
CAUSED SON'S DEATH

(Canadian Press.)

Ottawa, Ont., Feb. 16.—The funeral of the late Edgar Dey will take place tomorrow morning from the family residence on First Avenue. The remains arrived last night from Halifax, accompanied by Mr. and Mrs. Frank Dey and Miss Lillian Dey, the deceased's parents and sister. Interment will be made at Berwood cemetery.

The Ottawa Hockey Club officers and players will attend in a body, also the Stewarts, New Edinburgh, National and Renfrew Clubs, as well as representatives of the various local aquatic associations with which the dead athlete was affiliated.

The Ottawa Club sent a beautiful floral tribute and wreaths were also ordered by the Crescent, Social, Moncton and New Glasgow teams.

Mr. Frank Dey, Edgar's father, said today that there would be no prosecutions, though he was convinced that the blow received in the hockey match was directly responsible for his son's untimely death.

As a mark of respect to Dey, the Arena and other local skating rinks will be closed this afternoon.

## RING NOTES

Billy Berger and Jimmy Howard will meet in Pittsburg next Saturday night.

Owen Moran and Joe Bedell are billed for a bout in Brooklyn next Monday night.

Freddie Duffy, the Jamaica Plains lightweight, has been matched to box Kid Alberts in New York next Monday night.

Jeff Smith has pulled away from his match with Kid Henry, booked to take place in Albany next week. Bill Hurley will now meet Henry.

Eob Fitzsimmons is grooming his sixteen-year-old son for the white horse class. Young Fitz is said to be a clever boxer. He now weighs 160 pounds.

DON A. WITH  
"COLLIE" BURKE UP  
WON AT ST. STEPHEN

Matched Race on Ice went to Former Fredericton Horse Yesterday—Much Money Changed Hands

St. Stephen, N.B., Feb. 15.—A matched race for \$50 a side between Don A., owned by Wm. McCormick, and Billy J., owned by Franklin Eaton, was trotted on the Milltown ice this afternoon, about 400 spectators being present.

"Collie" Burke, of Fredericton, from whom Don A. was recently purchased, came here last night and drove in the race today, while Billy J. was handled by Johnnie Marzaty. Both of the horses have gone miles in about 2.10 and everybody expected that it would be a horse race.

The first heat was very exciting, the horses going side by side for the whole course without a mistake on either side, Don A. finishing about a half length to the good. But the race ended there, for Don A. went lame, and after that could put up no argument at all with his little rival. The race was half mile heats, best two in three, and a lot of money, including some from Fredericton, changed hands on the result. The owners and backers of the Canadian horse are not satisfied with the outcome, and another race is talked of.

PORT ARTHUR WON  
TITLE IN HOLLOW FASHION

(Canadian Press.)

Port Arthur, Ont., Feb. 16.—While nearly 3,000 people waited for Port Arthur and Fort William hockey teams to appear and play the game which would give the winner the championship of the New Ontario League, the teams last night spent more than an hour disputing over officials. Finally the league president picked two officials, who faced off the puck, with the Port Arthur line-up. The puck was shot into the net, and the game awarded to Port Arthur. Port Arthur will challenge for the Stanley Cup and express a willingness to play off with any other western team to decide which goes east.

## HOCKEY NOTES

In the first of a series of games between Macdonald College, Montreal, and Ontario Agricultural College, Guelph, the former won by 3 to 2. The game was played at Montreal.

The Alberta Amateur Hockey Association winners will challenge for the Allan Cup, but they will not accede to any request of the trustees, if such is made, to play off with the winners of the Southern Alberta Hockey League. The Alberta Association will not change its attitude of attitude of non-recognition towards the Southern League, which is a weak organization, established to escape a residence rule.

The management of the St. Nicholas rink in New York will invite Canadian amateur and professional teams to compete there. Wanderers and Ottawa will be asked to perform, and O. H. A. and Intercollegiate champions may also be requested to meet. The New York Tribune says, "The educational value of this arrangement is recognized by the players and the public, inasmuch as it gives both a better understanding of the technical features of the game as it is played in Canada, where it is a national sport."

Moncton Times:—Those McNamaras have worked an awful change in that Crescent team. Johnny Murphy is to be congratulated on getting together such a team, after having been fooled a number of times at the first of the season.

McGill University counts the Intercollegiate championship as already won. To clinch the honors they must beat University of Toronto at Montreal tonight. The men of "Old McGill" are making elaborate preparations to celebrate the victory.

Fraser, goal-keeper for Paris, has been playing fourteen years. He has been in the game in London, Paris, Woodstock and St. Mary's, and isn't through by a long chalk yet. He used to be a point player, but backed into goal, and is making good.

Boston Journal:—We have had Fred Taylor, Art Ross, Hobe Baker of Princeton, and Kerr in this city, showing us a brand of really scientific hockey, but the big man of the whole array of stars is Russell Bowie. Bowie is the best stick handler in the world and a man of unusual dash on runners.

Miss Kay, a sister to Ess H. Kay, 2:04, who has been raising colts for some years, is to be trained.

MILLTOWN TEAM  
BEATEN AT BASKETBALL  
BY U.N.B., 42 TO 16

College Team Pulled off Some Good Combination Play—Milltown Depended on Individual Play

The University of New Brunswick basketball team trimmed Milltown 42 to 16 at the College "Gym" yesterday afternoon, having the game well in hand at all stages. At half time the College team was leading by the score of 22 to 8. The game was arranged at very short notice, and the spectators were not numerous. The visitors showed a lack of combination but had among their number some good individual players. The U.N.B. team contains much new material, but displayed form which seemed to indicate that the team of 1912 would be able to play up to the standard set by teams of preceding seasons.

Jago started as forward for U.N.B. and at half-time was replaced by Melrose. Both men put up a good game and figured largely in the scoring summary. Capt. Colwell did most of College's scoring, with Murray and Bender also figuring. For Milltown Stanhope scored four goals from the floor and Harmon two.

The teams lined up as follows:

U.N.B., 42	Milltown, 16

## HOOF BEATS

The four young trotters that Ed. Bither is wintering at the Readville Track, which were picked up at the Old Glory sale by members of the Gentlemen's Driving Club, are pronounced a fine lot.

Major Strong, 2:07, who was one of the real good racing trotters in 1910, was brought at the sale last week by R. G. Crosby of Dorchester. The Major goes into Crowley's stable at Readville.

Gus Macey says that the yearling, Colorado E, 2:04, out of Dorothy Axworthy, 2:21, can do more than aid other infant trotter he has ever seen.

It is only a question of time when a big league player released by the majors will either have to go back to the harrow or open a bank. The South Atlantic league will not allow any ex-big leaguers in their organization, and now the New York State league threatens to limit each club to use but six players who have performed in high society.

Bob Lee, the colored heavyweight, is "springing" the same excuse for his recent defeat in Brooklyn that he did when he was beaten here. He says that he was "doped."

They say a good workman is known by his tools. You cannot expect your maid to keep everything ship-shape unless you give her every modern help. To keep house without GOLD DUST is to do work by hard, old-fashioned methods. For cleaning everything and anything about the house—from cellar to attic—GOLD DUST is worth its weight in gold. It cuts grease and dirt like magic, does away with scouring and scrubbing, and saves time and tempers.
